RIGHTS AGREEMENT

between

PFSWEB, INC.

and

CHASEMELLON SHAREHOLDER SERVICES, L.L.C.

Dated: As of June 8, 2000

RIGHTS AGREEMENT

Rights Agreement, dated as of June 8, 2000 (the "Agreement"), between PFSweb, Inc., a Delaware corporation (the "Company"), and ChaseMellon Shareholder Services, L.L.C., a New Jersey limited liability company (the "Rights Agent", which term shall include any successor Rights Agent hereunder).

The Board of Directors of the Company has authorized and declared a dividend of one preferred share purchase right (a "Right") for each Common Share (as hereinafter defined) of the Company outstanding at the Close of Business (as hereinafter defined) on July 6, 2000 (the "Record Date"), each Right representing the right to purchase one one-thousandth (1/1000) of a share of Series A Preferred Stock, par value \$1.00 per share, of the Company ("Series A Preferred Stock") having the rights and preferences set forth in the Certificate of Designations of Preferred Stock with respect to the Series A Preferred Stock, a copy of which is attached hereto as Exhibit A. The Board of Directors of the Company has further authorized the issuance of one Right with respect to each Common Share (as hereinafter defined) that shall become outstanding (whether originally issued or delivered from the Company's treasury) after the Record Date and on or prior to the earliest of the Separation Date, the Redemption Date and the Final Expiration Date (each as hereinafter defined).

Accordingly, in consideration of the premises and the mutual agreements herein set forth, the parties hereby agree as follows:

Section 1. Certain Definitions. For purposes of this Agreement, the following terms have the meanings indicated:

(a) "Acquiring Person" shall mean any Person who, together with all Affiliates and Associates of such Person, shall hereafter become the Beneficial Owner of 15% or more of the Common Shares then outstanding, but shall not include (i) the Company, (ii) any wholly owned Subsidiary of the Company and (iii) any employee benefit plan of the Company or any Subsidiary of the Company, or any entity holding Common Shares for or pursuant to the terms of any such plan or for purposes of funding or providing Common Shares to any such plan; provided, however, that any Person, who, together with all Affiliates and Associates of such Person, on the date of this Agreement is the Beneficial Owner of 15% or more of the outstanding Common Shares shall not be, or be deemed to be, an "Acquiring Person" unless and until such Person becomes the Beneficial Owner of an additional one percent (1%) or more of the outstanding Common Shares. Notwithstanding the foregoing, no Person shall become an "Acquiring Person" as a result of an acquisition of Common Shares by the Company which, by reducing the number of shares outstanding, increases the proportionate number of

shares beneficially owned by such Person to 15% or more of the Common

Shares of the Company then outstanding; provided, however, that if a Person shall become the Beneficial Owner of 15% or more of the Common Shares of the Company then outstanding by reason of share purchases by the Company and shall, after share purchases by the Company, acquire any additional Common Shares of the Company, then such Person shall be deemed to be an "Acquiring Person." Notwithstanding the foregoing, if the Board of Directors of the Company determines in good faith that a Person who would otherwise be an "Acquiring Person," as defined pursuant to the foregoing provision, has become such inadvertently, and such Person divests as promptly as practicable a sufficient number of Common Shares so that such Person would no longer be an "Acquiring Person," as defined pursuant to the foregoing provisions, then such Person shall not be deemed to be an "Acquiring Person" for any purposes of this Agreement. Notwithstanding the foregoing, Daisytek International Corporation, a Delaware corporation ("Daisytek"), shall not be an "Acquiring Person" by virtue of its ownership of capital stock of the Company at any time on or prior to the distribution by Daisytek to its stockholders of Common Shares of the Company (the "Spin-Off"), which is scheduled to occur on the Record Date, and no Person who receives Common Shares of the Company in the Spin-Off shall be an "Acquiring Person" as a result of such Spin-Off, if, immediately prior to the Spin-Off, such Person is not deemed an "Acquiring Person" under the Rights Agreement between Daisytek and the Rights Agent that is in effect on the Record Date.

(b) "Adverse Person" shall mean any Person declared to be an Adverse Person by a majority of the Board upon determination that the criteria set forth in Section 11(a)(ii)(B) apply to such person.

(c) "Affiliate" and "Associate" shall have the respective meanings ascribed to such terms in Rule 12b-2 of the General Rules and Regulations (the "Rules") under the Securities Exchange Act of 1934, as amended (the "Exchange Act"), as in effect on the Record Date.

(d) A Person shall be deemed the "Beneficial Owner" of and shall be deemed to "beneficially own" any securities:

(i) that such Person or any of such Person's Affiliates or Associates, directly or indirectly, now or hereafter owns or has (or by agreement with the Company is, on the date of this Agreement, entitled to receive) the right to acquire (whether such right is exercisable immediately or only after the passage of time) pursuant to any agreement, arrangement or understanding (whether or not in writing) or upon the exercise of conversion rights, exchange rights, rights (other than the Rights), warrants or options, or otherwise; provided, however, that a Person shall not be deemed to be the Beneficial Owner of, or to beneficially own, securities tendered pursuant to a tender or exchange offer made by or on behalf of such Person or any of such Person's Affiliates or Associates until such tendered securities are accepted for purchase or exchange; and provided further, that a Person shall not be deemed to be the Beneficial Owner of, or to beneficially own, securities that such Person has the right to acquire (whether such right is exercisable immediately

or only after the passage of time) upon the exercise of (a) employee stock options now or hereafter (but prior to the Separation Date) issued by the Company, or (b) conversion rights conferred in any class or series of Preferred Stock of the Company issued prior to the Separation Date if the resolutions of the Board providing for the issuance of such class or series of Preferred Stock shall specifically refer to this Agreement and provide that the right to acquire securities upon the exercise of conversion rights so conferred shall not be deemed to constitute beneficial ownership of such securities;

(ii) that such Person or any of such Person's Affiliates or Associates, directly or indirectly, has the right to vote (except as hereinafter provided) or dispose of, or of which any of them, directly or indirectly, has "beneficial ownership" (as determined pursuant to Rule 13d-3 of the Rules, as in effect on the Record Date) (including, except as hereinafter provided, pursuant to any agreement, arrangement or understanding, whether or not in writing); provided, however, that a Person shall not be deemed to be the Beneficial Owner of, or to beneficially own, any security under this subparagraph (ii) as a result of an agreement, arrangement or understanding to vote such security if such agreement, arrangement or understanding arises solely from a revocable proxy given in response to a public proxy or consent solicitation made pursuant to, and in accordance with, the applicable provisions of the Rules and is not also then reportable on Schedule 13D under the Exchange Act (or any comparable or successor report);

(iii) that are beneficially owned, directly or indirectly, by any other Person (or any Affiliate or Associate thereof) with which such Person (or any of such Person's Affiliates or Associates) has any agreement, arrangement or understanding (whether or not in writing), for the purpose of, or with respect to, acquiring, holding, voting (except as described in the proviso to subparagraph (ii) of this paragraph (d)) or disposing of any voting securities of the Company; and

(iv) that are, pursuant to the foregoing subparagraphs of this paragraph (d), or otherwise, deemed to be owned by a voting trust, voting agent, recipient of a proxy that is not immediately revocable (a "Non-revocable Proxy") or any other Person to whom such Person (the "Grantor Person") has contributed, conveyed, delegated, given, granted, tendered, transferred or otherwise assigned or conferred (collectively, "given") some or all of the voting rights attributable to the Common Shares of which the Grantor Person (alone or

in conjunction with any other Person) is also deemed to be a Beneficial Owner. Solely for purposes of this Agreement, the Grantor Person shall be deemed to be the Beneficial Owner of all Common Shares that such voting trust, voting Agent, proxy holder or other Person has the right, by Non-revocable Proxy, agreement, assignment, tender, grant or otherwise, to exercise some or all of the voting rights attributable thereto, whether or not the Grantor Person shall have contributed or given voting rights that constitute all or less (even substantially less) than all of the voting rights held by the voting trust, voting Agent, proxy holder or other Person to whom or to which the Grantor Person has given some or all of the voting rights attributable to Common Shares otherwise beneficially owned by the Grantor Person;

provided, however, that nothing in this paragraph (d) shall cause a person engaged in business as an underwriter of securities to be the "Beneficial Owner" of or to "beneficially own" any securities acquired through such Person's participation in good faith in a firm commitment underwriting until the expiration of 40 days after the date of such acquisition.

(e) "Board" means the Board of Directors of the Company.

(f) "Business Day" shall mean any day other than a Saturday, Sunday, or a day on which banking institutions in New York, New York are authorized or obligated by law or executive order to close.

(g) "Close of Business" on any given date shall mean 5:00 P.M., New York time, on such date; provided, however, that if such date is not a Business Day it shall mean 5:00 P.M., New York time, on the next succeeding Business Day.

(h) "Common Shares" when used with reference to the Company shall mean shares of Common Stock, par value \$0.001 per share, of the Company. "Common Shares" or "common shares," when used with reference to any Person other than the Company, shall mean the capital stock of such Person with the greatest voting power or the equity securities or other equity interest having power to control or direct the management of such Person.

(i) "Person" shall mean any individual, firm, corporation, partnership, association, trust, joint venture, unincorporated organization, limited liability company or other person or entity and shall include any successor (by merger or otherwise) of such person or entity.

(j) "Section 11(a)(ii) Event" shall mean any event described in Section 11(a)(ii).

(k) "Section 13(a) Event" shall mean any event described in clause (x) or (y) or (z) of Section 13(a).

(l) "Series A Preferred Shares" shall mean shares of Series A Preferred Stock, par value \$1.00 a share, of the Company, including any authorized fraction of a Series A Preferred Shares, unless the context otherwise requires.

(m) "Shares Acquisition Date" shall mean the first date of public announcement (including, without limitation, a report filed pursuant to Section 13(d) or 14(d) under the Exchange Act) by the Company or an Acquiring Person indicating that an Acquiring Person has become such.

(n) "Subsidiary" shall mean, with reference to any Person, any corporation or other entity of which a majority of the voting power of the voting securities or voting interests is owned, directly or indirectly, by such Person, or otherwise controlled by such Person.

(o) "Triggering Event" shall mean any Section 11(a)(ii) Event or Section 13(a) Event.

The following additional terms have the meanings indicated in the specified Sections of this Agreement set forth below:

Section 2. Appointment of Rights Agent. The Company hereby appoints the Rights Agent to act as agent for the Company in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment and agrees to act as Rights Agent under this Agreement. The Company may from time to time appoint such co-rights agents as it may deem necessary or desirable. The Rights Agent shall have no duty to supervise, and in no event shall be liable for, the acts or omissions of any such Co-Rights Agent.

Section 3. Issue of Right Certificates.

(a) Until the earlier of (i) the Close of Business on the tenth Business Day following the Shares Acquisition Date or (ii) the Close of Business on the fifteenth (15th) Business Day (or such later date as may be determined by action of the Board prior to the time as any Person becomes an Acquiring Person) after the date on which a tender or exchange offer by any Person (other than the Company, any Subsidiary of the Company, any employee benefit plan of the Company or of any Subsidiary of the Company, or any Person or entity organized, appointed or established by the Company for or pursuant to the terms of any such plan) is first commenced within the meaning of Rule 14d-2(a) of the Rules, if upon consummation thereof, such Person would be the Beneficial Owner of 15% or more of the Common Shares then outstanding (the earlier of (i) and (ii) being herein referred to as the "Separation Date"), (x) the Rights will be evidenced (subject to the provisions of paragraph (b) of this Section 3) by the certificates for Common Shares registered in the names of the holders

thereof (which certificates shall also be deemed to be Right Certificates) and not by separate Right Certificates, and (y) the right to receive Right Certificates will be transferable only in connection with the transfer of Common Shares. The Company must promptly notify the Rights Agent in writing and request the transfer agent to provide a shareholders list. As soon as practicable after the Rights Agent receives such written notice and shareholders list, the Rights Agent will send, by first-class, insured, postage-prepaid mail, to each record holder of Common Shares as of the Close of Business on the Separation Date, at the address of such holder shown on the records of the Company, one or more Right Certificates, in substantially the form of Exhibit B hereto, evidencing one Right for each Common Share so held. In the event that an adjustment in the number of Rights per Common Share has been made pursuant to Section 11(p) hereof, at the time of distribution of the Right Certificates, the Company shall make the necessary and appropriate rounding adjustments (in accordance with Section 14(a) hereof) so that Right Certificates representing only whole numbers of Rights are distributed and cash is paid in lieu of any fractional Rights. As of and after the Separation Date, the Rights will be evidenced solely by such Right Certificates.

(b) As soon as practicable following the Record Date, the Company will send a copy of a Summary of Rights to Purchase Series A Preferred Stock, in substantially the form attached hereto as Exhibit C (the "Summary of Rights"), by first-class, postage-prepaid mail, to each record holder of Common Shares as of the Close of Business on the Record Date, at the address of such holder shown on the records of the Company. With respect to certificates for Common Shares outstanding as of the Record Date, until the Separation Date, the Rights will be evidenced by such certificates registered in the names of the holders thereof, together with a copy of the Summary of Rights attached thereto, and the registered holders of the Common Shares shall also be the registered holders of the associated Rights. Until the earliest of the Separation Date, the Redemption Date or the Final Expiration Date, the surrender for transfer of any certificate for Common Shares outstanding on the Record Date, with or without a copy of the Summary of Rights attached thereto, shall also constitute the transfer of the Rights associated with the Common Shares represented thereby.

(c) Certificates for Common Shares issued after the Record Date but prior to the earliest of the Separation Date, the Redemption Date or the Final Expiration Date shall have impressed on, printed on, written on or otherwise affixed to them the following legend:

Section 4. Form of Right Certificates.

(a) The Right Certificates (and the forms of election to purchase Series A Preferred Shares, exercise notice and of assignment to be printed on the reverse thereof) shall be substantially the same as Exhibit B hereto and may have such marks of identification or designation and such legends, summaries or endorsements printed thereon as the Company may deem appropriate, which do not affect the rights, duties or responsibilities of the Rights Agent and as are not inconsistent with the provisions of this Agreement, or as may be required to comply with any applicable law or with any rule or regulation made pursuant thereto or with any rule or regulation of any stock exchange on which the Rights may from time to time be listed, or to conform to usage. Subject to the provisions of Section 11 and Section 22 hereof, the Right Certificates, whenever distributed, shall be dated as of the Record Date and on their face shall entitle the holders thereof to purchase such number of one one-thousandth of a share of Series A Preferred Stock as shall be set forth therein at the price per one one-thousandth of a Series A Preferred Share set forth therein (the "Purchase Price"), but the amount and type of the securities purchasable (or other consideration to be made available) upon the exercise of each Right and the Purchase Price thereof shall be subject to adjustment as provided herein.

(b) Any Right Certificate issued pursuant to Section 3(a) or Section 22 hereof that represents Rights beneficially owned by (i) an Acquiring Person or an Associate or Affiliate of an Acquiring Person, (ii) a transferee of an Acquiring Person (or such Associate or Affiliate) who becomes a transferee after the Acquiring Person becomes such or (iii) a transferee of an Acquiring Person (or such Associate or Affiliate) who becomes a transferee prior to or concurrently with the Acquiring Person becoming such and receives such Rights pursuant to either (A) a transfer (whether or not for consideration) from the Acquiring Person to holders of equity interests in such Acquiring Person or to any Person with whom the Acquiring Person has any continuing agreement, arrangement or understanding regarding the transferred Rights or (B) a transfer that the Board has determined is part of a plan, agreement, arrangement or understanding that has as a primary purpose or effect avoidance of

Section 7(e) hereof, and any Right Certificate issued pursuant to Section 6 or Section 11 hereof upon transfer, exchange, replacement or adjustment of any other Right Certificate referred to in this sentence, shall contain (to the extent feasible) the following legend:

THE RIGHTS REPRESENTED BY THIS RIGHT CERTIFICATE ARE OR WERE BENEFICIALLY OWNED BY A PERSON WHO WAS OR BECAME AN ACQUIRING PERSON OR AN AFFILIATE OR ASSOCIATE OF AN ACQUIRING PERSON (AS SUCH TERMS ARE DEFINED IN THE RIGHTS AGREEMENT). ACCORDINGLY, THIS RIGHT CERTIFICATE AND THE RIGHTS REPRESENTED HEREBY MAY BECOME NULL AND VOID IN THE CIRCUMSTANCES SPECIFIED IN SECTION 7(e) OF SUCH AGREEMENT.

Section 5. Countersignature and Registration.

(a) The Right Certificates shall be executed on behalf of the Company by its Chairman of the Board or its President, Chief Executive Officer or any Vice President, either manually or by facsimile signature, and shall have affixed thereto the Company's seal, attested by the Secretary, the Treasurer or any Assistant Secretary or Assistant Treasurer of the Company, or shall bear a facsimile thereof. The Right Certificates shall not be valid for any purpose unless countersigned by the Rights Agent. In case any officer of the Company who shall have signed any of the Right Certificates shall cease to be such officer of the Company before countersignature by the Rights Agent and issuance and delivery by the Company, such Right Certificates, nevertheless, may be countersigned by the Rights Agent, and issued and delivered by the Company with the same force and effect as though the person who signed such Right Certificates had not ceased to be such officer of the Company; and any Right Certificate may be signed on behalf of the Company by any person who, at the actual date of the execution of such Right Certificate, shall be a proper officer of the

Company to sign such Right Certificate, although at the date of the execution of this Rights Agreement any such person was not such an officer.

(b) Following the Separation Date and receipt by the Rights Agent of the written notice and list of record holders of Rights referred to in Section 3(a), the Rights Agent will keep or cause to be kept, at its office designated pursuant to Section 26 hereof or agency designated for such purpose, books for registration and transfer of the Right Certificates issued or to be issued hereunder. Such books shall show the names and addresses of the respective holders of the Right Certificates, the number of Rights evidenced on its face by each of the Right Certificates, the certificate number of each of the Right Certificates and the date of each of the Right Certificates.

Section 6. Transfer, Split Up, Combination and Exchange of Right Certificates; Mutilated, Destroyed, Lost or Stolen Right Certificates.

(a) Subject to the provisions of Sections 4(b), 7(e) and 14 hereof, at any time after the Close of Business on the Separation Date, and at or prior to the Close of Business on the earlier of the Redemption Date or the Final Expiration Date, any Right Certificate or Right Certificates may be transferred, split up, combined or exchanged for another Right Certificate or Right Certificates, entitling the registered holder to purchase a like number of Series A Preferred Shares (or, following a Section 11(a)(ii) Event or Section 13(a) Event, Common Shares, other securities or property, as the case may be) as the Right Certificate or Right Certificates surrendered then entitled such holder to purchase. Any registered holder desiring to transfer, split up, combine or exchange any Right Certificate shall make such request in writing delivered to the Rights Agent, and shall surrender the Right Certificate or Right Certificates to be transferred, split up, combined or exchanged at the office of the Rights Agent designated, pursuant to Section 26, for such purpose. Neither the Rights Agent nor the Company shall be obligated to take any action whatsoever with respect to the transfer of any such surrendered Right Certificate until the registered holder shall have properly completed and signed the certificate contained in the form of assignment on the reverse side of such Right Certificate and shall have provided such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company or the Rights Agent shall reasonably request. Thereupon the Rights Agent shall countersign and deliver to the person entitled thereto a Right Certificate or Right Certificates, as the case may be, as so requested. The Company may require payment of a sum sufficient to cover any tax or governmental charge that may be imposed in connection with any transfer, split up, combination or exchange of Right Certificates. The Rights Agent shall have no duty or obligation under this section 6 or under any provision of this Agreement which requires the payment of taxes or governmental charges unless and until it is satisfied that all such taxes and/or governmental charges have been

paid in full.

(b) Upon receipt by the Company and the Rights Agent of evidence reasonably satisfactory to them of the loss, theft, destruction or mutilation of a Right Certificate, and, in case of loss, theft or destruction, of indemnity or security satisfactory to them, and, at the Company's request, reimbursement to the Company and the Rights Agent of all reasonable expenses incidental thereto, and upon surrender to the Rights Agent and cancellation of the Right Certificate if mutilated, the Company will make and deliver a new Right Certificate of like tenor to the Rights Agent for delivery to the registered owner in lieu of the Right Certificate so lost, stolen, destroyed or mutilated.

Section 7. Exercise of Rights; Purchase Price; Expiration Date of Rights.

(a) Subject to Section 7(e) hereof, the registered holder of any Right Certificate may exercise the Rights evidenced thereby (except as otherwise provided herein) in whole or in part at any time after the Separation Date upon surrender of the Right Certificate, with the form of election to purchase on the reverse side thereof duly executed, to the Rights Agent at the office of the Rights Agent designated, pursuant to Section 26 hereof, for such purpose, together with payment of the Purchase Price for each one one-thousandth of a Series A Preferred Share as to which the Rights are exercised, at or prior to the Close of Business on the earlier of (i) July 6, 2010 (the "Final Expiration Date"), (ii) the date on which the Rights are redeemed as provided in Section 23 hereof (the "Redemption Date") or (iii) the time at which such Rights are exchanged as provided in Section 24 hereof.

(b) The Purchase Price for each one one-thousandth of a Series A Preferred Share pursuant to the exercise of a Right shall initially be \$67, shall be subject to adjustment from time to time as provided in Sections 11 and 13 hereof and shall be payable in lawful money of the United States of America in accordance with paragraph (c) below.

(c) Upon receipt of a Right Certificate representing exercisable Rights, with the form of election to purchase duly executed, accompanied by payment of the Purchase Price for the Series A Preferred Shares (or other shares, securities or property, as the case may be) to be purchased and an amount equal to any applicable tax or governmental charge required to be paid by the holder of such Right Certificate in accordance with Section 9 hereof, in cash, or by certified check or cashier's check payable to the order of the Company, the Rights Agent shall, subject to Section 20(k) hereof, thereupon promptly (i) either (A) requisition from any transfer agent of the Series A Preferred Shares (or make available, if the Rights Agent is the transfer agent for such shares) certificates for the number of Series A Preferred Shares (or fractions thereof) to be purchased (and the Company hereby irrevocably authorizes its transfer agent to comply with all such requests) or (B) if the Company shall have

elected to deposit the Series A Preferred Shares issuable upon exercise of the Rights hereunder with a depositary agent, requisition from the depositary agent depositary receipts representing such number of one one-thousandth of a Series A Preferred Share as are to be purchased (in which case certificates for the Series A Preferred Shares represented by such receipts shall be deposited by the transfer agent with the depositary agent) and the Company hereby directs the depositary agent to comply with such request, (ii) if and when necessary to comply with this Agreement, requisition from the Company the amount of cash to be paid in lieu of issuance of fractional shares in accordance with Section 14 hereof, (iii) promptly after receipt of such certificates or depositary receipts, cause the same to be delivered to or upon the order of the registered holder of such Right Certificate, registered in such name or names as may be designated by such holder and (iv) after receipt, promptly deliver such cash to or upon the order of the registered holder of such Right Certificate. In the event that the Company is obligated to issue other securities (including Common Shares) or assets pursuant to Section 11(a) hereof, the Company will make all arrangements necessary so that such other securities or assets are available for distribution by the Rights Agent, if and when appropriate.

(d) In case the registered holder of any Right Certificate shall exercise less than all the rights evidenced thereby, a new Right Certificate evidencing Rights equivalent to the Rights remaining unexercised shall be issued by the Rights Agent to the registered holder of such Right Certificate or to his duly authorized assigns subject to the provisions of Section 6 and Section 14 hereof.

(e) Notwithstanding anything in this Agreement to the contrary, from and after the occurrence of a Triggering Event, any Rights beneficially owned by (i) an Acquiring Person or an Associate or Affiliate of an Acquiring Person, (ii) a transferee from an Acquiring Person (or of any such Associate or Affiliate) who becomes a transferee after the Acquiring Person becomes such or (iii) a transferee of an Acquiring Person (or such Associate or Affiliate) who becomes a transferee prior to or concurrently with the Acquiring Person becoming such and receives such Rights pursuant to either (A) a transfer (whether or not for consideration) from the Acquiring Person to holders of equity interests in such Acquiring Person or to any Person with whom the Acquiring Person has any continuing agreement, arrangement or understanding regarding the transferred Rights or (B) a transfer that the Board has determined is part of a plan, agreement, arrangement or understanding that has as a primary purpose or effect the avoidance of this Section 7(e), shall become null and void without any further action, and any holder of such Rights shall thereupon have no rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise. The Company shall notify the Rights Agent when this Section 7(e) applies and shall use all reasonable efforts to insure that the provisions of this Section 7(e) and Section 4(b) hereof are complied with, but neither the Company nor the Rights Agent shall have any liability to any holder of Right Certificates or other

Person as a result of the Company's failure to make any determinations with respect to an Acquiring Person or its Affiliates, Associates or transferees hereunder.

(f) Notwithstanding anything in this Agreement to the contrary, neither the Rights Agent nor the Company shall be obligated to undertake any action with respect to a registered holder upon the occurrence of any purported exercise as set forth in this Section 7 unless such registered holder shall have (i) properly completed and signed the certificate contained in the form of election to purchase set forth on the reverse side of the Right Certificate surrendered for such exercise and (ii) provided such additional evidence of the identity of the Beneficial Owner (or former Beneficial Owner) or Affiliates or Associates thereof as the Company or the Rights Agent shall reasonably request.

Section 8. Cancellation and Destruction of Right Certificates. All Right Certificates surrendered for the purpose of exercise, transfer, split up, combination or exchange shall, if surrendered to the Company or to any of its agents, be delivered to the Rights Agent for cancellation or in canceled form, or, if surrendered to the Rights Agent, shall be canceled by it, and no Right Certificates shall be issued in lieu thereof except as expressly permitted by any of the provisions of this Rights Agreement. The Company shall deliver to the Rights Agent for cancellation and retirement, and the Rights Agent shall so cancel and retire, any other Right Certificate purchased or acquired by the Company otherwise than upon the exercise thereof. The Rights Agent shall deliver all canceled Right Certificates to the Company, or shall, at the written request of the Company, destroy such canceled Right Certificates, and in such case shall deliver a certificate of destruction thereof to the Company.

Section 9. Reservation and Availability of Series A Preferred Shares; Registration.

(a) The Company covenants and agrees that it will cause to be reserved and kept available out of its authorized and unissued Series A Preferred Shares the number of Series A Preferred Shares that will be sufficient to permit the exercise in full of all outstanding Rights. Prior to the occurrence of a Triggering Event, the Company shall not be obliged to cause to be reserved and kept available out of its authorized and unissued Common Shares or shares of preferred stock (other than Series A Preferred Shares), any such Common Shares or any shares of preferred stock (other than the Series A Preferred Shares) to permit exercise of outstanding Rights.

(b) If the Series A Preferred Shares issuable upon the exercise of Rights are listed on any national securities exchange, the Company shall use its best efforts to cause, from and after such time as the Rights become exercisable, all shares reserved for such issuance to be listed on such exchange upon official notice of issuance upon such exercise.

(c) If then required by applicable law, the Company shall use its best efforts to (i) file, as soon as practicable following the earliest date after the occurrence of a Triggering Event as to which the consideration to be delivered by the Company upon exercise of the Rights has been determined pursuant to this Agreement, or as soon as is required by law following the Separation Date, as the case may be, a registration statement under the Securities Act of 1933 (the "Act"), with respect to the securities purchasable upon exercise of the Rights on an appropriate form, (ii) cause such registration statement to become effective as soon as practicable after such filing and (iii) cause such registration statement to remain effective (with a prospectus at all times meeting the requirements of the Act) until the earlier of (A) the date as of which the Rights are no longer exercisable for such securities and (B) the Final Expiration Date. If then required by applicable law, the Company will also take such action as may be appropriate under the securities or "blue sky" laws of the various states. The Company may temporarily suspend, for a period of time not to exceed ninety (90) days after the date set forth in clause (i) of this Section 9(c), the exercisability of the Rights in order to prepare and file such registration statement. Upon any such suspension, the Company shall promptly notify the Rights Agent thereof and shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement (with prompt notice thereof to the Rights Agent) at such time as the suspension is no longer in effect. In addition, if the Company shall determine that a registration statement is required following the Distribution Date, the Company may, by issuing a public announcement, temporarily suspend the right to exercise the Rights until such time as a registration statement has been declared effective. The Company shall notify the Rights Agent whenever it makes a public announcement pursuant to this Section 9(c) and provide the Rights Agent with a copy of such announcement. Notwithstanding any provision of this Agreement to the contrary, the Rights shall not be exercisable in any jurisdiction unless the requisite qualification in such jurisdiction shall have been obtained.

(d) The Company covenants and agrees that it will take all such action as may be necessary to ensure that all Series A Preferred Shares delivered upon exercise of Rights shall, at the time of delivery of the certificates for such shares (subject to payment of the Purchase Price), be duly and validly authorized and issued and fully paid and nonassessable shares.

(e) The Company covenants and agrees that it will pay when due and payable any and all taxes and governmental charges that may be payable in respect of the issuance or delivery of the Right Certificates or of any Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) upon the exercise of Rights. The Company shall not, however, be required to pay any tax or charge that may be payable in respect of any transfer or delivery of Right Certificates to a Person other than, or the issuance or delivery of certificates for the Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) in a

name other than that of, the registered holder of the Right Certificate evidencing Rights surrendered for exercise or to issue or deliver any certificates for Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) upon the exercise of any Rights until any such tax or charge shall have been paid (any such tax or charge being payable by the holder of such Right Certificate at the time of surrender) or until it has been established to the Company's satisfaction that no such tax or charge is due.

Section 10. Series A Preferred Shares Record Date. Each Person in whose name any certificate for Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) represented thereby on, and such certificate shall be dated, the date upon which the Right Certificate evidencing such Rights was duly surrendered and payment of the Purchase Price (and any applicable taxes and governmental charges) was made; provided, however, that if the date of such surrender and payment is a date upon which the Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Series A Preferred Shares (or Common Shares and/or other securities, as the case may be) transfer books of the Company are open. Prior to the exercise of the Rights evidenced thereby, the holder of a Right Certificate shall not be entitled (in such holder's capacity as such) to any rights of a shareholder of the Company with respect to shares for which the Rights shall be exercisable, including, without limitation, the right to vote any shares, to receive dividends or other distributions with respect to any shares or to exercise any preemptive rights with respect to any shares, and shall not be entitled to receive any notice of any proceedings of the Company, except as provided herein.

Section 11. Adjustment of Purchase Price, Number and Kind of Shares or Number of Rights. The Purchase Price, the number and kind of shares covered by each Right, and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 11.

(a) (i) In the event that the Company shall at any time after the date of this Agreement (A) declare a dividend on the Series A Preferred Shares payable in Series A Preferred Shares, (B) subdivide the outstanding Series A Preferred Shares, (C) combine the outstanding Series A Preferred Shares into a smaller number of Series A Preferred Shares or (D) issue any shares of its capital stock in a reclassification of the Series A Preferred Shares (including any such reclassification in connection with a consolidation or merger in which the Company is the continuing or surviving corporation), except as otherwise provided in this Section 11(a) and

16 Section 7(e) hereof, the Purchase Price in effect at the time of the record date for such dividend or of the effective date of such subdivision, combination or reclassification, and the number and kind of shares of capital stock issuable on such date, shall be proportionately adjusted so that the holder of any Right exercised after such time shall be entitled to receive the aggregate number and kind of shares of capital stock that, if such Right had been exercised immediately prior to such date and at a time when the Series A Preferred Shares transfer books of the Company were open, such holder would have owned upon such exercise and been entitled to receive by virtue of such dividend, subdivision, combination or reclassification; provided, however, that in no event shall the consideration to be paid upon the exercise of one Right be less than the aggregate par value of the shares of capital stock of the Company issuable upon exercise of one Right.

(ii) Subject to Section 24, in the event that

(A) any Person becomes an Acquiring Person;

or

(B) a majority of the Board shall declare any Person to be an Adverse Person, upon a determination that such Person, alone or together with its Affiliates and Associates, has become the Beneficial Owner of an amount of Common Shares which a majority of the Board determines to be substantial (which amount shall in no event be less than 10% of the Common Shares then outstanding) and a determination by a majority of the Board after reasonable inquiry and investigation, including consultation with such Person as such directors shall deem appropriate, that (a) such Beneficial ownership by such Person is intended to cause the Company to repurchase the Common Shares beneficially owned by such Person or to cause pressure on the Company to take action or enter into a transaction or series of transactions intended to provide such Person with short-term financial gain under circumstances where the Board determines that the best long-term interests of the Company and its stockholders would not be served by taking such action or entering into such transaction or series of transactions at that time or (b) such Beneficial Ownership is causing or is reasonably likely to cause a material adverse impact (including, but not limited to, impairment of relationships with customers or suppliers, impairment of the Company's ability to maintain its competitive position, adverse consequences to the communities in which the Company is located and impairment of the short-term and long-term interests of the Company (including benefits that may accrue from the continued independence of the Company) on the business or prospects of the Company;

then, and in each such case, proper provision shall be made so that each holder of a Right, except as provided below and in Section 7(e) hereof, shall thereafter have a right

to receive, upon exercise thereof at the then current Purchase Price in accordance with the terms of this Agreement, in lieu of Series A Preferred Shares, and subject to the provisions of Section 11(a)(iii) below, such number of Common Shares as shall equal the result obtained by (x) multiplying the then current Purchase Price by the then number of one one-thousandth of a Series A Preferred Share for which a Right was exercisable immediately prior to the first occurrence of an event set forth in Section 11(a)(ii) above, and dividing that product (which, following such first occurrence, shall be referred to as the "Purchase Price" for all purposes of this Agreement) by (y) fifty percent (50%) of the current per share market price of the Common Shares (determined pursuant to Section 11(d) hereof), but not less than the par value thereof, on the date of such first occurrence (such number of shares, the "Adjustment Shares").

(iii) In the event that (x) the total of the Common Shares that are issued but not outstanding and authorized but unissued (excluding Common Shares reserved for issuance pursuant to the specific terms of any indenture, option plan or other agreement) is not sufficient to permit the exercise in full of the Rights in accordance with Section 11(a)(ii) hereof or (y) the total number of Common Shares available for exercise of the Rights in accordance with Section 11(a)(ii) hereof is sufficient to permit the exercise in full of the Rights in accordance with Section 11(a)(ii) but the Board determines that such exercise of the Rights will not afford adequate protection to the shareholders of the Company and that shareholders should be given an option to acquire a substitute for the Adjustment Shares, and subject to such limitations as are necessary to prevent a default under any agreement for money borrowed to which the Company is a party and to comply with applicable law, then the Board shall: (A) determine the excess of (1) the value, based upon the current per share market price of the Common Shares (determined pursuant to Section 11(d) hereof), of the Adjustment Shares issuable upon the exercise of a Right (the "Current Value") over (2) the Purchase Price (such excess, the "Spread") and (B) with respect to each Right, make adequate provision to substitute for, or provide an election to acquire in lieu of, the Adjustment Shares, upon payment of the applicable Purchase Price (which term shall include any reduced Purchase Price) any combination of the following having an aggregate value equal to the Current Value (such aggregate value to be determined by the Board based upon the advice of a nationally recognized investment banking firm selected by the Board): (1) a reduction in the Purchase Price, (2) Common Shares and/or other equity securities of the Company (including, without limitation, shares or units of shares of any series of preferred stock that the Board has deemed to have the same value as Common Shares (such shares or units of share of preferred stock hereinafter referred to as "Common Share equivalents")) and/or (3) debt securities of the Company and/or cash and other assets; provided, however, that if the Company shall not have made adequate provision to deliver value pursuant to clause (B) above within thirty (30) days following the first occurrence of a Triggering Event, then the Company shall be obligated to deliver, upon the surrender for exercise

of a Right and without requiring payment of the Purchase Price, Common Shares (to the extent available) and then, if necessary, cash, which securities and/or cash in the aggregate are equal to the Spread. If the Board shall determine in good faith that it is likely that sufficient additional Common Shares could be authorized for issuance upon exercise in full of the Rights, the thirty (30) day period set forth above may be extended to the extent necessary, but not more than ninety (90) days following the first occurrence of a Triggering Event, in order that the Company may seek shareholder approval for the authorization of such additional shares (such period, as it may be extended, the "Substitution Period"). To the extent that the Company determines that some action needs to be taken pursuant to the first and/or second sentences of this Section 11(a)(iii), the Company (x) shall provide, subject to Section 7(e) hereof, that such action shall apply uniformly to all outstanding Rights and (y) may suspend the exercisability of the Rights until the expiration of the Substitution Period in order to seek any authorization of additional shares and/or to decide the appropriate form of distribution to be made pursuant to such first sentence and to determine the value thereof. In the event of any such suspension, the Company shall promptly notify the Rights Agent thereof and shall issue a public announcement stating that the exercisability of the Rights has been temporarily suspended, as well as a public announcement (with prompt notice thereof to the Rights Agent) at such time as the suspension is no longer in effect. For purposes of this Section 11(a)(iii), the value of the Common Shares shall be the current per share market price (as determined pursuant to Section 11(d) hereof) of the Common Shares on the date of the first occurrence of a Triggering Event.

The provisions of this Section 11(a)(iii) shall apply only to Common Shares of the Company and shall not apply to the securities of any other Person.

(b) In case the Company shall fix a record date for the issuance of rights, options or warrants to all holders of Series A Preferred Shares entitling them (for a period expiring within 45 calendar days after such record date) to subscribe for or purchase Series A Preferred Shares (or shares having the same rights, privileges and preferences as the Series A Preferred Shares ("equivalent shares")) or securities convertible into Series A Preferred Shares or equivalent shares at a price per Series A Preferred Share or equivalent share (or having a conversion price per share, if a security convertible into Series A Preferred Shares or equivalent shares) less than the current per share market price of the Series A Preferred Shares (as defined in Section 11(d) hereof) on such record date, the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the number of Series A Preferred Shares outstanding on such record date plus the number of Series A Preferred Shares that the aggregate offering price of the total number of Series A Preferred Shares and/or equivalent shares so to be offered (and/or the aggregate initial conversion price of the convertible securities so to be offered) would purchase at such

current market price and the denominator of which shall be the number of Series A Preferred Shares outstanding on such record date plus the number of additional Series A Preferred Shares and/or equivalent shares to be offered for subscription or purchase (or into which the convertible securities so to be offered are initially convertible). In case such subscription price may be paid in a consideration part or all of which shall be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the holders of the Rights. Series A Preferred Shares owned by or held for the account of the Company shall not be deemed outstanding for the purpose of any such computation. Such adjustments shall be made successively whenever such a record date is fixed; and in the event that such rights or warrants are not so issued, the Purchase Price shall be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

(c) In case the Company shall fix a record date for the distribution to all holders of the Series A Preferred Shares (including any such distribution made in connection with a consolidation or merger in which the Company is the continuing or surviving corporation) of any debt securities, cash or assets (other than a regular quarterly cash dividend or a dividend payable in Series A Preferred Shares) or subscription rights or warrants (excluding those referred to in Section 11(b) hereof), the Purchase Price to be in effect after such record date shall be determined by multiplying the Purchase Price in effect immediately prior to such record date by a fraction, the numerator of which shall be the current per share market price of the Series A Preferred Shares (as defined in Section 11(d) hereof) on such record date, less the fair market value (as determined in good faith by the Board, whose determination shall be described in a statement filed with the Rights Agent and binding on the holders of Rights) of the portion of the assets or debt securities so to be distributed or of such subscription rights or warrants applicable to one Series A Preferred Share and the denominator of which shall be such current per share market price of the Series A Preferred Shares (as determined pursuant to Section 11(d) hereof). Such adjustments shall be made successively whenever such a record date is fixed; and in the event that such distribution is not so made, the Purchase Price shall again be adjusted to be the Purchase Price that would then be in effect if such record date had not been fixed.

(d) (i) For the purpose of any computation hereunder, the "current per share market price" of the Common Shares on any date shall be deemed to be the lesser of (x) the average of the daily closing prices per Common Share for the 30 consecutive Trading Days immediately prior to, but not including, such date or (y) the average of the daily closing prices per Common Share for the 30 consecutive Trading Days immediately following, but not including, such date; provided, however, that in the event that the current per share market price of the Common Shares is determined during a period following the announcement by the issuer of such Common Shares of a dividend or distribution on such Common Shares payable in such Common

Shares or securities convertible into such Common Shares (other than the Rights), or any subdivision, combination or reclassification of such Common Shares, and prior to the expiration of 20 Trading Days after the ex-dividend date for such dividend or distribution, then, and in each such case, the current market price shall be appropriately adjusted to reflect the current market price per Common Share equivalent. The closing price for each day shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed on the principal national securities exchange, if any, on which the Common Shares are then listed or admitted to trading or, if the Common Shares are not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by NASDAQ or such other system then in use, or, if on any such date the Common Shares are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Common Shares selected by the Board. The term "Trading Day" shall mean a day on which the principal national securities exchange or NASDAQ on which the Common Shares are listed or traded or are admitted to trading is open for the transaction of business or, if the Common Shares are not listed or admitted to trading on any national securities exchange or NASDAQ, a Business Day.

(ii) For the purpose of any computation hereunder, the "current per share market price" of the Series A Preferred Shares shall be determined in the same manner as set forth above for Common Shares in clause (i) of this Section 11(d). If the current per share market price of the Series A Preferred Shares cannot be determined in the manner provided above, the "current per share market price" of the Series A Preferred Shares shall be conclusively deemed to be the current per share market price of the Common Shares (appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof), multiplied by 1,000. If neither the Common Shares nor the Series A Preferred Shares are publicly held or so listed or traded, "current per share market price" shall mean the fair value per share as determined in good faith by the Board, whose determination shall be described in a statement filed with the Rights Agent and binding on the holders of Rights.

(e) No adjustment in the Purchase Price shall be required unless such adjustment would require an increase or decrease of at least one percent (1%) in the Purchase Price; provided, however, that any adjustments that by reason of this Section 11(e) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under this Section 11 shall be made to the nearest cent or the nearest one one-hundredth of a Common Share or other share or one one-ten thousandth of a Series A Preferred Share, as the case may be.

Notwithstanding the first sentence of this Section 11(e), any adjustment provided for in this Section 11 shall be made no later than the earlier of (i) three years from the date of the transaction that requires such adjustment or (ii) the Final Expiration Date.

(f) If as a result of an adjustment made pursuant to Section 11(a) or Section 13(a) hereof, the holder of any Right thereafter exercised shall become entitled to receive any property, other securities (other than shares of capital stock of the Company) or shares of capital stock of the Company other than Series A Preferred Shares, thereafter the amount of such property, other securities (other than shares of capital stock of the Company) and the number of such other shares of capital stock so receivable upon exercise of any Right (as well as any consideration to be paid therefor) shall be subject to adjustment from time to time in a manner and on terms as nearly equivalent as practicable to the provisions with respect to the Series A Preferred Shares (and the Purchase Price) contained in this Section 11, and the provisions of Sections 7, 9, 10 and 13 with respect to the Series A Preferred Shares shall apply on like terms to any such property, other securities and other shares of capital stock.

(g) All Rights originally issued by the Company subsequent to any adjustment made to the Purchase Price hereunder shall evidence the right to purchase, at the adjusted Purchase Price, the number of Series A Preferred Shares purchasable from time to time hereunder upon exercise of the Rights, all subject to further adjustment as provided herein.

(h) Unless the Company shall have exercised its election as provided in Section 11(i), upon each adjustment of the Purchase Price as a result of the calculations made in Sections 11(b) and (c), each Right outstanding immediately prior to the making of such adjustment shall thereafter evidence the right to purchase, at the adjusted Purchase Price, that number of one one-thousandth of a Series A Preferred Share (calculated to the nearest one one-ten thousandth of a Series A Preferred Share) obtained by (i) multiplying (x) the number of one one-thousandth of a share covered by a Right immediately prior to this adjustment by (y) the Purchase Price in effect immediately prior to such adjustment of the Purchase Price and (ii) dividing the product so obtained by the Purchase Price in effect immediately after such adjustment of the Purchase Price.

(i) The Company may elect on or after the date of any adjustment of the Purchase Price to adjust the number of Rights, in substitution for any adjustment in the number of Series A Preferred Shares purchasable upon the exercise of a Right. Each of the Rights outstanding after such adjustment of the number of Rights shall be exercisable for the number of one one-thousandth of a Series A Preferred Share for which a Right was exercisable immediately prior to such adjustment. Each Right held of record prior to such adjustment of the number of Rights shall become the number of Rights (calculated to the nearest one-ten thousandth) obtained by dividing the

Purchase Price in effect immediately prior to adjustment of the Purchase Price by the Purchase Price in effect immediately after adjustment of the Purchase Price. The Company shall make a public announcement of its election to adjust the number of Rights and shall provide written notice of such election to the Rights Agent, indicating the record date for the adjustment, and, if known at the time, the amount of the adjustment to be made. This record date may be the date on which the Purchase Price is adjusted or any day thereafter, but, if the Right Certificates have been issued, shall be at least 10 days later than the date of the public announcement. If Right Certificates have been issued, upon each adjustment of the number of Rights pursuant to this Section 11(i), the Company shall, as promptly as practicable, cause to be distributed to holders of record of Right Certificates on such record date Right Certificates evidencing, subject to Section 14 hereof, the additional Rights to which such holders shall be entitled as a result of such adjustment, or, at the option of the Company, shall cause to be distributed to such holders of record in substitution and replacement for the Right Certificates held by such holders prior to the date of adjustment, and upon surrender thereof, if required by the Company, new Right Certificates evidencing all the Rights to which such holders shall be entitled after such adjustment. Right Certificates so to be distributed shall be issued, executed and countersigned in the manner provided for herein and shall be registered in the names of the holders of record of Right Certificates on the record date specified in the public announcement.

(j) Irrespective of any adjustment or change in the Purchase Price or the number of Series A Preferred Shares issuable upon the exercise of the Rights, the Right Certificates theretofore and thereafter issued may continue to express the Purchase Price per one one-thousandth of a share and the number of shares that were expressed in the initial Right Certificates issued hereunder.

(k) Before taking any action that would cause an adjustment reducing the Purchase Price below one one-thousandth of the then stated value, if any, of the Series A Preferred Shares issuable upon exercise of the Rights, the Company shall take any corporate action that may, in the opinion of its counsel, be necessary in order that the Company may validly and legally issue fully paid and nonassessable Series A Preferred Shares at such adjusted Purchase Price.

(l) In any case in which this Section 11 requires that an adjustment in the Purchase Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuing to the holder of any Right exercised after such record date of the Series A Preferred Shares and other capital stock or securities of the Company, if any, issuable upon such exercise over and above the Series A Preferred Shares and other capital stock or securities of the Company, if any, issuable upon such exercise on the basis of the Purchase Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder a due bill or other appropriate instrument evidencing such

holder's right to receive such additional shares upon the occurrence of the event requiring such adjustment. The Company shall provide the Rights Agent with written notice of any adjustment in the Purchase Price.

(m) Anything in this Section 11 to the contrary notwithstanding, the Company shall be entitled to make such reductions in the Purchase Price, in addition to those adjustments expressly required by this Section 11, as and to the extent that in its good faith judgment the Board shall determine to be advisable in order that any (i) consolidation or subdivision of the Series A Preferred Shares, (ii) issuance wholly for cash of any of the Series A Preferred Shares at less than the current market price, (iii) issuance wholly for cash of Series A Preferred Shares or securities that by their terms are convertible into or exchangeable for Series A Preferred Shares, (iv) dividends on Series A Preferred Shares payable in Series A Preferred Shares or (v) issuance of rights, options or warrants referred to in this Section 11, hereafter made by the Company to holders of its Series A Preferred Shares shall not be taxable to such shareholders.

(n) The Company covenants and agrees that it shall not, and shall not permit any Subsidiary, at any time after the Separation Date, to (i) consolidate with, (ii) merge with or into or (iii) sell or transfer, in one or more transactions, assets or earning power aggregating more than 50% of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to, any other Person if at the time of or immediately after such consolidation, merger or sale there are any rights, warrants or other instruments or securities outstanding or agreements in effect that would substantially diminish or otherwise eliminate the benefits intended to be afforded by the Rights.

(o) The Company covenants and agrees that, after the Separation Date, it will not, except as permitted by Section 23, Section 24, Section 27 or Section 31 hereof, take (or permit any Subsidiary to take) any action that at the time it is reasonably foreseeable will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights; provided, however, that the issuance of additional Rights pursuant hereto, including by action of the Board under Section 22 hereof, shall not be deemed to violate this Section 11(o).

(p) Anything in this Agreement to the contrary notwithstanding, in the event that the Company shall at any time after the Record Date (i) declare a dividend on the outstanding Common Shares payable in Common Shares, (ii) subdivide the outstanding Common Shares or (iii) combine the outstanding Common Shares into a smaller number of shares, the number of Rights associated with each Common Share then outstanding, or issued or delivered thereafter, shall be proportionately adjusted so that the number of Rights thereafter associated (whether before or after the Separation Date) with each Common Share following any such event

shall equal the result obtained by multiplying the number of Rights associated with each Common Share immediately prior to such event by a fraction the numerator of which shall be the total number of Common Shares outstanding immediately prior to the occurrence of the event and the denominator of which shall be the total number of Common Shares outstanding immediately following the occurrence of such event. For purposes of this Section 11(p), any Common Shares issued after the Separation Date that were not issued together with a Right (pursuant to the Preamble hereto or by action of the Board pursuant to Section 22 hereof) shall not be counted as outstanding.

Section 12. Certificate of Adjusted Purchase Price or Number of Shares. Whenever an adjustment is made as provided in Sections 11 and 13 hereof, the Company shall (a) promptly prepare a certificate setting forth such adjustment, and a brief, reasonably detailed statement of the facts, computations and methodology of accounting for such adjustment, (b) promptly file with the Rights Agent and with each transfer agent for the Common Shares or the Series A Preferred Shares a copy of such certificate and (c) mail a brief summary thereof to each holder of a Right Certificate (or, if prior to the Separation Date, to each holder of a certificate representing Common Shares) in accordance with Section 25 hereof. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained, and shall have no duty with respect to, and shall not be deemed to have knowledge of any such adjustment unless and until it shall have received such certificate.

Section 13. Consolidation, Merger or Sale or Transfer of Assets or Earning Power.

(a) In the event that, following the Shares Acquisition Date, directly or indirectly, (x) the Company shall consolidate with, or merge with and into, any other Person and the Company shall not be the continuing or surviving corporation of such consolidation or merger, (y) any Person shall consolidate with, or merge with or into, the Company and the Company shall be the continuing or surviving corporation of such consolidation or merger and, in connection with such consolidation or merger, all or part of the Common Shares shall be changed into or exchanged for stock or other securities of any other Person or cash or any other property or (z) the Company shall sell or otherwise transfer (or one or more of its Subsidiaries shall sell or otherwise transfer), in a single transaction or a series of related transactions, assets or earning power aggregating more than fifty percent (50%) of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to any Person or Persons (other than the Company or any Subsidiary of the Company), then, and in each such case, proper provision shall be made so that (i) each holder of a Right, except as provided in Section 7(e) hereof, shall thereafter have the right to receive, upon the exercise thereof at the then current Purchase Price in accordance with the terms of this Agreement, such number of validly authorized and issued, fully paid, nonassessable and freely tradeable

Common Shares of the Principal Party, not subject to any rights of first refusal, redemption or repurchase, as shall be equal to the result obtained by (1) multiplying the then current Purchase Price by the number of one one-thousandth of a Series A Preferred Share for which a Right is exercisable immediately prior to the first occurrence of a Section 13(a) Event (or, if any event set forth in Sections 11(a)(ii) has occurred prior to the Section 13(a) Event, multiplying the number of such fractional shares for which a Right was exercisable immediately prior to the first occurrence of an event set forth in Sections 11(a)(ii) hereof by the Purchase Price immediately prior to such first occurrence), and dividing that product (which, following the Section 13(a) Event, shall thereafter be referred to as the "Purchase Price" for all purposes of this Agreement) by (2) fifty percent (50%) of the current per share market price (determined pursuant to Section 11(d) hereof) per Common Share (or other securities or property as provided for herein) of such Principal Party on the date of consummation of such consolidation, merger, sale or transfer; (ii) such Principal Party shall thereafter be liable for, and shall assume, by virtue of such consolidation, merger, sale or transfer, all the obligations and duties of the Company pursuant to this Agreement; (iii) the term "Company" shall thereafter be deemed to refer to such Principal Party, it being specifically intended that the provisions of Section 11 hereof shall apply only to such Principal Party following the first occurrence of a Section 13(a) Event and (iv) such Principal Party shall take such steps (including, but not limited to, the reservation of a sufficient number of its Common Shares) in connection with the consummation of any such transaction as may be necessary to assure that the provisions hereof shall thereafter be applicable, as nearly as reasonably may be, in relation to its Common Shares thereafter deliverable upon the exercise of the Rights; and (v) the provisions of Sections 11(a)(ii) and 11(a)(iii) hereof shall thereafter be of no effect following the first occurrence of a Section 13(a) Event.

(b) "Principal Party" shall mean:

(i) in the case of any transaction described in clause (x) or clause (y) of the first sentence of Section 13(a), the Person that is the issuer of any securities into which Common Shares of the Company are converted in such merger or consolidation, and if no securities are so issued, the Person that is the other party to such merger or consolidation; and

(ii) in the case of any transaction described in clause (z) of the first sentence of Section 13(a), the Person that is the party receiving the greatest portion of the assets or earning power transferred pursuant to such transaction or transactions; provided, however, that in any such case, (1) if the Common Shares of such Person are not at such time and have not been continuously over the preceding twelve (12) month period registered under Section 12 of the Exchange Act, and such Person is a direct or indirect Subsidiary of another Person the Common Shares of which are and have been so registered, "Principal Party" shall refer

to such other Person; and (2) in case such Person is a Subsidiary, directly or indirectly, of more than one Person, the Common Shares of two or more of which are and have been so registered, "Principal Party" shall refer to whichever of such Persons is the issuer of the Common Shares having the greatest aggregate market value.

(c) The Company shall not consummate any such consolidation, merger, sale or transfer unless the Principal Party shall have a sufficient number of authorized Common Shares, which have not been issued or reserved for issuance, to permit the exercise in full of the Rights in accordance with this Section 13 and unless prior thereto the Company and such Principal Party shall have executed and delivered to the Rights Agent a supplemental agreement providing for the terms set forth in paragraphs (a) and (b) of this Section 13 and further providing that, as soon as practicable after the date of any consolidation, merger or sale of assets mentioned in paragraph (a) of this Section 13, the Principal Party will:

(i) prepare and file a registration statement under the Act, with respect to the Rights and the securities purchasable upon exercise of the Rights on an appropriate form, and will use its best efforts to cause such registration statement to (A) become effective as soon as practicable after such filing and (B) remain effective (with a prospectus at all times meeting the requirements of the Act) until the Final Expiration Date; and

(ii) deliver to holders of the Rights historical financial statements for the Principal Party and each of its Affiliates that comply in all respects with the requirements for registration on Form 10 under the Exchange Act. The provisions of this Section 13 shall similarly apply to successive mergers or consolidations or sales or other transfers. In the event that one of the transactions described in Section 13(a) hereof shall occur at any time after the occurrence of a transaction described in Section 11(a)(ii) hereof, the Rights that have not theretofore been exercised shall thereafter become exercisable in the manner described in Section 13(a).

Section 14. Fractional Rights and Fractional Shares.

(a) The Company shall not be required to issue fractions of Rights, except prior to the Separation Date as provided in Section 11(p) hereof, or to distribute Right Certificates that evidence fractional Rights. In lieu of such fractional Rights, there shall be paid to the registered holders of the Right Certificates with regard to which such fractional Rights would otherwise be issuable an amount in cash equal to the same fraction of the current market value of a whole Right. For the purposes of this Section 14(a), the current market value of a whole Right shall be the closing price of the Rights for the Trading Day immediately prior to the date on which such fractional Rights would have been otherwise issuable. The closing price for any day

shall be the last sale price, regular way, or, in case no such sale takes place on such day, the average of the closing bid and asked prices, regular way, in either case as reported in the principal consolidated transaction reporting system with respect to securities listed on the principal national securities exchange, if any, on which the Rights are then listed or admitted to trading or, if the Rights are not listed or admitted to trading on any national securities exchange, the last quoted price or, if not so quoted, the average of the high bid and low asked prices in the over-the-counter market, as reported by NASDAQ or such other system then in use or, if on any such date the Rights are not quoted by any such organization, the average of the closing bid and asked prices as furnished by a professional market maker making a market in the Rights selected by the Board. If on any such date the Rights are not publicly held or so listed or traded, the current market value of a whole Right shall mean the fair value of a whole Right as determined in good faith by the Board, whose determination shall be described in a statement filed with the Rights Agent and binding on the holders of Rights.

(b) The Company shall not be required to issue fractions of Series A Preferred Shares (other than fractions that are integral multiples of one one-thousandth of a Series A Preferred Share) upon exercise of the Rights or to distribute certificates that evidence fractional Series A Preferred Shares (other than fractions that are integral multiples of one one-thousandth of a Series A Preferred Share). Fractions of Series A Preferred Shares in integral multiples of one one-thousandth of a Series A Preferred Share may, at the election of the Company, be evidenced by depositary receipts, pursuant to an appropriate agreement between the Company and a depositary selected by it, provided that such agreement shall provide that the holders of such depositary receipts shall have all the rights, privileges and preferences to which they are entitled as beneficial owners of the Series A Preferred Shares. In lieu of fractional Series A Preferred Shares that are not integral multiples of one one-thousandth of a Series A Preferred Share, the Company shall pay to the registered holders of Right Certificates at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market value of one Series A Preferred Share. For purposes of this Section 14(b), the current market value of a Series A Preferred Share shall be the closing price of a Series A Preferred Share (as determined pursuant to Section 11(d)(ii) hereof) for the Trading Day immediately prior to the date of such exercise.

(c) Following the occurrence of a Triggering Event, the Company shall not be required to issue fractions of Common Shares upon exercise of the Rights or to distribute certificates that evidence fractional Common Shares. In lieu of fractional Common Shares, the Company may pay to the registered holders of Right Certificates at the time such Rights are exercised as herein provided an amount in cash equal to the same fraction of the current market value of one Common Share. For purposes of this Section 14(c), the current market value of one Common Share shall be

the closing price of one Common Share (as determined pursuant to Section 11(d)(i) hereof) for the Trading Day immediately prior to the date of such exercise.

(d) The holder of a Right, by the acceptance of the Rights, expressly waives his or her right to receive any fractional Rights or any fractional shares upon exercise of a Right, except as otherwise set forth herein. The Rights Agent shall have no duty or obligations with respect to this section 14 unless and until it has received specific instructions (and sufficient cash, if required) from the Company with respect to its duties and obligations.

Section 15. Rights of Action. All rights of action in respect of this Agreement, excepting the rights of action given to the Rights Agent under Section 18 hereof, are vested in the respective registered holders of the Right Certificates (and, prior to the Separation Date, the registered holders of any certificate representing Common Shares); and any registered holder of any Right Certificate (or, prior to the Separation Date, of any other certificate representing Common Shares), without the consent of the Rights Agent or of the holder of any other Right Certificate (or, prior to the Separation Date, of the Common Shares), may, in his or her own behalf and for his or her own benefit, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce, or otherwise act in respect of, his right to exercise the Rights evidenced by such Right Certificate in the manner provided in such Right Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holders of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Agreement.

Section 16. Agreement of Right Holders. Every holder of a Right, by accepting the same, consents and agrees with the Company and the Rights Agent and with every other holder of a Right that:

(a) prior to the Separation Date, the Rights will be transferable only in connection with the transfer of the Common Shares;

(b) after the Separation Date, the Right Certificates are transferable only on the registry books of the Rights Agent if surrendered at the office of the Rights Agent designated for such purpose, duly endorsed or accompanied by a proper instrument of transfer and with appropriate forms and certificates fully executed; and

(c) the Company and the Rights Agent may deem and treat the Person in whose name the Right Certificate (or, prior to the Separation Date, the

associated Common Shares certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on the Right Certificates or the associated Common Shares certificates made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary.

(d) Notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right or other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree, judgment or ruling (whether interlocutory or final) issued by a court of competent jurisdiction or by a governmental, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority prohibiting or otherwise restraining performance of such obligation.

Section 17. Right Certificate Holder Not Deemed a Shareholder. No holder, as such, of any Right Certificate shall be entitled to vote, receive dividends or be deemed for any purpose the holder of the Series A Preferred Shares, or any other securities of the Company, that may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Right Certificate be construed to confer upon the holder of any Right Certificate, as such, any of the rights of a shareholder of the Company or any right to vote for the election of directors or upon any matter submitted to shareholders at any meeting thereof, or to give or withhold consent to any corporate action, or to receive notice of meetings or other actions affecting shareholders (except as provided in Section 25 hereof), or to receive dividends or subscription rights, or otherwise, until the Right or Rights evidenced by such Right Certificate shall have been exercised in accordance with the provisions hereof.

Section 18. Concerning the Rights Agent.

(a) The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time, on demand of the Rights Agent, its reasonable expenses and counsel fees and other disbursements incurred in the preparation, delivery, amendment, administration and execution of this Agreement and the exercise and performance of its duties hereunder. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, damage, judgment, ruling (interlocutory or final), fine, penalty, claim, demand, settlement (but with respect to any settlement only with the Company's prior consent, which shall not be unreasonably withheld), cost or expense, incurred without gross negligence, bad faith or willful misconduct (as finally determined by a court of competent jurisdiction) on the part of the Rights Agent, for

any action taken, suffered or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including, without limitation the costs and expenses of defending against any claim of liability in the premises. The indemnity provided herein shall survive the termination of this Agreement and the termination and expiration of the Rights. The costs and expenses incurred in enforcing this right of indemnification shall be paid by the Company. Anything to the contrary notwithstanding, in no event shall the Rights Agent be liable for special, punitive, indirect, consequential or incidental loss or damage of any kind whatsoever (including but not limited to lost profits), even if the Rights Agent has been advised of the possibility of such loss or damage. Any liability of the Rights Agent under this Rights Agreement will be limited to the amount of fees paid by the Company to the Rights Agent hereunder.

(b) The Rights Agent shall be fully indemnified against, shall be protected from, and shall incur no liability or expense (including without limitation attorneys' fees and expenses) for, or in respect of, any action taken, suffered or omitted by it in connection with, the acceptance and administration of this Agreement in reliance upon any Right Certificate or certificate for the Series A Preferred Shares or Common Shares or for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, instruction, consent, certificate, statement or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper person or persons, or otherwise upon the advice of its counsel as set forth in Section 20 hereof. The Rights Agent shall be fully protected in relying on any such certificate and on any adjustment therein contained. The Rights Agent shall not be deemed to have any duty or notice unless and until the Company has provided the Rights Agent with written notice.

Section 19. Merger or Consolidation or Change of Name of Rights Agent.

(a) Any Person into which the Rights Agent or any successor Rights Agent may be merged or with which it may be consolidated, or any Person resulting from any merger or consolidation to which the Rights Agent or any successor Rights Agent shall be a party, or any Person succeeding to the shareholder services business of the Rights Agent or any successor Rights Agent, shall be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto; provided, however, that such Person would be eligible for appointment as a successor Rights Agent under the provisions of Section 21 hereof. In case at the time such successor Rights Agent shall succeed to the agency created by this Agreement, any of the Right Certificates shall have been countersigned but not delivered, any such successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Right

Certificates so countersigned; and in case at that time any of the Right Certificates shall not have been countersigned, any successor Rights Agent may countersign such Right Certificates either in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Agreement.

(b) In case at any time the name of the Rights Agent shall be changed and at such time any of the Right Certificates shall have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Right Certificates so countersigned; and in case at that time any of the Right Certificates shall not have been countersigned, the Rights Agent may countersign such Right Certificates either in its prior name or in its changed name; and in all such cases such Right Certificates shall have the full force provided in the Right Certificates and in this Agreement.

Section 20. Duties of Rights Agent. The Rights Agent undertakes the duties and obligations expressly imposed by this Agreement (and no implied duties or obligations) upon the following terms and conditions, by all of which the Company and the holders of Right Certificates, by their acceptance thereof, shall be bound:

(a) The Rights Agent may consult with legal counsel (who may be legal counsel for the Company), and the written advice or opinion of such counsel shall be full and complete authorization and protection to the Rights Agent and the Rights Agent shall incur no liability for, or in respect of, any action taken, suffered, or omitted by it in good faith and in accordance with such written advice or opinion.

(b) Whenever in the performance of its duties under this Agreement the Rights Agent shall deem it necessary or desirable that any fact or matter be proved or established by the Company prior to taking, suffering or omitting any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by any one of the Chairman of the Board, the Chief Executive Officer, the President, any Vice President, the Treasurer or the Secretary of the Company and delivered to the Rights Agent; and such certificate shall be full authorization and protection to the Rights Agent and the Rights Agent shall incur no liability for, or in respect of, for any action taken, suffered or omitted in good faith by it under the provisions of this Agreement in reliance upon such certificate.

(c) The Rights Agent shall be liable hereunder to the Company and any other Person only for its own gross negligence, bad faith or willful misconduct.

(d) The Rights Agent shall not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the Right Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and shall be deemed to have been made by the Company only.

(e) The Rights Agent shall not be under any responsibility or liability in respect of the validity of this Agreement or the execution and delivery hereof (except the due execution hereof by the Rights Agent) or in respect of the validity or execution of any Right Certificate (except its countersignature thereof); nor shall it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Right Certificate; nor shall it be responsible for any adjustment required under the provisions of Section 11 or Section 13 hereof or responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights evidenced by Right Certificates after actual notice of any such adjustment); nor shall it by any act hereunder be deemed to make any representation or warranty as to the authorization or reservation of any Series A Preferred Shares to be issued pursuant to this Agreement or any Right Certificate or as to whether any Series A Preferred Shares will, when issued, be validly authorized and issued, fully paid and nonassessable.

(f) The Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement.

(g) The Rights Agent is hereby authorized and directed to accept advice or instructions with respect to the performance of its duties hereunder from any one of the Chairman of the Board, the Chief Executive Officer, the President, any Vice President, the Secretary or the Treasurer of the Company, and to apply to such officers for advice or instructions in connection with its duties, and such advice or instructions shall be full authorization and protection to the Rights Agent and the Rights Agent shall incur no liability for, or in respect of, any action taken, suffered or omitted by it in good faith in accordance with the advice or instructions of any such officer. The Rights Agent may conclusively rely on the most recent advice or instructions given by any such officer.

(h) The Rights Agent and any shareholder, affiliate, director, officer or employee of the Rights Agent may buy, sell or deal in any of the Rights or other securities of the Company or become pecuniarily interested in any transaction in which the Company may be interested, or contract with or lend money to the Company

or otherwise act as fully and freely as though it were not Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other Person or legal entity.

(i) The Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent shall not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company or any other Person resulting from any such act, default, neglect or misconduct, absent gross negligence, bad faith or willful misconduct in the selection and continued employment thereof.

(j) No provision of this Agreement shall require the Rights Agent to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder or in the exercise of its rights if there shall be reasonable grounds for believing that repayment of such funds or adequate indemnification against such risk or liability is not reasonably assured to it.

(k) If, with respect to any Right Certificate surrendered to the Rights Agent for exercise or transfer, the certificate attached to the form of assignment or form of election to purchase, as the case may be, has either not been completed or indicates an affirmative response to clause 1 and/or 2 on such certificate attached to the form of assignment or form of election to purchase, the Rights Agent shall not take any further action with respect to such requested exercise or transfer without first consulting with the Company.

Section 21. Change of Rights Agent. The Rights Agent or any successor Rights Agent may resign and be discharged from its duties under this Agreement upon 30 days' notice in writing mailed to the Company and to each transfer agent of the Common Shares and Series A Preferred Shares by registered or certified mail. In such event, the Company shall give written notice of such resignation to the holders of the Right Certificates by first-class mail. The Company may remove the Rights Agent or any successor Rights Agent upon 30 days' notice in writing, mailed to the Rights Agent or successor Rights Agent, as the case may be, and to each transfer agent of the Common Shares and Series A Preferred Shares by registered or certified mail, and to the holders of the Right Certificates by first-class mail. If the Rights Agent shall resign or be removed or shall otherwise become incapable of acting, the Company shall appoint a successor to the Rights Agent. If the Company shall fail to make such appointment within a period of 30 days after giving notice of such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent or by the holder of a Right Certificate (who shall, with such notice, submit his or her Right Certificate for inspection by the Company), then the registered holder of any Right Certificate may apply to any court of competent

jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a Person organized and doing business under the laws of the United States or of any state of the United States, in good standing, that is subject to supervision or examination by federal or state authority and that has at the time of its appointment as Rights Agent a combined capital and surplus of at least \$50,000,000. After appointment, the successor Rights Agent shall be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment the Company shall file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares and Series A Preferred Shares, and mail a notice thereof in writing to the registered holders of the Right Certificates. Failure to give any notice provided for in this Section 21, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of the successor Rights Agent, as the case may be.

Section 22. Issuance of New Right Certificates. Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Company may, at its option, issue new Right Certificates evidencing Rights in such form as may be approved by the Board to reflect any adjustment or change in the Purchase Price per share and the number or kind or class of shares or other securities or property purchasable under the Right Certificates made in accordance with the provisions of this Agreement. In addition, the Company may, if deemed necessary or appropriate by the Board, issue Right Certificates in connection with the issuance or sale of Common Shares following the Separation Date.

Section 23. Redemption.

(a) The Board may, at its option, at any time prior to the earlier of (A) the date a Person becomes an Acquiring Person or (B) the Final Expiration Date, redeem all but not less than all of the then outstanding Rights at a redemption price of One Tenth of One Cent (\$0.001) per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (such redemption price being hereinafter referred to as the "Redemption Price").

(b) In the case of a redemption permitted under Section 23(a), immediately upon the action of the Board ordering the redemption of the Rights, evidence of which shall have been filed with the Rights Agent and without any further action and without any notice, the right to exercise the Rights will terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.

Within ten days after the action of the Board ordering the redemption of the Rights, the Company shall give notice of such redemption to the holders of the then outstanding Rights (in case of notice to holders) by mailing such notice to all such holders at their last addresses as they appear upon the registry books of the Rights Agent or, prior to the Separation Date, on the registry books of the Transfer Agent for the Common Shares; provided, however, that the failure to give, or any defect in, such notice shall not affect the validity of such redemption. Any notice that is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption shall state the method by which the payment of the Redemption Price will be made.

Section 24. Exchange.

(a) The Board may, at its option, at any time after the right of the Company to redeem the Rights has expired or terminated, exchange all or part of the then outstanding and exercisable Rights (which shall not include Rights that have become null and void pursuant to the provisions of Section 7(e) hereof) for Common Shares at an exchange ratio of one Common Share per Right, appropriately adjusted to reflect any stock split, stock dividend or similar transaction occurring after the date hereof (such exchange ratio being hereinafter referred to as the "Exchange Ratio"). Notwithstanding the foregoing, the Board shall not be empowered to effect such exchange at any time after any Person (other than the Company, any Subsidiary or the Company, any employee benefit plan of the Company or any such Subsidiary, or Person organized, appointed or established by the Company for or pursuant to the terms of any such plan), together with all Affiliates and Associates of such Person, becomes the Beneficial Owner of fifty percent (50%) or more of the Common Shares then outstanding.

(b) Immediately upon the action of the Board ordering the exchange of any Rights pursuant to subsection (a) of this Section 24 and without any further action and without any notice, the right to exercise such Rights shall terminate and the only right thereafter of the holders of such Rights shall be to receive that number of Common Shares equal to the number of such Rights held by such holder multiplied by the Exchange Ratio. The Company shall promptly give written notice to the Rights Agent and public notice of any such exchange; provided, however, that failure to give, or any defect in, such notice shall not affect the validity of such exchange. The Company promptly shall mail a notice of any such exchange to the Rights Agent and to all of the holders of such Rights at their last addresses as they appear upon the registry books of the Rights Agent. Any notice that is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of exchange will state the method by which the exchange of Common Shares for Rights will be effected and, in the event of any partial exchange, the number of Rights that will be exchanged. Any partial exchange shall be effected

pro rata based on the number of Rights (other than Rights that have become null and void pursuant to the provisions of Section 7(e) hereof) held by each holder of Rights.

(c) In any exchange pursuant to this Section 24, the Company, at its option, may substitute Series A Preferred Shares for Common Shares at the rate of one one-thousandth of a Series A Preferred Share for each Right.

(d) The Company shall not be required to issue fractions of Common Shares or to distribute certificates that evidence fractional Series A Preferred Shares (except as hereinafter provided) or fractional Common Shares, but if the exchange is for Series A Preferred Shares, the Company shall be obligated to issue fractional shares so long as any fraction of a Series A Preferred Share so to be issued is at least equal to one one-thousandth of a Series A Preferred Share. In lieu of such fractional shares, the Company shall pay to the registered holders of the Rights Certificates with regard to which such fractional shares would otherwise be issuable an amount in cash equal to the same fraction of the current market value of a whole share. For the purposes of this Section 24(d), (i) the current market value of a whole Common Share shall be the per share market price determined as of the day immediately following the day of the public announcement by the Company that an exchange is to be effected pursuant to this Section 24 and (ii) the current market value of a Series A Preferred Share or fraction of a Series A Preferred Share shall be the current market value on such day of a Series A Preferred Share (or fraction of a Series A Preferred Share) as determined in accordance with Section 11(d)(ii) hereof.

Section 25. Notice of Certain Events.

(a) In case the Company shall propose, at any time after the Separation Date, (i) to pay any dividend payable in stock of any class to the holders of Series A Preferred Shares or to make any other distribution to the holders of Series A Preferred Shares (other than a regular quarterly cash dividend), (ii) to offer to the holders of its Series A Preferred Shares rights or warrants to subscribe for or to purchase any additional Series A Preferred Shares or shares of stock of any class or any other securities, rights or options, (iii) to effect any reclassification of Series A Preferred Shares (other than a reclassification involving only the subdivision of outstanding Series A Preferred Shares), (iv) to effect any consolidation or merger into or with, or to effect any sale or other transfer (or to permit one or more of its Subsidiaries to effect any sale or other transfer), in one or more transactions, of more than fifty percent (50%) of the assets or earning power of the Company and its Subsidiaries (taken as a whole) to any other Person or (v) to effect the liquidation, dissolution or winding up of the Company, then, in each such case, the Company shall give to the Rights Agent and to each holder of a Right Certificate, to the extent feasible and in accordance with Section 26 hereof, a notice of such proposed action, which shall specify the record date for the purposes of such stock dividend, or distribution of rights

or warrants, or the date on which such reclassification, consolidation, merger, sale, transfer, liquidation, dissolution or winding up is to take place and the date of participation therein by the holders of the Common Shares and/or Series A Preferred Shares, if any such date is to be fixed, and such notice shall be so given in the case of any action covered by clause (i) or (ii) above at least 20 days prior to the record date for determining holders of the Series A Preferred Shares for purposes of such action, and in the case of any such other action, at least 20 days prior to the date of the taking of such proposed action or the date of participation therein by the holders of the Common Shares and/or Series A Preferred Shares, whichever shall be the earlier.

(b) In case of the occurrence of a Section 11(a)(ii) Event, then, in any such case, (i) the Company shall as soon as practicable thereafter give to the Rights Agent and to each holder of a Right Certificate, to the extent feasible and in accordance with Section 26 hereof, a notice of the occurrence of such event, which shall specify the event and the consequences of the event to holders of Rights under Section 11(a)(ii), and (ii) all references in the preceding paragraph to Series A Preferred Shares shall be deemed thereafter to refer to Common Shares and/or, if appropriate, other securities.

Section 26. Notices. Notices or demands authorized by this Agreement to be given or made by the Rights Agent or by the holder of any Right Certificate to or on the Company shall be sufficiently given or made if sent by first-class mail, postage prepaid, addressed (until another address is filed in writing with the Rights Agent) as follows:

Subject to the provisions of Section 21 hereof, any notice or demand authorized by this Agreement to be given or made by the Company or by the holder of any Right Certificate to or on the Rights Agent shall be sufficiently given or made if sent by first-class mail, postage prepaid, addressed (until another address is filed in writing with the Company) as follows:

Attention: General Counsel

Notices or demands authorized by this Agreement to be given or made by the Company or the Rights Agent to the holder of any Right Certificate shall be sufficiently given or

made if sent by first-class mail, postage prepaid, addressed to such holder at the address of such holder as shown on the registry books of the Rights Agent.

Section 27. Supplements and Amendments. The Company may from time to time supplement or amend this Agreement without the approval of any holders of Right Certificates in order to cure any ambiguity, to correct or supplement any provision contained herein which may be defective or inconsistent with any other provisions herein, or to make any other provisions with respect to the Rights which the Company may deem necessary or desirable, any such supplement or amendment to be evidenced by a writing signed by the Company and, if such supplement or amendment affects the rights, duties or obligations of the Rights Agent, the Rights Agent; provided, however, that (i) the Rights Agent cannot be required to change or amend its duties and obligations under this Agreement, and (ii) from and after such time as any Person becomes an Acquiring Person, this Agreement shall not be amended in any manner which would adversely affect the interests of the Rights Agent or the holders of Rights. Upon the delivery of a certificate from an appropriate officer of the Company, which states that the proposed supplement or amendment is in compliance with the terms of this Section 27, the Rights Agent shall execute such supplement or amendment. Notwithstanding the foregoing, any supplement or amendment shall not change or increase the Rights Agent's duties, liabilities or obligation hereunder, unless consented to by the Rights Agent in writing and, if requested by the Rights Agent, only following receipt of an opinion of counsel in connection therewith.

Section 28. Successors. All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and inure to the benefit of their respective successors and assigns hereunder.

Section 29. Determinations and Actions by the Board of Directors. For all purposes of this Agreement, any calculation of the number of Common Shares outstanding at any particular time and any determination of the particular percentage of such outstanding Common Shares of which any Person is the Beneficial Owner shall be made in accordance with the provisions of Rule 13d-3(d)(1)(i) of the Rules as in effect as of the date hereof. The Board shall have the exclusive power and authority to administer this Agreement and to exercise all rights and powers specifically granted to the Board or the Company, or as may be necessary or advisable in the administration of this Agreement, including, without limitation, the right and power to (i) interpret the provisions of this Agreement and (ii) make all determinations deemed necessary or advisable for the administration of this Agreement (including a determination to redeem or not redeem the Rights or to amend the Agreement). All such actions, calculations, interpretations and determinations (including, for purposes of clause (ii) below, all omissions with respect to the foregoing) that are done or made by the Board, in good faith, shall (i) be final, conclusive and binding on the Company, the Rights Agent, the

holders of the Right Certificates and all other parties and (ii) not subject the Board or the Independent Directors to any liability to the holders of the Right Certificates.

Section 30. Benefits of this Agreement. Nothing in this Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the registered holders of the Right Certificates (and, prior to the Separation Date, the Common Shares) any legal or equitable right, remedy or claim under this Agreement; but this Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the registered holders of the Right Certificates (and, prior to the Separation Date, the Common Shares).

Section 31. Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction or other authority to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated; provided, however, that notwithstanding anything in this Agreement to the contrary, if any such term, provision, covenant or restriction is held by such court or authority to be invalid, void or unenforceable and the Board determines in its good faith judgment that severing the invalid language from this Agreement would adversely affect the purpose or effect of this Agreement, the right of redemption set forth in Section 23 hereof shall be reinstated and shall not expire until the Close of Business on the tenth day following the date of such determination by the Board.

Section 32. Governing Law. This Agreement and each Right Certificate issued hereunder shall be deemed to be a contract made under the laws of the State of Delaware, and for all purposes shall be governed by and construed in accordance with the laws of such State applicable to contracts made and to be performed entirely within such State; provided, however, that all provisions regarding the rights, duties and obligation of the Rights Agent shall be governed by and construed in accordance with the laws of the State of New York applicable to contracts made and to be performed entirely within such State; and any provision of this Agreement and each such Right Certificate relating to the internal corporate governance or other affairs of the Company shall be governed by and construed in accordance with the laws of the State of Delaware.

Section 33. Consequential Damages. Neither party to this Agreement shall be liable to the other party or any other Person for consequential damages.

Section 34. Counterparts. This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original and all such counterparts shall together constitute but one and the same instrument.

Section 35. Descriptive Headings. Descriptive headings of the several Sections of this Agreement are inserted for convenience of reference only and shall not control or affect the meaning or construction of any of the provisions hereof.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the day and year first above written.

CERTIFICATE OF DESIGNATIONS

in respect of

SERIES A PREFERRED STOCK

Pursuant to Section 151 of the General Corporation Law
of the State of Delaware

The undersigned, being _____ of PFSWEB, INC. (the "Corporation"), a corporation organized and existing under the General Corporation Law of the State of Delaware, hereby certifies that, pursuant to the provisions of Section 151 of the General Corporation Law of the State of Delaware, the Board of Directors of the Corporation duly adopted the following resolution at a meeting of said Board of Directors duly called and held on June 8, 2000, which resolution remains in full force and effect as of the date hereof:

RESOLVED, that the Board of Directors of the Corporation, pursuant to authority expressly vested in it by the provisions of the Corporation's Certificate of Incorporation, as amended (the "Charter"), hereby establishes a series of the preferred stock, par value \$1.00 per share, of the Corporation and fixes the number of shares of such series and the powers, designations, preferences and relative, participating, optional or other rights of such series, and the qualifications, limitations or restrictions thereof, as follows:

This series of preferred stock, par value \$1.00 per share, of the Corporation shall be, and hereby is, designated "Series A Preferred Stock" (the "Series A Shares"), and the number of shares constituting such series shall be one hundred thousand (100,000). The relative rights and preferences of the Series A Shares shall be as follows:

Section A. Dividends and Distributions.

(1) Subject to the prior and superior rights of the holders of any shares of any series of stock ranking prior and superior to the Series A Shares with respect to dividends, the holders of Series A Shares, in preference to the holders of Common Stock, par value \$0.001 per share, of the Corporation (the "Common Stock") and of any other junior stock, shall be entitled to receive, when and as declared by the Board of Directors, out of any funds lawfully available therefor, cash dividends thereon, payable quarterly, from the date of issuance thereof, upon the last days of June, September, December and March in each year (each such date being referred to herein as a "Dividend Payment Date"), commencing on the first Dividend Payment Date after the first issuance of a Series A Share, in an amount per share (rounded to the nearest cent) equal to the greater of (a) \$0.005 or (b) subject to the provisions for adjustment hereinafter set forth, 1,000 times the aggregate per share amount of all cash dividends, and 1,000 times the aggregate per share amount (payable in kind) of all non-cash dividends or other distributions, other than a dividend or distribution payable in shares of Common Stock or a subdivision of the outstanding shares of Common Stock (by reclassification or otherwise), declared on the Common Stock since the immediately preceding Dividend Payment Date or, with respect

to the first Dividend Payment Date, since the first issuance of any Series A Share. In the event the Corporation shall at any time after July 6, 2000 (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the amounts to which holders of Series A Shares were entitled immediately prior to such event under clause (a) and clause (b) of the preceding sentence shall be adjusted by multiplying each such amount by a fraction the numerator of which is the number of shares of Common Shares outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

(2) The Corporation shall declare a dividend or distribution on the Series A Shares as provided in paragraph (1) of this Section A immediately after it declares a dividend or distribution on the Common Stock (other than a dividend or distribution payable in shares of Common Stock); provided, that, in the event no dividend or distribution shall have been declared on the Common Stock during the period between any Dividend Payment Date and the next subsequent Dividend Payment Date, a dividend of \$0.005 per share of the Series A Shares shall nevertheless be payable on such subsequent Dividend Payment Date; and provided, further that nothing contained in this paragraph (2) shall be construed so as to conflict with any provision relating to the declaration of dividends contained in the Charter.

(3) Dividends shall begin to accrue and be cumulative on outstanding Series A Shares from the Dividend Payment Date next preceding the date of issue of such

Series A Shares, unless (a) the date of issue of such shares is prior to the record date for the first Dividend Payment Date, in which case dividends on such shares shall begin to accrue from the date of issue of such shares, or (b) the date of issue is a Dividend Payment Date or is a date after the record date for the determination of holders of Series A Shares entitled to receive a quarterly dividend and before such Dividend Payment Date, in either of which events such dividends shall begin to accrue and be cumulative from such Dividend Payment Date. Accrued but unpaid dividends shall not bear interest. Dividends paid on the Series A Shares in an amount less than the total amount of such dividends at the time accrued and payable on such shares shall be allocated pro rata on a share-by-share basis among all such shares at the time outstanding. The Board of Directors may fix a record date for the determination of holders of Series A Shares entitled to receive payment of a dividend or distribution declared thereon.

Section B. Redemption. The Series A Shares are not redeemable.

Section C. Liquidation, Dissolution or Winding Up. In the event of the voluntary or involuntary liquidation of the Corporation the "preferential amount" which the holders of the Series A Shares shall be entitled to receive out of the assets of the Corporation shall be \$1,000 per share plus all accrued and unpaid dividends and distribution thereon. (1) Upon any liquidation, dissolution or winding up of the Corporation, no distribution shall be made to the holders of shares of stock ranking junior (upon liquidation, dissolution or winding up) to the Series A Shares unless, prior thereto, the holders of Series A Shares shall have received \$1,000 per share, plus an amount equal to

accrued and unpaid dividends and distributions thereon, whether or not declared, to the date of such payment (the "Series A Liquidation Preference"). Following the payment of the full amount of the Series A Liquidation Preference, no additional distributions shall be made to the holders of Series A Shares unless, prior thereto, the holders of shares of Common Stock shall have received an amount per share (the "Common Adjustment") equal to the quotient obtained by dividing (i) the Series A Liquidation Preference by (ii) 1,000 (as appropriately adjusted as set forth in paragraph (3) of this Section C to reflect such events as stock splits, stock dividends and recapitalization with respect to the Common Stock) (such number in clause (ii), the "Adjustment Number"). Following the payment of the full amount of the Series A Liquidation Preference and the Common Adjustment in respect of all outstanding Series A Shares and Common Stock, respectively, holders of Series A Shares and holders of shares of Common Stock shall receive their ratable and proportionate share of the remaining assets to be distributed in the ratio of the Adjustment Number to one with respect to the Series A Shares and Common Stock, on a per share basis, respectively.

(2) In the event, however, that there are not sufficient assets available to permit payment in full of the Series A Liquidation Preference and the liquidation preferences of all other series of preferred stock, if any, which rank on a parity with the Series A Shares, then all such available assets shall be distributed ratably to the holders of the Series A Shares and the holders of such parity shares in proportion to their respective liquidation preferences. In the event, however, that there are not sufficient

assets available to permit payment in full of the Common Adjustment, then any such remaining assets shall be distributed ratably to the holders of Common Stock.

(3) In the event the Corporation shall at any time after July 6, 2000 (i) declare any dividend on Common Stock payable in shares of Common Stock, (ii) subdivide the outstanding Common Stock, or (iii) combine the outstanding Common Stock into a smaller number of shares, then in each such case the Adjustment Number in effect immediately prior to such event shall be adjusted by multiplying such Adjustment Number by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section D. Sinking Fund. The Series A Shares shall not be entitled to the benefit of any sinking fund for the redemption or purchase of such shares.

Section E. Conversion.

(1) Subject to paragraph (2) of this Section E, the Series A Shares shall not be convertible.

(2) In case the Corporation shall enter into any consolidation, merger, combination or other transaction in which the shares of Common Stock are exchanged for or changed into other stock or securities, cash and/or any other property, then in any such case the Series A Shares shall at the same time be similarly exchanged or changed in an amount per share (subject to the provision for adjustment hereinafter set forth) equal to 1,000 times the aggregate amount of stock, securities, cash and/or any other property (payable in kind), as the case may be, into which or for which each share of Common

Stock is changed or exchanged. In the event the Corporation shall at any time declare or pay any dividend on Common Stock payable in shares of Common Stock, or effect a subdivision or combination or consolidation of the outstanding shares of Common Stock (by reclassification or otherwise) into a greater or lesser number of shares of Common Stock, then in each such case the amount set forth in the preceding sentence with respect to the exchange or change of Series A Shares shall be adjusted by multiplying such amount by a fraction, the numerator of which is the number of shares of Common Stock outstanding immediately after such event, and the denominator of which is the number of shares of Common Stock that were outstanding immediately prior to such event.

Section F. Voting Rights.

(1) The holders of Series A Shares shall have no voting rights except as provided by Delaware statutes or by paragraph (2) of this Section F.

(2) So long as any Series A Shares shall be outstanding, and in addition to any other approvals or consents required by law, without the consent of the holders of 66 $\frac{2}{3}$ % of the Series A Shares outstanding as of a record date fixed by the Board of Directors, given either by their affirmative vote at a special meeting called for that purpose, or, if permitted by law, in writing without a meeting:

(i) The Corporation shall not sell, transfer or lease all or substantially all the properties and assets of the Corporation; provided, however, that nothing herein shall require the consent of the holders of Series A Shares for or in respect of the creation of any mortgage, pledge, or other lien upon all or any part of the assets of the Corporation.

(ii) The Corporation shall not effect a merger or consolidation with any other corporation or corporations unless as a result of such merger or consolidation and after giving effect thereto holders of Series A Shares are entitled to receive a per share amount and type of consideration equal to the product arrived at by multiplying the Adjustment Number by the per share amount and type of consideration received by holders of shares of Common Stock, or (1) either (A) the Corporation shall be the surviving corporation or (B) if the Corporation is not the surviving corporation, the successor corporation shall be a corporation duly organized and existing under the laws of any state of the United States of America or the District of Columbia, and all obligations of the Corporation with respect to the Series A Shares shall be assumed by successor corporation, (2) the Series A Shares then outstanding shall continue to be outstanding, and (3) there shall be no alteration or change in the designation or the preferences, relative rights or limitations applicable to outstanding Series A Shares prejudicial to the holders thereof.

(iii) The Corporation shall not amend, alter or repeal any of the provisions of its Certificate of Incorporation in any manner which adversely affects the relative rights, preferences or limitations of the Series A Shares or the holders thereof.

Section G. Certain Restrictions.

(1) Whenever quarterly dividends or other dividends or distributions payable on the Series A Shares as provided in Section A are in arrears, thereafter and until

all accrued and unpaid dividends and distributions, whether or not declared, on Series A Shares outstanding shall have been paid in full, the Corporation shall not:

(i) declare or pay dividends on, make any other distributions on, or redeem or purchase or otherwise acquire for consideration any shares of stock ranking junior (as to dividends) to the Series A Shares;

(ii) declare or pay dividends on or make any other distributions on any shares of stock ranking on a parity (as to dividends) with the Series A Shares, except dividends paid ratably on the Series A Shares and all such parity stock on which dividends are payable or in arrears in proportion to the total amounts to which the holders of all such shares are then entitled;

(iii) redeem or purchase or otherwise acquire for consideration shares of any stock ranking junior (as to dividends) to the Series A Shares, provided that the Corporation may at any time redeem, purchase or otherwise acquire shares of any such junior stock in exchange for shares of any stock of the Corporation, ranking junior (as to dividends) to the Series A Shares; and

(iv) purchase or otherwise acquire for consideration any Series A Shares, or any shares of stock ranking on a parity (as to dividends) with the Series A Shares, except in accordance with a purchase offer made in writing or by publication (as determined by the Board of Directors) to all holders of such shares upon such terms as the Board of Directors, after consideration of the respective annual dividend rates and the relative rights and preferences of the respective series

and classes, shall determine in good faith will result in fair and equitable treatment among the respective series or classes.

(2) The Corporation shall not permit any subsidiary of the Corporation to purchase or otherwise acquire for consideration any shares of stock of the Corporation unless the Corporation could, under paragraph (1) of this Section G, purchase or otherwise acquire such shares at such time and in such manner.

Section H. Fractional Shares. The Corporation may issue fractions and certificates representing fractions of Series A Shares in integral multiples of 1/1000th of a Series A Share, or in lieu thereof, at the election of the Board of Directors of the Corporation at the time of the first issue of any Series A Shares, evidence such fractions by depositary receipts, pursuant to an appropriate agreement between the Corporation and a depository selected by it, provided that such agreement shall provide that the holders of such depositary receipts shall have all rights, privileges and preferences to which they would be entitled as beneficial owners of Series A Shares. In the event that fractional Series A Shares are issued, the holders thereof shall have all the rights provided herein of holders of full Series A Shares in the proportion which such fraction bears to a full share.

PSFWEB, INC.

Summary of Rights to Purchase Preferred Shares

Introduction

On June 8, 2000, the Board of Directors of our Company, PSFWeb, Inc., a Delaware corporation, declared a dividend of one preferred share purchase right (a "Right") for each outstanding share of common stock, par value \$0.001 per share. The dividend is payable to the stockholders of record as of the close of business on July 6, 2000.

Our Board has adopted this Rights Agreement to protect stockholders from coercive or otherwise unfair takeover tactics. In general terms, it works by imposing a significant penalty upon any person or group which acquires 15% or more of our outstanding common stock without the approval of our Board. The Rights Agreement should not interfere with any merger or other business combination approved by our Board.

For those interested in the specific terms of the Rights Agreement as made between our Company and Chasemellon Shareholder Services, L.L.C., as the Rights Agent, as of June 8, 2000, we provide the following summary description. Please note, however, that this description is only a summary, and is not complete, and should be read together with the entire Rights Agreement, which has been filed with the Securities and Exchange Commission as an exhibit to a Registration Statement on Form 8-A dated June 14, 2000. A copy of the agreement is available free of charge from our Company.

The Rights. Our Board authorized the issuance of a Right with respect to each issued and outstanding share of common stock on July 6, 2000. The Rights will initially trade with, and will be inseparable from, the common stock. The Rights are evidenced only by certificates that represent shares of common stock. New Rights will accompany any new shares of common stock we issue after July 6, 2000 until the Separation Date described below.

Exercise Price. Each Right will allow its holder to purchase from our Company one one-thousandth of a share of Series A Preferred Stock ("Preferred Share") for \$67, once the Rights become exercisable. This portion of a Preferred Share will give the stockholder approximately the same dividend and liquidation rights as would one share of common stock. Prior to exercise, the Right does not give its holder any dividend, voting, or liquidation rights.

Exercisability. The Rights will not be exercisable until

- o Ten days after the public announcement that a person or group has become an "Acquiring Person" by obtaining beneficial ownership of 15% or more of our outstanding common stock, or, if earlier,

- o 15 business days (or a later date determined by our Board before any person or group becomes an Acquiring Person) after a person or group begins a tender or exchange offer which, if consummated, would result in that person or group becoming an Acquiring Person.

We refer to the date when the Rights become exercisable as the "Separation Date." Until that date, the common stock certificates will also evidence the Rights, and any transfer of shares of common stock will constitute a transfer of Rights. After that date, the Rights will separate from the common stock and be evidenced by book-entry credits or by Rights certificates that we will mail to all eligible holders of common stock. Any Rights held by an Acquiring Person are void and may not be exercised.

Consequences of a Person or Group Becoming an Acquiring Person.

- o Flip In. If a person or group becomes an Acquiring Person, all holders of Rights except the Acquiring Person may, after the Separation Date, for \$67, purchase shares of our common stock with a market value of \$134, based on the market price of the common stock prior to such acquisition.

- o Flip Over. If our Company is later acquired in a merger of similar transaction after the Separation Date, all holders of Rights except the Acquiring Person may, for \$67, purchase shares of the acquiring corporation with a market value of \$134, based on the market price of the acquiring corporation's stock, prior to such merger.

Preferred Share Provisions.

Each one one-thousandth of a Preferred Share, if issued:

- o Will not be redeemable.

- o Will entitle holders to quarterly dividend payments of \$0.005 per share, or an amount equal to the dividend paid on one share of common stock, whichever is greater.

- o Will entitle holders upon liquidation either to receive \$1.00 per share or an amount equal to the payment made on one share of common stock, whichever is greater.

- o Will have no voting rights except in limited circumstances.

o If shares of our common stock are exchanged via merger, consolidation, or a similar transaction, will entitle holders to a per share payment equal to the payment made on one share of common stock.

The value of one one-thousandth interest in a Preferred Share should approximate the value of one share of common stock.

Expiration. The Rights will expire on July 6, 2010.

Redemption. Our Board may redeem the Rights for \$0.001 per Right at any time before a person or group becomes an Acquiring Person and before July 6, 2010. If our Board redeems any Rights, it musts redeem all of the Rights. Once the Rights are redeemed, the only right of the holders of Rights will be to receive the redemption price of \$0.001 per Right. The redemption price will be adjusted if we have a stock split or stock dividends of our common stock.

Exchange. After the right of our Board to redeem the rights has expired, but before an Acquiring Person owns 50% or more of our outstanding common stock, our Board may extinguish the Rights by exchanging one share of common stock for each Right, other than Rights held by the Acquiring Person.

Anti-Dilution Provisions. Our Board may adjust the purchase price of the Preferred Shares, the number of Preferred Shares issuable and the number of outstanding Rights to prevent dilution that may occur from a stock dividend, a stock split, a reclassification of the Preferred Shares or common stock. No adjustments to the purchase price of less than 1% will be made.

Amendments. The terms of the Rights Agreement may be amended by our Board without the consent of the holders of the Rights. After a person or group becomes an Acquiring Person, and, as a result, there is a Separation Date, our Board may not amend the agreement in a way that adversely affects the holders of the Rights.

Daisytek and PFSweb Announce Timing for Spin-Off
Favorable IRS Tax-Free Ruling Received

Plano, Texas (June 8, 2000) - Daisytek International Corporation (Nasdaq: DZTK) and PFSweb, Inc. (Nasdaq: PFSW) today announced that the Daisytek Board of Directors has approved the separation of PFSweb from Daisytek by means of a tax-free dividend of DZTK's remaining 80.1 percent ownership of PFSweb. Recently, Daisytek received a favorable ruling from the Internal Revenue Service to the effect that the distribution by Daisytek of its shares of PFSweb stock will be tax-free to Daisytek and to Daisytek stockholders for U.S. federal income tax purposes.

PFSweb, a subsidiary of Daisytek, successfully completed an initial public offering in December 1999. PFSweb has continued to be owned 80.1 percent by Daisytek. Daisytek previously announced its plan to complete the spin-off of its remaining ownership of PFSweb to Daisytek shareholders upon receiving the favorable IRS ruling.

"PFSweb's complete separation from Daisytek will provide PFSweb the opportunity to forge its own strategic direction," said Mark C. Layton, chairman of PFSweb and Daisytek. "The spin-off completes our vision of creating two leading world-class companies and we believe will enhance shareholder value."

Daisytek has declared a distribution to its stockholders of all of its 14,305,000 PFSweb shares. The distribution is payable at the close of business on July 6, 2000 (the "Distribution Date"), to Daisytek stockholders of record as of June 19, 2000 (the "Record Date"). The NASDAQ has advised Daisytek that the ex-dividend date for Daisytek will be July 7, 2000. Daisytek shareholders as of the Record Date will receive a pro rata distribution of PFSweb shares owned by Daisytek. Daisytek shareholders contemplating a sale of Daisytek stock between the Record Date and the Distribution Date are advised to consult with their broker as to their entitlement to the distribution of PFSweb shares. Based on the current shares outstanding at each company, Daisytek shareholders will receive approximately 0.81 shares of PFSweb stock for each share of Daisytek stock they own on the Record Date. The exact ratio will not be determined until the Record Date, but will be calculated as the number of shares of PFSweb owned by Daisytek (14,305,000) divided by the number of shares of Daisytek outstanding on the Record Date.

"We have great confidence in PFSweb's ability to be our long-term business partner and to handle our U.S. computer supplies business infrastructure," said Jim Powell, president and

CEO of Daisytek. "The Daisytek management team is extremely excited about our opportunity to focus on client satisfaction, growth initiatives and shareholder value."

In addition, PFSweb today announced that its board of directors has adopted a shareholders rights plan designed to protect the long-term value of PFSweb for its shareholders.

Layton stated, "The rights plan is intended to enable all PFSweb shareholders to realize the value of their investment in PFSweb."

In connection with the rights plan, the board declared a dividend of one preferred share purchase right (a "Right") for each share of PFSweb's common shares outstanding at the close of business on July 6, 2000 (after giving effect to the spin-off). The Rights will expire on July 6, 2010.

The Rights will be exercisable only if a person or group acquires 15

percent or more of PFSweb's common shares or announces a tender offer, the consummation of which would result in ownership by a person or group of 15 percent or more of PFSweb's common shares. Each Right will entitle the shareholders to buy one one-thousandth of a share of a new series of preferred shares at an exercise price of \$67.

If PFSweb is acquired in a merger or other business combination transaction after a person has acquired 15 percent or more of PFSweb's outstanding common shares, each Right will entitle its holder to purchase, at the Right's then-current exercise price, a number of the acquiring company's common shares having a market value of twice such exercise price. In addition, if a person or group acquires 15 percent or more of PFSweb's outstanding common shares, each Right will entitle its holder (other than such person or member of such group) to purchase, at the Right's then-current exercise price, a number of PFSweb's common shares having a market value of twice such exercise price.

Under certain circumstances, the board of directors may exchange the Rights, in whole or in part, at an exchange ratio of one share of common share (or one-thousandth of a share of the new series of preferred shares) per Right.

Prior to the acquisition by a person or group of beneficial ownership of 15 percent or more of PFSweb's common shares, the Rights are redeemable for \$.001 per Right at the option of the board of directors. Prior to such time, the terms of the Rights may be amended by the board.
