PROXY STATEMENT

We are furnishing this Proxy Statement in connection with the solicitation of proxies on behalf of the Board of Directors of PFSweb, Inc. (“PFSweb,” the “Company,” “we,” “us,” or “our”) to be voted at the Annual Meeting of Stockholders to be held at TPC Craig Ranch, McKinney, Texas, on Friday, June 5, 2009, at 10:00 a.m. and at any and all adjournments thereof. This Proxy Statement, the Notice of Annual Meeting, the accompanying Proxy and the Annual Report to Stockholders are first being mailed to stockholders on or about May 7, 2009.

As a result of the reverse stock split (“Reverse Split”) effective June 2, 2008, all share and per share amounts for common stock, warrants and stock options have been restated to reflect the Reverse Split on a retro-active basis.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE ANNUAL MEETING OF STOCKHOLDERS TO BE HELD JUNE 5, 2009:

The enclosed proxy statement and 2008 Annual Report to Stockholders are available at www.pfsweb.com/proxymaterials.

VOTING PROCEDURES

Your vote is very important. You can vote the shares of PFSweb common stock that are held directly in your name and not through your brokerage account at the Annual Meeting if you are present in person or represented by proxy. You may revoke your proxy at any time before the Annual Meeting by delivering written notice to our Secretary, by submitting a proxy bearing a later date or by appearing in person and casting a ballot at the Annual Meeting. If we receive a properly executed proxy before voting at the Annual Meeting is closed, the persons named as the Proxy on the proxy card will vote the proxy in accordance with the directions provided on that card. If you do not indicate how your shares are to be voted, your shares will be voted as recommended by the Board. If you wish to give a proxy to someone other than the persons named on the proxy card, you should cross out the names contained on the proxy card and insert the name(s) of the person(s) who hold(s) your proxy. Please note that the person(s) to whom you give your proxy **must** be present in person at the Annual Meeting to vote your shares.

Who can vote?

Stockholders of record as of the close of business on April 17, 2009, are entitled to vote at the Annual Meeting. On that date, _____ shares of our common stock, excluding 18,361 shares of common stock in treasury, were outstanding and eligible to vote. Each share is entitled to one vote on each matter presented at the Annual Meeting. The closing sale price of the common stock as reported on the NASDAQ Capital Market on the record date was \$1.32 per share.

How do I vote?

You can vote in person at the Annual Meeting. Alternatively, a stockholder who holds shares of our common stock of record and not in “street name” may vote shares by giving a proxy via mail, telephone or the Internet. To vote your proxy by mail, indicate your voting choices, sign and date your Proxy and return it in the postage-paid envelope provided. You may vote by telephone or the Internet by following the instructions on your Proxy. Your telephone or Internet delivery authorizes the named proxies to vote your shares in the same manner as if you marked, signed and returned your Proxy via the mail.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of shares held in street name. The Proxy Statement, the Notice of Annual Meeting, the accompanying Proxy and the Annual Report have been forwarded to you by your broker, bank or other holder of record

[Table of Contents](#)

who is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank or other holder of record on how to vote your shares by using the voting instruction card included in the mailing or by following their instructions for voting by telephone or on the Internet.

All stockholders may vote in person at the Annual Meeting. You may also be represented by another person at the Annual Meeting by executing a proper proxy designating that person. If you are a beneficial owner of shares, you must obtain a legal proxy from your broker, bank or other holder of record and present it to the inspectors of election with your ballot to be able to vote at the Annual Meeting.

What shares are represented by the Proxy?

The Proxy that we are delivering represents all the shares registered in your name with our transfer agent, BNY Mellon Shareowner Services. The proxy that is delivered by your broker, bank or other nominee represents the shares held by you in an account at that institution.

How are votes counted?

If you return a signed and dated Proxy but do not indicate how the shares are to be voted, those shares will be voted as recommended by the Board. A valid Proxy also authorizes the individuals named as proxies to vote your shares in their discretion on any other matters which, although not described in the Proxy Statement, are properly presented for action at our Annual Meeting. If you indicate on your Proxy that you wish to “abstain” from voting on an item, your shares will not be voted on that item. Abstentions and broker non-votes are not counted in determining the number of shares voted for or against any nominee for Director or any other proposal, but will be counted to determine whether there is a quorum present. There is no right to cumulative voting.

What vote is required?

In order to have a quorum present at the Annual Meeting, a majority of our shares of common stock that are outstanding and entitled to vote at the Annual Meeting must be represented in person or by proxy. If a quorum is not present, the Annual Meeting will be rescheduled for a later date.

The Directors must be elected by a plurality of the votes cast.

The proposal to amend our Amended and Restated Certificate of Incorporation to reduce the number of authorized shares of Common Stock requires the affirmative vote of a majority of the outstanding shares of our common stock.

All of the other proposals require the affirmative vote of the majority of shares present in person or represented by proxy at the meeting and entitled to vote on the subject matter. Abstentions are counted for quorum purposes, but in effect count as negative votes because they are shares represented by proxy that are not voted in the affirmative. Broker non-votes are not shares represented by proxy and are not counted as part of the vote total and have no effect on the outcome.

What is the recommendation of the Board of Directors?

The Board of Directors recommends that stockholders vote (i) FOR the nominees of the Board of Directors (Item No. 1), (ii) FOR the amendment to the Company’s Amended and Restated Certificate of Incorporation to reduce the number of authorized shares of Common Stock (Item No. 2), (iii) FOR the amendments to our 2005 Employee Stock and Incentive Plan to increase the number of shares of Common Stock issuable thereunder and the other amendments described herein (Item No. 3), (iv) FOR the amendment to our Non-Employee Director Stock Option and Retainer Plan to increase the number of shares of Common Stock issuable thereunder (Item No. 4), and (v) FOR the ratification of the appointment of Grant Thornton LLP as the Company’s independent auditors for the fiscal year ending December 31, 2009 (Item No. 5). If you do not indicate how your shares are to be voted, your shares will be voted as recommended by the Board.

Who will tabulate the vote?

Our transfer agent, BNY Mellon Stockholder Services, will tally the vote, which will be certified by an inspector of election who is a PFSweb employee.

Who will bear the expenses of our solicitation? How will we solicit votes?

We will bear our own cost of solicitation of proxies. In addition to the use of the mail, proxies may be solicited by our directors and officers by personal interview, telephone, telegram, facsimile or e-mail. Our directors and officers will not receive additional compensation for this solicitation but may be reimbursed for out-of-pocket expenses incurred in connection with these activities. Arrangements may also be made with brokerage firms and other custodians, nominees and fiduciaries to forward solicitation materials to the beneficial owners of shares of our common stock held of record by these people or institutions, in which case we will reimburse these brokerage firms, custodians, nominees and fiduciaries for reasonable out-of-pocket expenses incurred by them in connection with these forwarding activities. We may retain BNY Mellon Shareowner Services, LLC to assist in the solicitation of proxies for an estimated fee of \$10,000 plus reimbursement of expenses.

Are there appraisal rights?

Stockholders have no dissenters' rights of appraisal with respect to any of the matters to be voted upon at the Annual Meeting.

The Board of Directors does not have a policy regarding director attendance at the annual meeting of stockholders, and no director attended the 2008 annual meeting other than Mr. Layton.

The Board of Directors currently has standing Nominating, Audit, Compensation, and Stock Option Committees.

Table of Contents

The Nominating Committee is responsible for identifying and evaluating individuals qualified to become Board members and recommending to the Board candidates to stand for election or re-election as directors. The Committee will consider candidates at the recommendation of existing Board members, Company management, search firms or other consultants, or stockholders. Stockholders wishing to recommend director candidates to the Board may do so by writing to the Committee in care of the Corporate Secretary at the Company's executive office, 500 North Central Expressway, Plano, TX 75074. At a minimum, director candidates should have demonstrated achievement in their particular field of endeavor, significant business or other management experience that would be of value to the Company, integrity and high ethical standards, good communication and leadership skills, and the ability and willingness to commit adequate time and attention to carry out their Board duties effectively. The Committee will evaluate candidates through background and reference checks, interviews and an analysis of each candidate's qualifications and attributes in light of the current composition of the Board and the Company's leadership needs at the time. From time to time, the Committee may engage the services of an outside consultant to assist the Committee by conducting searches to identify candidates, evaluating candidates' qualifications, handling background and reference checks, and making initial contacts with potential candidates. The members of the Nominating Committee are Timothy M. Murray and Dr. Neil W. Jacobs, each of whom has been determined to be independent as discussed above. The Nominating Committee has adopted a charter which is available on the Company's website at www.pfsweb.com (the contents of the website are not incorporated in this Proxy Statement by reference). The Nominating Committee met one time during the calendar year ended December 31, 2008.

The Audit Committee is established for the purpose of overseeing the Company's accounting and financial reporting processes and audits of the Company's financial statements. The Audit Committee is established to assist the Board in fulfilling its oversight responsibilities by reviewing and reporting to the Board on the integrity of the financial reports and other financial information provided by the Company to its stockholders. The Audit Committee is directly responsible for the appointment, compensation, retention and oversight of the work of any independent auditor employed by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Company's auditors report directly to the Audit Committee.

The Audit Committee is comprised of three directors, Mr. Reilly, Mr. Beatson and Dr. Jacobs, each of whom has been determined by the Board of Directors to be independent as discussed above, and is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. The Board of Directors has determined that, based on his relevant experience as described above, Mr. Reilly is qualified as the audit committee financial expert within the meaning of applicable SEC regulations and has the requisite financial sophistication required by the NASD listing standards. The Audit Committee met a total of six times during calendar year 2008. The Committee has adopted a written amended and restated audit committee charter setting out the audit-related functions of the Audit Committee, and the Committee reviews and reassesses the adequacy of the charter on an annual basis. A copy of the charter is available on the Company's website at www.pfsweb.com.

The Compensation Committee approves, or in some cases recommends, to the Board, remuneration and compensation arrangements involving the Company's executive officers and other key employees. The current members of the Compensation Committee are Messrs. Murray and Reilly, who are independent as described above. The Compensation Committee also serves as the Stock Option Committee to administer the Company's employee stock option and purchase plans. The Compensation Committee and Stock Option Committee met a total of four times during the calendar year ended December 31, 2008.

During fiscal year 2008, no current director or director nominee attended fewer than 75% of the aggregate of all meetings of the Board and the committees, if any, upon which such director served and which were held during the period of time that such person served on the Board or such committee.

Code of Ethics

The Board has approved a code of business conduct and ethics in accordance with rules of the SEC and NASD listing standards applicable to all directors, officers and employees, including the chief executive officer, senior financial officers and the principal accounting officer. The code is intended to provide guidance to directors and management to assure compliance with law and promote ethical behavior. Copies of the Company's code of business conduct and ethics may be found on the Company's website at www.pfsweb.com.

Compensation Committee Interlocks and Insider Participation

The current members of the Compensation Committee are Messrs. Murray and Reilly, neither of whom are employees of the Company and both of whom are considered "independent" directors under the applicable NASDAQ rules. There were no interlocks or insider participation between any member of the Board or Compensation Committee and any member of the board of the directors or Compensation Committee of another company.

Report of the Audit Committee for the Fiscal Year Ended December 31, 2008

The following is the report of the Audit Committee with respect to the Company's audited financial statements for the fiscal year ended December 31, 2008. The information contained in this report shall not be deemed to be "soliciting material" or to be "filed" with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the 1934 Securities Exchange Act, as amended, except to the extent that the Company specifically incorporates such information by reference in such filing.

The Audit Committee of the Company's Board of Directors is comprised of three independent directors. The current members of the Audit Committee are Messrs. Reilly, Beatson and Jacobs.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants ("auditors") are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee does not itself prepare financial statements or perform audits, and its members are not auditors or certifiers of the Company's financial statements. The Audit Committee approved the appointment of the Company's auditors, Grant Thornton LLP for the fiscal year ended December 31, 2008.

In fulfilling its oversight responsibility of appointing and reviewing the services performed by the Company's independent auditors, the Audit Committee carefully reviews the policies and procedures for the engagement of the independent auditor, including the scope of the audit, audit fees, auditor independence matters and the extent to which the independent auditor may be retained to perform non-audit related services. The Audit Committee considered the independent auditors' provision of non-audit services in 2008 and determined that the provision of those services is compatible with and does not impair the auditors' independence.

The Audit Committee discussed with the Company's auditors the scope and plans for the independent audit. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has reviewed and discussed with management and the auditors the Company's audited financial statements, including the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the auditors the matters required by Statement on Auditing Standards No. 61 "Communication with Audit Committees."

The Audit Committee has received the written disclosures and the letter from the Company's independent accountants required by Independence Standards Board Standard No. 1, "Independence Discussions with Audit Committees," and the Audit Committee discussed with the auditors their independence from the Company and its management.

COMPENSATION DISCUSSION AND ANALYSIS

Overview of Compensation Program

The Compensation Committee of the Board is responsible for establishing and implementing our compensation philosophy. The Compensation Committee believes that the total compensation paid to our executive officers should be and is fair, reasonable and competitive. Throughout this proxy statement, the individuals who served as our Chief Executive Officer and Chief Financial Officer during 2008, as well as the other executive officers included in the Summary Compensation Table on page 15, are referred to as the “Named Executive Officers.”

Compensation Philosophy and Objectives

The Compensation Committee believes that executive officer compensation be structured to provide competitive base salaries and benefits to attract and retain superior employees and to provide short- and long-term incentive compensation to incentivize executive officers to attain, and to reward executive officers for attaining, established financial goals that are consistent with increasing stockholder value. The Compensation Committee uses a combination of cash bonuses and retention based equity awards as key components in the short- and long-term incentive compensation arrangements for executive officers, including the Named Executive Officers.

The Compensation Committee’s goal is to maintain compensation programs that are competitive within our industry and geographic market. Each year, the Compensation Committee reviews the executive compensation program with respect to the external competitiveness of the program, the linkage between executive compensation and the creation of stockholder value, and determines what changes, if any, are appropriate.

In determining the form and amount of compensation payable to Named Executive Officers, the Compensation Committee is guided by the following objectives and principles:

- Compensation levels should be sufficiently competitive to attract and retain key executives. We aim to ensure that our executive compensation program attracts, motivates and retains high performance talent and rewards them for our achieving and maintaining a competitive position in our industry and geographic market. Total compensation (i.e. maximum achievable compensation) should increase with position and responsibility.
- Compensation should relate directly to performance and incentive compensation should be a portion of total compensation. We aim to foster a pay-for-performance culture, with the bonus portion of total compensation being “at risk.” Accordingly, absent unusual circumstances, any bonus payable as part of total compensation should be tied to and vary with our financial, operational and strategic performance, as well as individual performance. Bonuses should not be granted if these goals and results are not achieved.
- Long-term incentive compensation should align executives’ interests with our stockholders. Awards of equity-based compensation encourage executives to focus on our long-term growth and prospects, and incentivize executives to manage the company from the perspective of stockholders with a meaningful stake in us, as well as to focus on long-term career orientation.

Our executive compensation program is designed to reward the achievement of goals regarding growth, productivity and profitability, including such goals as:

- To assist the Company in achieving and surpassing its internal targets and budgets, including quarterly financial and operating targets.
- To recruit, motivate and exhibit leadership that aligns employees’ interests with that of our stockholders.
- To develop business models and systems that seek out strategic opportunities, which benefit us and our stockholders.
- To implement a culture of compliance and commitment to operate our business with the highest standards of professional conduct and compliance.

Compensation Committee Practices and Procedures

The Compensation Committee determines and reviews the value and forms of compensation for the Named Executive Officers and other officers based on the Compensation Committee members' general knowledge and experience and commercially available compensation surveys prepared by third party firms.

The Compensation Committee is delegated all authority of the Board as may be required or advisable to fulfill the purposes of the Compensation Committee. The Compensation Committee meets as often as it deems necessary or appropriate.

Role of Executive Officers in Compensation Decisions

The Compensation Committee makes all compensation decisions for all executive officers (which includes the Named Executive Officers). The Compensation Committee actively considers, and has the ultimate authority of approving, recommendations made by the Chief Executive Officer regarding all equity awards to our employees. Our Chief Executive Officer determines the non-equity compensation of management level employees who are not executive officers or officers.

The Chief Executive Officer annually reviews the performance of each executive officer (other than the Chief Executive Officer whose performance is reviewed by the Compensation Committee). Based on these annual reviews, the Chief Executive Officer makes recommendations to the Compensation Committee with respect to annual base salary adjustments and short- and long-term incentive compensation awards for such executive officers. The Compensation Committee then reviews these recommendations and exercises its discretion in whether to accept such recommendations or to modify such recommendations as it deems appropriate. The Compensation Committee annually reviews the performance of the Chief Executive Officer and determines the total compensation, including base salary, cash bonus and long-term equity compensation, for the Chief Executive Officer. The Chief Executive Officer does not participate in such determination.

Setting Executive Compensation

Based on the foregoing compensation philosophy, the Compensation Committee has structured our annual, short- and long-term compensation to motivate executives to achieve the financial performance objectives we set and to incentivize the executives to achieve and exceed, and to reward the executives for achieving and exceeding, such objectives. To date, the Compensation Committee has not retained the services of human resource consulting firms or similar third party advisors, but it has reviewed commercially available published surveys of executive compensation for comparable companies based on factors such as annual revenue and geographic region.

The Compensation Committee does not believe that it is appropriate to establish compensation levels based exclusively or primarily on benchmarking to our publicly-traded peers. The Compensation Committee looks to the above described external market data as one of several reference points in reviewing and establishing individual pay components and total compensation and ensuring that our executive compensation is competitive in the marketplace.

For fiscal year 2009, the Compensation Committee adopted a 2009 management bonus (the "2009 Bonus Plan") plan pursuant to our 2005 Employee Stock and Incentive Plan. Under the terms of the 2009 Bonus Plan, cash bonuses, if any, will be awarded to the Chief Executive Officer and other executive officers, officers and senior management based on, and subject to, the quarterly achievement of a specified performance goal. The performance goal shall be for the Company to exceed, on a quarterly basis, the corresponding projected quarterly earnings before interest, taxes, depreciation and amortization (EBITDA) contained in the Company's annual budget (or, in case of a budgeted operating loss, to reduce the operating loss below the budgeted operating loss).

The maximum aggregate amount to be awarded for any quarter shall be equal to the sum of the following: (i) the amount of Excess EBITDA up to \$50,000, plus (ii) if the Excess EBITDA exceeds \$50,000, the amount of such excess, up to the Cumulative Recapture Pool, plus (iii) if the amount of Excess EBITDA exceeds the amounts determined under the preceding clauses (i) and (ii), an amount equal to ten percent (10%) of such excess. "Excess EBITDA" means, for any quarter, the amount by which the EBITDA for such quarter exceeded the budgeted EBITDA for such quarter; "Cumulative Recapture Pool" means, as of any date, (i) \$50,000 for each completed Eligible Quarter

Table of Contents

prior to such date, minus (ii) the aggregate amount of awards issued under the 2009 Bonus Plan as of such date; and “Eligible Quarter” means a quarter in which the Company’s EBITDA was not less than 80% of the budgeted EBITDA.

Following the end of each quarter, the Committee will grant cash bonuses in an aggregate amount to be determined by it, but not to exceed the above limitations, to the Chief Executive Officer and other executive officers, officers and senior management based on the Committee’s determination of the relative contribution of each such person. The adoption of the 2009 Bonus Plan does not restrict the ability of the Compensation Committee to award discretionary bonuses for any quarter in which the performance goal was not achieved.

A percentage of total compensation is allocated to incentives as a result of the compensation philosophy discussed above. There is no pre-established policy or target for the allocation between either cash and non-cash or short- and long-term incentive compensation, but the Committee generally considers base salary as the primary component of compensation.

2008 Executive Officer Compensation Components

For the year ended December 31, 2008, the principal components of compensation for Named Executive Officers were:

- base salary;
- performance-based incentive compensation, including both short-term cash incentive compensation and long term equity incentive compensation;
- retirement and other benefits; and
- perquisites and other personal benefits.

Base Salary

We provide our Named Executive Officers and other employees with a base salary to compensate them for services rendered during the year. Base salary ranges for Named Executive Officers are determined for each executive officer based on the factors described above, his or her position and level of responsibility and his or her actual performance during the preceding year. Base salaries for each year are typically evaluated annually in the first quarter of such year. Merit-based increases to base salaries for executive officers are based on the Compensation Committee’s assessment of the various factors described above, including the individual’s performance during the preceding year, and as described below.

The Compensation Committee annually determines total compensation levels, as well as the individual pay components of the executive officers and officers (including the Named Executive Officers). In making such determinations for 2008, the Compensation Committee met in March 2008 and reviewed and considered: (1) recommendations of the Chief Executive Officer, based on individual responsibilities and performance, (2) historical compensation, including base compensation and bonuses, paid by the Company since the Company instituted pay cuts in 2003 through the period ending December 31, 2007, (3) commercially available published surveys of executive compensation for comparable companies based on factors such as annual revenue and geographic region, (4) our overall financial performance in achieving or substantially achieving the Company’s budget in light of our future objectives and challenges, and (5) overall effectiveness of the executive compensation program. These factors were considered as a whole and no one factor was more heavily weighted than the other factors. This review resulted in the Committee’s determination to (i) approve an increase in base salaries for 2008 for all executive officers and officers (including the Named Executive Officers, other than the Chief Executive Officer) of approximately 7.5% over 2007 base salaries and increase the 2008 base salary for the Chief Executive Officer by approximately 7.6% and (ii) preliminarily approve the issuance of stock options, in amounts and upon terms to be determined at a later date.

Performance-Based Incentive Compensation

Our 2005 Employee Stock and Incentive Plan provides the Compensation Committee with the flexibility to design cash- and stock-based incentive compensation programs to promote performance and the achievement of our

Table of Contents

goals and objectives by executive officers and other key employees by allowing them to participate in our long-term growth and profitability. The Compensation Committee believes that providing performance-based incentive compensation is necessary to attract and retain superior executive talent and to align the financial interests of executive officers with those of our stockholders. A portion of each executive officer's potential aggregate compensation is in the form of incentive compensation. There are two types of performance-based incentive compensation used by the Compensation Committee. The first type is short-term incentive compensation in the form of a potential cash bonus. The second type is long-term incentive compensation in the form of grants of stock options, restricted stock or restricted stock units.

For fiscal year 2008, the Compensation Committee adopted a 2008 management bonus plan (the "2008 Bonus Plan") pursuant to our 2005 Employee Stock and Incentive Plan. Under the terms of the bonus plan, cash bonuses were awarded to the Chief Executive Officer and other executive officers, officers and senior management based on, and subject to, the quarterly achievement of a specified performance goal. The performance goal was for the Company to exceed, on a quarterly basis, the corresponding projected quarterly earnings before interest, taxes, depreciation and amortization (EBITDA) contained in the Company's annual budget.

Subject to an aggregate annual maximum of \$1,100,000, the maximum aggregate amount to be awarded for any quarter was equal to the sum of the following: (i) the amount of Excess EBITDA up to \$275,000, plus (ii) if the Excess EBITDA exceeds \$275,000, the amount of such excess, up to the Cumulative Recapture Pool, plus (iii) if the amount of Excess EBITDA exceeds the amounts determined under the preceding clauses (i) and (ii), an amount equal to ten percent (10%) of such excess. "Excess EBITDA" means, for any quarter, the amount by which the EBITDA for such quarter exceeded the budgeted EBITDA for such quarter; "Cumulative Recapture Pool" means, as of any date, (i) \$275,000 for each completed Eligible Quarter prior to such date, minus (ii) the aggregate amount of awards issued under the 2008 Bonus Plan as of such date; and "Eligible Quarter" means a quarter in which the Company's EBITDA was not less than 80% of the budgeted EBITDA.

Following the end of each quarter, the Committee determined and granted cash bonuses, in an aggregate amount not exceeding the above limitations, to the Chief Executive Officer and other executive officers, officers and senior management based on the Committee's determination of the relative contribution of each such person.

During fiscal year 2008, based on achieving the performance goal under the 2008 Bonus Plan for three fiscal quarters, the Committee awarded aggregate cash bonuses of \$697,000 to the Company's executive officers and officers (including the Named Executive Officers, other than the Chief Executive Officer) and aggregate cash bonuses of \$125,000 to the Company's Chief Executive Officer.

Long-term incentive compensation for each executive officer consists of awards of stock options based on the executive officer's level and scope of responsibility. The Compensation Committee is responsible for the granting of all equity-based compensation, including the award dates for each grant, which is determined in its discretion. Stock options typically vest over a three-year period in quarterly installments. An important purpose of the granting of stock options is to retain executive talent and incentivize the executive team to increase stockholder value. During 2008 the Committee approved the issuance of a total of 58,509 stock options to all executive officers and officers (including the Named Executive Officers, other than the Chief Executive Officer) and the issuance of 8,723 stock options to the Chief Executive Officer. The grant of options to the Company's executive officers and officers, including the Named Executive Officers, was approximately 32% of the total options granted by the Company during 2008. The Committee's determination to authorize the issuance of these stock options was made shortly after the filing by the Company of its Quarterly Report on Form 10-Q for the quarter ended March 31, 2008.

Severance Agreements and Change-In-Control Provisions

The Company and certain of the Named Executive Officers have entered into agreements more fully described below pursuant to which the Named Executive Officers are entitled to certain severance and other benefits upon termination and/or a change in control. The Compensation Committee believes that such arrangements are appropriate and provide the Named Executive Officers a reasonable package based on the value the officers have created that is ultimately realized by our stockholders. In addition, the change in control protection allows management to focus their attention and energy on our business without any distractions regarding the effects of a change in control. Further, such

[Table of Contents](#)

protections are intended to maximize stockholder value by encouraging management to objectively review any proposed transaction to determine whether such proposal is in the best interest of the stockholders.

Retirement and Other Benefits

Executive officers are eligible to participate in our 401(k) plan and other benefit programs as described below. The Compensation Committee reviews the overall cost to us of these various programs generally on an annual basis or when changes are proposed. The Compensation Committee believes that the benefits provided by these programs have been important factors in attracting and retaining the overall executive officer group, including the Named Executive Officers.

Our 401(k) plan provides for employer matching funds of the employee contribution. For fiscal year 2008, the employer match was 20%, while for 2009 the employer match is expected to be approximately 10%. We do not provide any other retirement benefits or tax-qualified deferred compensation plans or programs for our executive officers.

Executive officers also receive benefit of life insurance policies, which provide coverage in varying amounts up to \$3.0 million.

Executive officers are also entitled to participate in the various other group health, term life, employee stock purchase, and similar benefit plans available to all of our employees and on the same terms as such employees.

Perquisites and Other Personal Benefits

We provide Named Executive Officers with perquisites and other personal benefits that we and the Compensation Committee believe are reasonable and consistent with our overall compensation program to better enable us to attract and retain superior employees for key positions.

Tax and Accounting Implications

Deductibility of Executive Compensation

As part of its role, the Compensation Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Code, which provides that we may not deduct compensation of more than \$1 million that is paid to certain individuals, subject to certain exceptions. We believe that compensation paid under our Plan is generally fully deductible for federal income tax purposes. However, the Compensation Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers.

COMPENSATION COMMITTEE REPORT

Based on the reviews and discussions referred to above, we recommended to the Board of Directors that the disclosures set forth in this proxy statement under the heading "Compensation Discussion and Analysis" be included in this proxy statement and incorporated by reference into the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008.

EMPLOYMENT, CHANGE OF CONTROL AND TERMINATION ARRANGEMENTS FOR EXECUTIVES

The Company and certain of the named executive officers have entered into Change in Control and Severance Agreements. Under these agreements, and in consideration of certain commitments of the officer to continue employment, upon the occurrence of a change in control, all unvested options held by the officer immediately vest and become exercisable. During the two year period following a change in control (whenever occurring), if the employment of the officer is terminated (other than for cause, death, disability or retirement), or if there is a material adverse change in the officer's responsibilities, compensation or benefits to which the officer does not consent, then, in each case, the officer is entitled to receive from the Company (1) all salary and bonus amounts accrued through the date of termination, (2) a severance payment equal to twice the officer's salary and bonus amount (which is defined as the greater of (i) the highest annual incentive bonus earned by the executive during the last three completed fiscal years or (ii) the executive's

Table of Contents

then target bonus, if any) and (3) continuation for two years of all employee benefits (unless otherwise provided by a subsequent employer). If applicable, the officer is also entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such severance or bonus payment. The agreement terminates upon the voluntary resignation or termination of employment by the officer.

The Company and certain of the executive officers named above have also entered into Executive Severance Agreements. Under these agreements, and in consideration for, among other things, the agreement by the executive to be bound by a restrictive covenant, in the event of the termination of the employment of the executive other than for cause (including a material adverse change in the officer's responsibilities or the failure to re-nominate to the Board of Directors any executive also serving on the Board), the executive is entitled to a severance payment, based on the executive's years of service, up to a maximum of twice the executive's salary and the bonus, if any, that the executive would have received for such fiscal year (based upon the executive's targeted bonus amount and the Company's actual results for such fiscal year), payable in monthly installments over a period not to exceed two years (based on the executive's years of service). In addition, in the event of termination without cause, the executive is entitled to a continuation of benefits and to the accelerated vesting of all options then held by the executive. The severance payment and benefits are reduced by any compensation or benefits received by the executive from any subsequent employer.

Effective as of December 31, 2008, the Company and certain of its executive officers entered into an amendment to the existing Executive Severance Agreements and Change in Control Severance Agreements between the Company and such persons. The primary purpose of such amendment was to modify such agreements so that they conform to Section 409A of the Internal Revenue Code. In addition, the amendment to the Executive Severance Agreement modified the calculation of the severance amount thereunder so that it is based on the highest annual rate of base salary during the 12-month period immediately prior to the qualifying termination.

The following sets forth the estimated amounts payable under the foregoing agreements assuming that all relevant triggering events thereunder were effective as of December 31, 2008.

The assumptions used and the resulting weighted average value of stock options granted during 2008 are summarized in Note 5 to the Company's consolidated financial statements included in its Annual Report on Form 10-K for the year ended December 31, 2008. There can be no assurance that the FAS 123(R) amounts will be realized.

In June 1999 the Company adopted a Non-Employee Director Stock Option and Retainer Plan (the "Non-Employee Director Plan"). As of the date of the adoption of the Non-Employee Director Plan, each then non-employee director received an option to purchase 35,000 shares of common stock. As amended in June 2007, the Non-Employee Director Plan also provides for the issuance to each non-employee director of options to purchase 4,255 shares of common stock as of the date of each annual meeting of stockholders. During calendar year 2008, each non-employee director received an option to purchase 4,255 shares of common stock with an exercise price of \$5.28 per share. In addition, currently, non-employee directors receive an annual retainer fee of \$22,000, payable quarterly, a director meeting fee of \$2,500 for each board meeting attended and a committee meeting fee of \$1,500 for each quarterly Audit Committee meeting attended and also receive fees for participation in certain periodic conference calls. The Non-Employee Director Plan permits the payment of such non-employee director retainer fees in shares of Common Stock in lieu of cash.

All options to be issued to non-employee directors under the Non-Employee Director Plan are non-qualified options for federal income tax purposes and have an exercise price equal to the fair market value of a share of common stock as of the date of the annual meeting upon which such option is granted. All options have a ten-year term and are subject to a one-year vesting schedule.

Generally, unless the Non-Employee Director Plan administrator otherwise provides, options are non-transferable other than by will or the laws of descent and distribution. At the time of any merger, consolidation, reorganization, recapitalization, stock dividend, stock split, or other change in the corporate structure or capitalization affecting the Company's common stock, the Non-Employee Director Plan administrator will make appropriate adjustments to the exercise

price, number and kind of shares to be issued under the Non-Employee Director Plan and any outstanding options. The Board of Directors has the authority to amend, modify, suspend or terminate the Non-Employee Director Plan at any time.

Directors who are also employees of the Company or any of its subsidiaries receive no remuneration for serving as directors or Committee members.

Security Ownership of Certain Beneficial Owners and Management

The following table sets forth as of April 16, 2009, certain information regarding the beneficial ownership of the Company's Common Stock by (i) each person who is known to the Company to beneficially own more than 5% of the Common Stock, (ii) each of the Directors and named executive officers of the Company individually and (iii) the Directors and executive officers of the Company as a group. ITEM 2
APPROVAL OF AMENDMENT TO REDUCE THE AUTHORIZED NUMBER OF SHARES OF COMMON STOCK FROM 75,000,000 TO 35,000,000

At the Annual Meeting there will be presented to stockholders a proposal to approve an amendment to the Company's Amended and Restated Certificate of Incorporation to decrease the number of shares of Common Stock authorized for issuance to 35 million shares. The Company's Amended and Restated Certificate of Incorporation currently authorizes the issuance of 75 million shares of Common Stock, par value \$0.001 per share.

As of April 17, 2009, approximately 9,942,140 shares of our common stock were issued and outstanding (excluding 18,361 treasury shares) and approximately 1,436,391 shares were reserved for issuance upon the exercise of outstanding options granted under our various stock-based plans. Accordingly, approximately 63,621,469 shares of common stock are available for future issuance.

Our Board of Directors has adopted resolutions setting forth the proposed amendment to Article FOURTH of the Company's Amended and Restated Certificate of Incorporation, subject to approval of the Company's stockholders at the Annual Meeting.

The following is the text of Article FOURTH of the Amended and Restated Certificate of Incorporation of the Company, as proposed to be amended:

"FOURTH: The total number of shares of stock which the Corporation shall have authority to issue is 36,000,000 shares, divided into two classes as follows: (i) 1,000,000 shares of Preferred Stock, par value \$1.00 per share ("Preferred Stock"); and (ii) 35,000,000 shares of Common Stock, par value \$.001 per share ("Common Stock")."

Purpose and Effect of the Proposed Amendment

Under current economic circumstances, the Board of Directors believes that it is unlikely that the Company will need shares for stock splits or stock dividends in the near future, or that the Company will use a significant number of shares to make acquisitions or raise equity capital.

Franchise taxes imposed by the State of Delaware are partly a function of the number of shares of stock authorized by our Amended and Restated Certificate of Incorporation. We have determined that reducing our authorized shares by 40 million shares will not impede our operations or goals, and, based on current rates, will result in annual savings of franchise taxes of approximately \$35,000. Consistent with our company-wide program of cost reductions, the Board of Directors believes that this expense reduction is appropriate.

If the proposed amendment is adopted, it will become effective upon filing of a Certificate of Amendment to the Company's Amended and Restated Certificate of Incorporation with the Delaware Secretary of State. However, the Board retains discretion under Delaware law not to implement the proposed amendment even if it is approved by stockholders. If the Board exercised such discretion, the number of authorized shares would remain at the current level.

Other than the reduction in the annual Delaware franchise taxes, there are no material tax or accounting consequences of the proposed reduction in the number of authorized shares of common stock.

The affirmative vote of a majority of the common stock outstanding and entitled to vote at the Annual Meeting is required to approve the amendment to our Amended and Restated Certificate of Incorporation to effect the proposed decrease in our authorized shares of common stock.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE TO APPROVE THE AMENDMENT TO OUR AMENDED AND RESTATED CERTIFICATE OF INCORPORATION, AND PROXIES SOLICITED BY THE BOARD WILL BE VOTED IN FAVOR OF THE AMENDMENT UNLESS A STOCKHOLDER INDICATES OTHERWISE ON THE PROXY.

ITEM 3
APPROVAL OF AMENDMENTS TO THE
2005 EMPLOYEE STOCK AND INCENTIVE PLAN

At the Annual Meeting, stockholders are being asked to approve amendments to the 2005 Employee Stock and Incentive Plan (as herein amended, the “Plan”) to increase the number of shares of Common Stock reserved for issuance thereunder by 1.5 million shares and certain other amendments described below.

General Information

The Company established the Plan in 1999 to promote the interests of the Company and its stockholders by using investment interests in the Company to attract, motivate and retain highly qualified key personnel, encourage equity ownership among this group, and enhance a mutuality of interest with stockholders in improving the long-term performance of the Company and the value of the Company’s Common Stock. The Plan was amended and restated effective as of June 10, 2005. Currently, the maximum number of shares of Common Stock available for future issuance under the Plan is 337,133. On April, 17, 2009, the closing price of the Company’s Common Stock was \$1.32.

The Company currently maintains the Plan under which stock options for an aggregate of approximately 1,270,897 shares of the Company’s common stock were outstanding as of April 16, 2009, with a weighted average exercise price of \$5.67 per share, and approximately 337,133 shares of common stock are available for future awards. If the stockholders approve the proposed amendment to the Plan, the number of shares of common stock available for future equity grants to its employees, officers, directors and consultants will be increased by 1,500,000 to 1,837,133. As of April 16, 2009, approximately 800 of the Company’s employees, officers, directors and consultants, representing substantially all of the Company’s full-time employees, were eligible to participate in the Plan.

As originally amended and restated in June 2005, the maximum number of shares of common stock that may be covered by options, stock appreciation rights, awards of restricted stock, restricted stock units, deferred stock units, performance shares or other stock-based awards under the Plan granted to any one employee during any one calendar year is 250,000, and the aggregate maximum dollar value of any performance-based cash award or other cash-based award that may be paid to any one employee during any one calendar year under the Plan is \$2,500,000. Under the terms of the Plan, as the result of the 4.7 to 1 reverse stock split effected by the Company in June 2008, the 250,000 share limitation was adjusted to 53,191 shares. Under the proposed amendments to the Plan, the share limitation will be restored to 250,000 shares.

The Board of Directors believes it is in the best interests of the Company and its stockholders to amend the Plan to increase the number of shares available for issuance by an additional 1,500,000 shares and to restore the share limitation amount to 250,000 shares. The Board believes the ability to grant equity awards is a necessary and powerful recruiting and retention tool for the Company to obtain and retain the quality employees it needs to move its business forward and is the best method of aligning the interests of employees and stockholders.

Description of the Plan

A summary of the Plan, as amended by the amendments described above, is set forth below. This summary is qualified in its entirety by the full text of the Plan, which is attached to this proxy statement as **Appendix A**.

Purpose. The purpose of the Plan is to focus management and employees on business performance that creates stockholder value, encourage innovative approaches to the business of the Company, reward for results, and encourage ownership of Company common stock by management and employees.

Permissible Awards. The Plan authorizes the granting of awards in any of the following forms:

- market-priced options to purchase shares of common stock, which may be non-statutory stock options or incentive stock options under the Internal Revenue Code (the “Code”);
- stock appreciation rights, which give the holder the right to receive, in cash or stock, the difference between the fair market value per share of common stock on the date of exercise over the fair market value per share of common stock on the date of grant;

Table of Contents

- restricted stock, which is a grant of shares that are subject to restrictions on transferability and subject to forfeiture on terms set by the Compensation Committee;
- restricted stock units, which represent the right to receive shares of common stock (or an equivalent value in cash or other property) in the future, based upon the attainment of stated vesting or performance criteria;
- deferred stock units, which represent the vested right to receive shares of common stock (or an equivalent value in cash or other property) in the future;
- performance awards, which are payable in cash or stock upon the attainment of specified performance goals;
- dividend and interest equivalents, which entitle the participant to payments (or an equivalent value payable in stock or other property) equal to, in the case of dividend equivalents, any dividends paid on the shares of stock underlying an award, or, in the case of interest equivalents, a stated rate of return on the value of an outstanding award;
- other stock-based awards in the discretion of the Compensation Committee, including unrestricted stock grants; and
- cash-based awards.

Shares Available for Awards. Subject to adjustment as provided in the Plan, the aggregate number of shares of common stock reserved and available for issuance pursuant to awards granted and to be granted under the Plan is 3,108,030, of which stock options for an aggregate of approximately 1,270,897 shares of the Company's common stock were outstanding as of April 16, 2009. Shares underlying awards that terminate or expire unexercised, or are cancelled, forfeited or lapse for any reason will again be available for issuance.

Limitations on Awards. The maximum number of shares of common stock that may be covered by options and stock appreciation rights granted under the Plan to any one employee during any one calendar year is 250,000. The maximum aggregate grant with respect to awards of restricted stock, restricted stock units, deferred stock units, performance shares or other stock-based awards under the Plan (other than options or SARs) that may be granted to any one employee during any one calendar year is 250,000. The aggregate maximum dollar value of any performance-based cash award or other cash-based award that may be paid to any one employee during any one calendar year under the Plan is \$2,500,000.

Administration. The Plan is administered by the Compensation Committee. The Compensation Committee has the authority to designate participants; determine the type or types of awards to be granted to each participant and the number, terms and conditions thereof; establish, adopt or revise any rules and regulations as it may deem advisable to administer the Plan; and make all other decisions and determinations that may be required under the Plan. The Board of Directors may at any time administer the Plan. If it does so, it will have all the powers of the Compensation Committee under the Plan.

Performance Goals. All options and stock appreciation rights granted under the Plan are designed to be exempt from the \$1,000,000 deduction limit imposed by Code Section 162(m). The Compensation Committee may designate any other award granted under the Plan as a qualified performance-based award in order to make the award fully deductible without regard to the \$1,000,000 deduction limit imposed by Code Section 162(m). If an award is so designated, the Compensation Committee must establish objectively determinable performance goals for the award based on one or more of the following business criteria, which may be expressed in terms of company-wide objectives or in terms of objectives that relate to the performance of a division, business unit, affiliate, department or function within the Company or an affiliate or any combination thereof: revenue; sales; profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures); earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures); net income (before or after taxes, operating income or other income measures); cash

Table of Contents

(cash flow, cash generation or other cash measures); stock price or performance; total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price); return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales); market share; improvements in capital structure; expenses (expense management, expense ratio, expense efficiency ratios or other expense measures); business expansion or consolidation (acquisitions and divestitures); internal rate of return or increase in net present value; working capital targets relating to inventory and/or accounts receivable; or planning accuracy (as measured by comparing planned results to actual results).

The Compensation Committee must establish such goals within the first quarter of the period for which such performance goal relates (or such later date as may be permitted under applicable tax regulations) and the Compensation Committee may for any reason reduce (but not increase) any award, notwithstanding the achievement of a specified goal.

Limitations on Transfer; Beneficiaries. No award will be assignable or transferable by an employee other than by will or the laws of descent and distribution or (except in the case of an incentive stock option) pursuant to a qualified domestic relations order. Notwithstanding the foregoing, the Compensation Committee may, but need not, permit other transfers where the it concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any option intended to be an incentive stock option to fail to qualify as such, and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including, without limitation, state or federal tax or securities laws applicable to transferable awards. An employee may, in the manner determined by the Compensation Committee, designate a beneficiary to exercise the rights of the employee and to receive any distribution with respect to any award upon the employee's death.

Acceleration Upon Certain Events. Unless otherwise provided in an award certificate or other employee agreement, if an employee's service terminates by reason of death, disability or retirement after age 65, all of such employee's outstanding options, stock appreciation rights and other awards that may be exercised will become fully exercisable, all time-based vesting restrictions on his or her outstanding awards will lapse, and the target payout opportunities attainable under such employee's outstanding performance-based equity awards will be deemed to have been fully earned as of the date of termination based upon an assumed achievement of all relevant performance goals at the "target" level and there will be a pro rata payout in cash or equity, as appropriate, to the employee or his or her estate within thirty (30) days following the date of termination based upon the length of time within the performance period that has elapsed prior to the date of termination. In addition, the Compensation Committee may determine that any performance-based criteria with respect to cash awards held by such person will be deemed wholly or partially satisfied as of the date of death, disability or retirement.

In addition, the Compensation Committee may, in its sole discretion, determine that upon an employee's termination of service or upon the occurrence of a change in control, all or a portion of a employee's options, SARs and other awards in the nature of rights that may be exercised will terminate and expire or become fully or partially exercisable, that all or a part of the restrictions on all or a portion of a employee's outstanding awards will lapse, and/or that any performance-based criteria with respect to any awards held by a employee will be deemed to be wholly or partially satisfied, in each case, as of such date as the Compensation Committee may, in its sole discretion declare. The Compensation Committee may discriminate among employees or among awards in exercising such discretion.

Adjustments. In the event of a stock split, a dividend payable in shares of common stock, or a combination or consolidation of the common stock into a lesser number of shares, the share authorization limits under the Plan will automatically be adjusted proportionately, and the shares then subject to each award will automatically be adjusted proportionately without any change in the aggregate purchase price for such award. If the Company is involved in another corporate transaction or event that affects the common stock, such as an extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares, the share authorization limits under the plan will be adjusted proportionately, and the Compensation Committee may adjust outstanding awards to preserve the benefits or potential benefits of the awards.

Termination and Amendment. The Board of Directors or the Compensation Committee may, at any time and from time to time, terminate or amend the Plan, but if an amendment to the Plan would materially increase the benefits accruing to employees, materially increase the number of shares of stock issuable, expand the types of awards that may be granted, materially expand the class of eligible employees, materially extend the term of the Plan or otherwise constitute a material change requiring stockholder approval under applicable listing requirements or laws, then such

[Table of Contents](#)

amendment will be subject to stockholder approval. In addition, the Board of Directors or the Compensation Committee may condition any amendment on the approval of the stockholders for any other reason. No termination or amendment of the Plan may adversely affect any award previously granted without the written consent of the employee.

The Compensation Committee may amend or terminate outstanding awards. However, such amendments may require the consent of the employee and, unless approved by the stockholders, the exercise price of an outstanding option may not be reduced, directly or indirectly, and the original term of an option may not be extended.

Prohibition on Repricing. Outstanding stock options cannot be repriced, directly or indirectly, without the prior consent of the Company's stockholders. The exchange of an "underwater" option (i.e., an option having an exercise price in excess of the current market value of the underlying stock) for another award would be considered an indirect repricing and would, therefore, require the prior consent of the Company's stockholders.

Certain U.S. Federal Tax Effects

Non-statutory Stock Options. There will be no federal income tax consequences to the optionee or to the Company upon the grant of a non-statutory stock option under the Plan. When the optionee exercises a non-statutory option, however, he or she will recognize ordinary income in an amount equal to the excess of the fair market value of the common stock received upon exercise of the option at the time of exercise over the exercise price, and the Company will be allowed a corresponding deduction. Any gain that the optionee realizes when he or she later sells or disposes of the option shares will be short-term or long-term capital gain, depending on how long the shares were held.

Incentive Stock Options. There generally will be no federal income tax consequences to the optionee or to the Company upon the grant or exercise of an incentive stock option. If the optionee holds the option shares for the required holding period of the later of two years after the date the option was granted or one year after exercise, the difference between the exercise price and the amount realized upon sale or disposition of the option shares will be long-term capital gain or loss, and the Company will not be entitled to a federal income tax deduction. If the optionee disposes of the option shares in a sale, exchange, or other disqualifying disposition before the required holding period ends, he or she will recognize taxable ordinary income in an amount equal to the excess of the fair market value of the option shares at the time of exercise over the exercise price, and the Company will be allowed a federal income tax deduction equal to such amount. While the exercise of an incentive stock option does not result in current taxable income, the excess of the fair market value of the option shares at the time of exercise over the exercise price will be an item of adjustment for purposes of determining the optionee's alternative minimum taxable income.

Stock Appreciation Rights. An employee receiving a stock appreciation right under the Plan will not recognize income, and the Company will not be allowed a tax deduction, at the time the award is granted. When the employee exercises the stock appreciation right, the amount of cash and the fair market value of any shares of common stock received will be ordinary income to the employee and the Company will be allowed a corresponding federal income tax deduction at that time.

Restricted Stock. Unless an employee makes an election to accelerate recognition of the income to the date of grant as described below, an employee will not recognize income, and the Company will not be allowed a tax deduction, at the time a restricted stock award is granted, provided that the award is nontransferable and is subject to a substantial risk of forfeiture. When the restrictions lapse, the employee will recognize ordinary income equal to the fair market value of the common stock as of that date (less any amount he or she paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). If the employee files an election under Code Section 83(b) within 30 days after the date of grant of the restricted stock, he or she will recognize ordinary income as of the date of grant equal to the fair market value of the stock as of that date (less any amount paid for the stock), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m). Any future appreciation in the stock will be taxable to the employee at capital gains rates. However, if the stock is later forfeited, the employee will not be able to recover the tax previously paid pursuant to the Code Section 83(b) election.

Restricted or Deferred Stock Units. An employee will not recognize income, and the Company will not be allowed a tax deduction, at the time a stock unit award is granted. Upon receipt of shares of common stock (or the equivalent value in cash or other property) in settlement of a stock unit award, an employee will recognize ordinary

income equal to the fair market value of the common stock or other property as of that date (less any amount he or she paid for the stock or property), and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Performance Awards. An employee generally will not recognize income, and the Company will not be allowed a tax deduction, at the time performance awards are granted. Upon receipt of shares of cash, stock or other property in settlement of a performance award, the cash amount or the fair market value of the stock or other property will be ordinary income to the employee, and the Company will be allowed a corresponding federal income tax deduction at that time, subject to any applicable limitations under Code Section 162(m).

Code Section 409A. It is intended that options, stock appreciation rights, restricted stock awards and stock unit awards granted under the Plan will be exempt from the application of Code Section 409A. If any award is structured in a way that would cause Code Section 409A to apply and if the requirements of 409A are not met, the taxable events as described above could apply earlier than described above and could result in the imposition of additional taxes and penalties.

THE FOREGOING IS ONLY A SUMMARY OF THE EFFECT OF FEDERAL INCOME TAXATION UPON PARTICIPANTS AND THE COMPANY UNDER THE PLAN BASED ON FEDERAL TAX LAWS AND REGULATIONS AS IN EFFECT ON APRIL 1, 2009. IT DOES NOT PURPORT TO BE COMPLETE, AND DOES NOT DISCUSS THE TAX CONSEQUENCES OF THE EMPLOYEE'S DEATH OR THE PROVISIONS OF THE INCOME TAX LAWS OF ANY MUNICIPALITY, STATE OR FOREIGN COUNTRY IN WHICH THE EMPLOYEE MAY RESIDE.

Benefits to Named Executive Officers and Others

Because grants under the Plan are discretionary, the Company cannot now determine the number of Awards that will be granted to any particular executive officer, to all executive officers as a group or to non-executive officer employees or directors as a group. The number of such Awards will be determined by the Compensation Committee from time to time in accordance with the terms of the Plan. For information with respect to the Compensation Committee's guidelines for awards under the Plan, see the subsection of the Compensation Discussion and Analysis section in this proxy entitled "Long-Term Incentive Compensation." Please refer to the Grants of Plan-Based Awards Table above for Awards made during the most recent fiscal year under the Plan to our named executive officers.

Recommendation and Vote Required

The Board unanimously recommends that the stockholders vote FOR this Proposal.

The affirmative vote of a majority of the votes entitled to be cast by the holders of the Company's Common Stock present or represented at the Annual Meeting and entitled to vote thereon is required to approve the amendments to the Plan.

ITEM 4
APPROVAL OF AMENDMENT TO THE
NON-EMPLOYEE DIRECTOR STOCK OPTION AND RETAINER PLAN

At the Annual Meeting, stockholders are being asked to approve an amendment to the Non-Employee Director Stock Option and Retainer Plan (as amended, the "Director Plan") to increase the number of shares of Common Stock reserved for issuance thereunder by 45,000 shares.

General Information

The Company established the Director Plan to further the growth, development and financial success of the Company by providing incentives to its non-employee Directors by assisting them to become owners of the Company's Common Stock and thus to benefit directly from its growth, development and financial success, and to enable the Company to obtain and retain the services of qualified non-employee Directors in order to contribute to the long-range success of the Company by providing and offering them an opportunity to become owners of the Company's Common Stock.

The Company currently maintains the Director Plan under which stock options for an aggregate of approximately 74,472 shares of the Company's common stock were outstanding as of April 16, 2009, with a weighted average exercise price of \$6.02 per share, and approximately 36,171 shares of common stock are available for future awards. If the stockholders approve the proposed amendment to the Director Plan, the number of shares of common stock available for future equity grants to non-employee directors will be increased by 45,000 to 81,171.

The Board of Directors believes it is in the best interests of the Company and its stockholders to amend the Director Plan to increase the number of shares available for issuance by an additional 45,000 shares to further the purposes of the Director Plan.

Description of the Director Plan

A summary of the Director Plan, as amended by the amendment described above, is set forth below. This summary is qualified in its entirety by the full text of the Director Plan, which is attached to this proxy statement as **Appendix B**.

Options and Retainer. The Director Plan provides for the grant of stock options to members of our Board of Directors who are not employees of the Company. Currently, we have four non-employee Directors. Under the Director Plan, each non-employee Director is automatically granted an option to purchase 4,255 shares on the date of the Company's annual meeting, provided that such Director shall have attended at least 75% of the meetings of the Board (which may include committee meetings) during the most recent completed fiscal year prior to such annual meeting (or such shorter period of time as such Director held office during such fiscal year). Options granted under the Director Plan will not constitute incentive stock options.

The exercise price per share of common stock that may be purchased under an option is the fair market value of a share of our common stock on the date the option is granted.

To the extent the Board approves the payment of annual or periodic retainer fees to non-employee directors, the Director Plan permits the payment of such retainer fees in shares of Common Stock in lieu of cash.

Term of Options. Generally, options granted under the Director Plan become exercisable one year after the date of grant and expire after ten years. If a person ceases to be a Director, other than for death or disability, all of the person's options may only be exercised, if at all, during the three month period following termination. If a person ceases to be a Director by reason of death or disability, all of such person's options may be exercised, if at all, during the one year period following such termination.

The following table shows the total awards that current Directors receive each year under the Director Plan and would continue to receive each year under the Director Plan if the change is approved and the Directors continue to serve.

NEW PLAN BENEFITS
Non-Employee Director Stock Plan

Name	Number of Units
David Beatson	4,255
Neil Jacobs	4,255
Timothy Murray	4,255
James Reilly	4,255
All Non-employee Directors as a group	17,020

Shares Available. As of April 16, 2009, a total of 36,171 shares remained available under the Director Plan. In addition, the Director Plan provides that if any option expires or is cancelled or terminated before it is exercised, the shares that were subject to the option will become available under the Plan. If stockholders approve the amendment to the Director Plan, an additional 45,000 shares will be available for issuance under the Plan.

Term of Director Plan. The Plan will expire on December 31, 2017.

Director Plan Administration. The Compensation Committee of the Board of Directors administers the Director Plan. If any corporate event affecting our common stock occurs, including any merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend, combination of shares or otherwise, the Compensation Committee may make an appropriate and equitable adjustment in the number and kind of shares as to which all outstanding options shall be exercisable, to the end that after such event the optionee's proportionate interest shall be maintained as before the occurrence of such event.

Other Provisions. The Board of Directors may amend, alter or discontinue the Director Plan, but no amendment, alteration or discontinuation may be made that would impair rights under an option previously granted without the participant's consent, or that would increase the maximum number of shares available under the Director Plan without stockholder approval.

Options will be exercisable during the lifetime of the optionee by him or her only, and will not be transferable, except by will or the laws of descent and distribution.

Tax Rules. The following is a brief summary of certain federal income tax consequences of certain transactions under the Director Plan based on federal income tax laws in effect on the date hereof. This summary is not intended to be exhaustive and does not describe state or local tax consequences.

In general: (i) no income will be recognized by an optionee at the time a nonqualified option is granted; (ii) at the time of exercise of a nonqualified option, ordinary income will be recognized by the optionee in an amount equal to the difference between the purchase price paid for the shares and the fair market value of the shares if they are nonrestricted on the date of exercise; and (iii) at the time of sale of shares acquired pursuant to the exercise of a nonqualified option, any appreciation (or depreciation) in the value of the shares after the date of exercise will be treated as either short-term or long-term capital gain (or loss) depending on how long the shares have been held.

Information about our equity compensation plans. The table set forth above under Item 3 summarizes information about our equity compensation plans as of December 31, 2008. For additional information about our equity compensation plans, see note 5 to our financial statements in Item 8 of our 2008 annual report on Form 10-K.

ITEM 5
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company has appointed Grant Thornton LLP as the Company's independent auditors for the fiscal year ending December 31, 2009. Ratification of the appointment of Grant Thornton LLP as the Company's independent auditors will require the affirmative vote of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote at the Annual Meeting. In the event stockholders do not ratify the appointment of Grant Thornton

Table of Contents

LLP as the Company's independent auditors, such appointment may be reconsidered by the Audit Committee and the Board of Directors. Representatives of Grant Thornton LLP will be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The Board of Directors of the Company recommends a vote FOR ratification of Grant Thornton LLP as the Company's independent auditors for the fiscal year ending December 31, 2009.

For the fiscal year ended December 31, 2007, the Company's independent auditors were KPMG, LLP. Effective April 29, 2008, the Company, pursuant to the approval of the Company's Audit Committee, dismissed KPMG LLP as the Company's independent registered public accounting firm and effective April 29, 2008, engaged Grant Thornton LLP as the Company's independent registered public accounting firm.

The reports of KPMG LLP on the Company's financial statements for the years ended December 31, 2006 and 2007 do not contain an adverse opinion or a disclaimer of opinion and are not qualified or modified as to uncertainty, audit scope or accounting principles, except as follows: KPMG LLP's report on the consolidated financial statements of the Company as of and for the years ended December 31, 2006 and 2007 contained the following paragraph: As discussed in Note 2 to the consolidated financial statements, during 2006, the Company adopted Statement of Financial Accounting Standards (SFAS) No. 123R, Share-Based Payment.

During the years ended December 31, 2006 and 2007 and through April 29, 2008, there were no disagreements with KPMG LLP on any matters of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to KPMG LLP's satisfaction, would have caused KPMG LLP to make reference to the subject matter of the disagreement in connection with its audit report on the Company's financial statements for such year, and there were no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K, except that Company's Annual Report on Form 10-K for the year ended December 31, 2006 filed on April 2, 2007, reported a material weakness related to fraudulent credit card activity in the Company's internal control over financial reporting as of June 30, 2006 and stated that as of such date the Company's policies and procedures did not provide for an effective review of fraudulent credit card activity.

During the years ended December 31, 2006 and December 31, 2007 and through April 29, 2008, the Company did not consult with Grant Thornton LLP regarding any of the matters or events set forth in Item 304(a)(2)(i) and (ii) of Regulation S-K.

The Company has provided KPMG LLP with a copy of its Current Report on Form 8-K filed on May 2, 2008 and requested that KPMG LLP furnish the Company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements and, if not, stating the respects in which it does not agree. The letter from KPMG LLP to the Securities and Exchange Commission dated as of May 2, 2008 was attached as Exhibit 16.1 to the Company's Current Report on Form 8-K filed on May 2, 2008.

Policy on Audit Committee Pre Approval of Audit and Permissible Non Audit Services of Independent Registered Public Accountants

The Audit Committee pre-approves all audit and permissible non-audit services provided by the Company's independent auditors. These services may include audit services, audit related services, tax and other services. Pre-approval is generally provided for up to one year, and any pre-approval is detailed as to the particular service or category of services and is generally subject to a specific budget. The independent auditors and management are required to periodically report to the Audit Committee regarding the extent of services provided by the independent auditors in accordance with this pre-approval and the fees for the services performed to date. The Audit Committee may also pre-approve particular services on a case by case basis. ARTICLE 4 ADMINISTRATION

4.1. **COMMITTEE.** The Plan shall be administered by a Committee appointed by the Board (which Committee shall consist of at least two directors) or, at the discretion of the Board from time to time, the Plan may be administered by the Board. Unless otherwise designated by the Board, the Compensation Committee of the Board shall serve as the Committee administering the Plan. The Board may reserve to itself any or all of the authority and responsibility of the Committee under the Plan or may act as administrator of the Plan for any and all purposes. To the extent the Board has reserved any authority and responsibility or during any time that the Board is acting as administrator of the Plan, it shall have all the powers of the Committee hereunder, and any reference herein to the Committee (other than in this Section 4.1) shall include the Board. To the extent any action of the Board under the Plan conflicts with actions taken by the Committee, the actions of the Board shall control.

4.2. **ACTION AND INTERPRETATIONS BY THE COMMITTEE.** For purposes of administering the Plan, the Committee may from time to time adopt rules, regulations, guidelines and procedures for carrying out the provisions and purposes of the Plan and make such other determinations, not inconsistent with the Plan, as the Committee may deem appropriate. The Committee’s interpretation of the Plan, any Awards granted under the Plan, any Award Certificate and all decisions and determinations by the Committee with respect to the Plan are final, binding, and conclusive on all parties. Each member of the Committee is entitled to, in good faith, rely or act upon any report or other information furnished to that member by any officer or other employee of the Company or any Affiliate, the Company’s or an Affiliate’s independent certified public accountants, Company counsel or any executive compensation consultant or other professional retained by the Company to assist in the administration of the Plan.

4.3. **AUTHORITY OF COMMITTEE.** Except as provided below, the Committee has the exclusive power, authority and discretion to: (a) grant Awards; (b) designate Participants; (c) determine the type or types of Awards to be granted to each Participant; (d) determine the number of Awards to be granted and the number of Shares or dollar amount to which an Award will relate; (e) determine the terms and conditions of any Award granted under the Plan, including but not limited to, the exercise price, grant price, or purchase price, any restrictions or limitations on the Award, any schedule for lapse of forfeiture restrictions or restrictions on the exercisability of an Award, and accelerations or waivers thereof, based in each case on such considerations as the Committee in its sole discretion determines; (f) determine whether, to what extent, and under what circumstances an Award may be settled in, or the exercise price of an Award may be paid in, cash, Stock, other Awards, or other property, or an Award may be canceled, forfeited, or surrendered; (g) prescribe the form of each Award Certificate, which need not be identical for each Participant; (h) decide all other matters that must be determined in connection with an Award; (i) establish, adopt or revise any rules, regulations, guidelines or procedures as it may deem necessary or advisable to administer the Plan; (j) make all other decisions and determinations that may be required under the Plan or as the Committee deems necessary or advisable to administer the Plan; (k) amend the Plan or any Award Certificate as provided herein; and (l) adopt such modifications, procedures, and subplans as may be necessary or desirable to comply with provisions of the laws of non-U.S. jurisdictions in which the Company or any Affiliate may operate, in order to assure the viability of the benefits of Awards granted to participants located in such other jurisdictions and to meet the objectives of the Plan.

5.2. SHARE COUNTING.

(a) To the extent that an Award is canceled, terminates, expires, is forfeited or lapses for any reason, any unissued Shares from such Award will again be available for issuance pursuant to Awards granted under the Plan.

(b) Shares subject to Awards settled in cash will again be available for issuance pursuant to Awards granted under the Plan.

(c) Shares withheld from an Award to satisfy minimum tax withholding requirements will again be available for issuance pursuant to Awards granted under the Plan (but Shares delivered by a Participant to satisfy tax withholding requirements shall not be added back to the number of Shares available for issuance under the Plan).

(d) If the exercise price of an Option is satisfied by delivering Shares to the Company (by either actual delivery or attestation), only the net number of Shares actually issued shall be considered for purposes of determining the number of Shares remaining available for issuance pursuant to Awards granted under the Plan.

(e) To the extent that the full number of Shares subject to an Award is not issued for any reason, only the number of Shares issued and delivered shall be considered for purposes of determining the number of Shares remaining available for issuance pursuant to Awards granted under the Plan. Nothing in this subsection shall imply that any particular type of cashless exercise of an Option is permitted under the Plan, that decision being reserved to the Committee or other provisions of the Plan.

(f) Substitute Awards granted pursuant to Section 15.13 of the Plan shall not count against the Shares otherwise available for issuance under the Plan under Section 5.1.

5.3. STOCK DISTRIBUTED. Any Stock distributed pursuant to an Award may consist, in whole or in part, of authorized and unissued Stock, treasury Stock or Stock purchased on the open market.

5.4. LIMITATION ON AWARDS. Notwithstanding any provision in the Plan to the contrary (but subject to adjustment as provided in Section 16.1), the maximum number of Shares with respect to one or more Options and/or SARs that may be granted during any one calendar year under the Plan to any one Participant shall be 250,000. The maximum aggregate grant with respect to Awards of Restricted Stock, Restricted Stock Units, Deferred Stock Units, Performance Shares or other Stock-Based Awards (other than Options or SARs) granted in any one calendar year to any one Participant shall be 250,000. The aggregate dollar value of any Performance-Based

Cash Award or other cash-based award that may be paid to any one Participant during any one calendar year under the Plan shall be \$2,500,000.

**ARTICLE 7
STOCK OPTIONS**

7.1. GENERAL. The Committee is authorized to grant Options to Participants on the following terms and conditions:

(a) *Exercise Price*. The exercise price per Share under an Option shall be determined by the Committee; provided, however, that the exercise price of an Option (other than an Option issued as a substitute Award pursuant to Section 15.13) shall not be less than the Fair Market Value as of the Grant Date.

(b) *Time and Conditions of Exercise*. The Committee shall determine the time or times at which an Option may be exercised in whole or in part, subject to Section 7.1(d). The Committee shall also determine the performance or other conditions, if any, that must be satisfied before all or part of an Option may be exercised or vested.

(c) *Payment*. The Committee shall determine the methods by which the exercise price of an Option may be paid, the form of payment, including, without limitation, cash, Shares, or other property (including “cashless exercise” arrangements), and the methods by which Shares shall be delivered or deemed to be delivered to Participants, subject, however, to compliance with applicable law.

(d) *Exercise Term*. In no event may any Option be exercisable for more than ten years from the Grant Date.

7.2. INCENTIVE STOCK OPTIONS. The terms of any Incentive Stock Options granted under the Plan must comply with the following additional rules:

(a) *Exercise Price*. The exercise price of an Incentive Stock Option shall not be less than the Fair Market Value as of the Grant Date.

(b) *Lapse Of Option*. Subject to any earlier termination provision contained in the Award Certificate, an Incentive Stock Option shall lapse upon the earliest of the following circumstances; provided, however, that the Committee may, prior to the lapse of the Incentive Stock Option under the circumstances described in subsections (3), (4) or (5) below, provide in writing that the Option will extend until a later date, but if an Option is so extended and is exercised after the dates specified in subsections (3) and (4) below, it will automatically become a Nonstatutory Stock Option:

- (1) The expiration date set forth in the Award Certificate.
- (2) The tenth anniversary of the Grant Date.
- (3) Three months after termination of the Participant’s Continuous Status as a Participant for any reason other than the Participant’s Disability or death.
- (4) One year after the Participant’s Continuous Status as a Participant by reason of the Participant’s Disability.
- (5) One year after the Participant’s death if the Participant dies while employed, or during the three-month period described in paragraph (3) or during the one-year period described in paragraph (4) and before the Option otherwise lapses.

Table of Contents

Unless the exercisability of the Incentive Stock Option is accelerated as provided in Article 15, if a Participant exercises an Option after termination of employment, the Option may be exercised only with respect to the Shares that were otherwise vested on the Participant's termination of employment. Upon the Participant's death, any exercisable Incentive Stock Options may be exercised by the Participant's beneficiary, determined in accordance with Section 15.5.

(c) *Individual Dollar Limitation.* The aggregate Fair Market Value (determined as of the Grant Date) of all Shares with respect to which Incentive Stock Options are first exercisable by a Participant in any calendar year may not exceed \$100,000.00.

(d) *Ten Percent Owners.* No Incentive Stock Option shall be granted to any individual who, at the Grant Date, owns stock possessing more than ten percent of the total combined voting power of all classes of stock of the Company or any Parent or Subsidiary unless the exercise price per share of such Option is at least 110% of the Fair Market Value per Share at the Grant Date and the Option expires no later than five years after the Grant Date.

(e) *Expiration of Authority to Grant Incentive Stock Options.* No Incentive Stock Option may be granted pursuant to the Plan after the day immediately prior to the tenth anniversary of the Effective Date of the Plan, or the termination of the Plan, if earlier.

(f) *Right To Exercise.* During a Participant's lifetime, an Incentive Stock Option may be exercised only by the Participant or, in the case of the Participant's Disability, by the Participant's guardian or legal representative.

(g) *Eligible Grantees.* The Committee may not grant an Incentive Stock Option to a person who is not at the Grant Date an employee of the Company or a Parent or Subsidiary.

ARTICLE 8 STOCK APPRECIATION RIGHTS

8.1. GRANT OF STOCK APPRECIATION RIGHTS. The Committee is authorized to grant Stock Appreciation Rights to Participants on the following terms and conditions:

(a) *Right To Payment.* Upon the exercise of a Stock Appreciation Right, the Participant to whom it is granted has the right to receive upon exercise, a payment in cash or Shares equal to the excess, if any, of:

- (1) The Fair Market Value of one Share on the date of exercise; over
- (2) The base value of the Stock Appreciation Right as determined by the Committee, which shall not be less than the Fair Market Value of one Share on the Grant Date (unless the SAR is granted in tandem with an Option after the Grant Date of the Option, in which case, the base price of the SAR may equal the exercise price of the related Option even if less than the Fair Market Value of one Share on the Grant Date of the SAR).

(b) *Other Terms.* The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Stock Appreciation Right shall be determined by the Committee.

ARTICLE 9 PERFORMANCE AWARDS

9.1. GRANT OF PERFORMANCE AWARDS. The Committee is authorized to grant Performance Shares, Performance Units or Performance-Based Cash Awards to Participants on such terms and conditions as may be selected by the Committee.

Table of Contents

in terms of Company-wide objectives or in terms of objectives that relate to the performance of the Participant, an Affiliate or a division, region, department or function within the Company or an Affiliate. If the Committee determines that a change in the business, operations, corporate structure or capital structure of the Company or the manner in which the Company or an Affiliate conducts its business, or other events or circumstances render performance goals to be unsuitable, the Committee may modify such performance goals in whole or in part, as the Committee deems appropriate. If a Participant is promoted, demoted or transferred to a different business unit or function during a performance period, the Committee may determine that the performance goals or performance period are no longer appropriate and may (i) adjust, change or eliminate the performance goals or the applicable performance period as it deems appropriate to make such goals and period comparable to the initial goals and period, or (ii) make a cash payment to the participant in amount determined by the Committee. The foregoing two sentences shall not apply with respect to a Performance Award that is intended to be a Qualified Performance-Based Award.

9.3. **RIGHT TO PAYMENT.** The grant of a Performance Share to a Participant will entitle the Participant to receive at a specified later time a specified number of Shares, or the equivalent cash value, if the performance goals established by the Committee are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance Unit to a Participant will entitle the Participant to receive at a specified later time a specified dollar value, which may be settled in cash or other property, including Shares, variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The grant of a Performance-Based Cash Award to a Participant will entitle the Participant to receive at a specified later time a specified dollar value in cash variable under conditions specified in the Award, if the performance goals in the Award are achieved and the other terms and conditions thereof are satisfied. The Committee shall set performance goals and other terms or conditions to payment of the Performance Awards in its discretion which, depending on the extent to which they are met, will determine the value of the Performance Awards that will be paid to the Participant.

9.4. **OTHER TERMS.** The terms, methods of exercise, methods of settlement, form of consideration payable in settlement, and any other terms and conditions of any Performance Awards shall be determined by the Committee. For purposes of determining the number of Shares to be used in payment of a Performance Award denominated in cash but payable in whole or in part in Shares or Restricted Stock, the number of Shares to be so paid will be determined by dividing the cash value of the Award to be so paid by the Fair Market Value of a Share on the date of determination by the Committee of the amount of the payment under the Award, or, if the Committee so directs, the date immediately preceding the date the Award is paid.

ARTICLE 10 RESTRICTED STOCK AND RESTRICTED STOCK UNIT AWARDS

10.1. **GRANT OF RESTRICTED STOCK AND RESTRICTED STOCK UNITS.** The Committee is authorized to make Awards of Restricted Stock or Restricted Stock Units to Participants in such amounts and subject to such terms and conditions as may be selected by the Committee, subject to Section 5.4.

10.2. **ISSUANCE AND RESTRICTIONS.** Restricted Stock or Restricted Stock Units shall be subject to such restrictions on transferability and other restrictions as the Committee may impose (including, without limitation, limitations on the right to vote Restricted Stock or the right to receive dividends on the Restricted Stock or dividend equivalents on the Restricted Stock Units) covering a period of time specified by the Committee (the "Restriction Period"). These restrictions may lapse separately or in combination at such times, under such circumstances, in such installments, upon the satisfaction of performance goals or otherwise, as the Committee determines at the time of the grant of the Award or thereafter. Except as otherwise provided in an Award Certificate, the Participant shall have all of the rights of a stockholder with respect to the Restricted Stock, and the Participant shall have none of the rights of a stockholder with respect to Restricted Stock Units until such time as Shares of Stock are paid in settlement of the Restricted Stock Units.

10.3. **FORFEITURE.** Except as provided in an Award Certificate or otherwise determined by the Committee at the time of the grant of the Award or thereafter, immediately after termination of Continuous Status as a Participant during the applicable Restriction Period or upon failure to satisfy a performance goal during the

applicable Restriction Period, Restricted Stock or Restricted Stock Units that are at that time subject to restrictions shall be forfeited.

10.4. DELIVERY OF RESTRICTED STOCK. Shares of Restricted Stock shall be delivered to the Participant at the time of grant either by book-entry registration or by delivering to the Participant, or a custodian or escrow agent (including, without limitation, the Company or one or more of its employees) designated by the Committee, a stock certificate or certificates registered in the name of the Participant. If physical certificates representing shares of Restricted Stock are registered in the name of the Participant, such certificates must bear an appropriate legend referring to the terms, conditions, and restrictions applicable to such Restricted Stock.

ARTICLE 11 DEFERRED STOCK UNITS

11.1. GRANT OF DEFERRED STOCK UNITS. The Committee is authorized to grant Deferred Stock Units to Participants subject to such terms and conditions as may be selected by the Committee. Deferred Stock Units shall entitle the Participant to receive Shares of Stock (or the equivalent value in cash or other property if so determined by the Committee) at a future time as determined by the Committee, or as determined by the Participant within guidelines established by the Committee in the case of voluntary deferral elections.

ARTICLE 12 DIVIDEND AND INTEREST EQUIVALENTS

12.1. GRANT OF DIVIDEND EQUIVALENTS. The Committee is authorized to grant Dividend Equivalents to Participants subject to such terms and conditions as may be selected by the Committee. Dividend Equivalents shall entitle the Participant to receive payments equal in value to the cash dividends that would have been paid with respect to all or a portion of the number of Shares subject to any Award, if such Shares had been outstanding, as determined by the Committee. The Committee may provide that Dividend Equivalents be paid or distributed when accrued or be deemed to have been reinvested in additional Shares or units equivalent to Shares, or otherwise reinvested.

12.2. GRANT OF INTEREST EQUIVALENTS. The Committee is authorized to grant Interest Equivalents to Participants subject to such terms and conditions as may be selected by the Committee. Interest Equivalents shall entitle the Participant to receive payments equal to a stated rate of return on the value of an outstanding Award, as determined by the Committee. The Committee may provide that Interest Equivalents be paid or distributed when accrued or be deemed to have been reinvested in additional Shares or units equivalent to Shares, or otherwise reinvested.

ARTICLE 13 STOCK OR OTHER STOCK-BASED AWARDS

13.1. GRANT OF STOCK OR OTHER STOCK-BASED AWARDS. The Committee is authorized, subject to limitations under applicable law, to grant to Participants such other Awards that are payable in, valued in whole or in part by reference to, or otherwise based on or related to Shares or other property, as deemed by the Committee to be consistent with the purposes of the Plan, including without limitation Shares awarded purely as a “bonus” and not subject to any restrictions or conditions, convertible or exchangeable debt securities, other rights convertible or exchangeable into Shares, and Awards valued by reference to book value of Shares or the value of securities of or the performance of specified Parents or Affiliates (“Other Stock-Based Awards”). Such Other Stock-Based Awards shall also be available as a form of payment in the settlement of other Awards granted under the Plan. The Committee shall determine the terms and conditions of such Other Stock-Based Awards.

ARTICLE 14 QUALIFIED PERFORMANCE-BASED AWARDS

14.1. OPTIONS AND STOCK APPRECIATION RIGHTS. The provisions of the Plan are intended to ensure that all Options and Stock Appreciation Rights granted hereunder to any Covered Employee shall qualify for the Section 162(m) Exemption.

Table of Contents

14.2. OTHER AWARDS. When granting an Award other than an Option or a Stock Appreciation Right, the Committee may designate such Award as a Qualified Performance-Based Award, based upon a determination that the recipient is or may be a Covered Employee with respect to such Award, and the Committee wishes such Award to qualify for the Section 162(m) Exemption. If an Award is so designated, the Committee shall establish performance goals for such Award within the time period prescribed by Section 162(m) of the Code based on one or more of the following Qualified Business Criteria, which may be expressed in terms of Company-wide objectives or in terms of objectives that relate to the performance of an Affiliate or a division, region, department, function or combination thereof within the Company or an Affiliate: revenue; sales; profit (net profit, gross profit, operating profit, economic profit, profit margins or other corporate profit measures); earnings (EBIT, EBITDA, earnings per share, or other corporate earnings measures); net income (before or after taxes, operating income or other income measures); cash (cash flow, cash generation or other cash measures); stock price or performance; total stockholder return (stock price appreciation plus reinvested dividends divided by beginning share price); return measures (including, but not limited to, return on assets, capital, equity, or sales, and cash flow return on assets, capital, equity, or sales); market share; improvements in capital structure; expenses (expense management, expense ratio, expense efficiency ratios or other expense measures); business expansion or consolidation (acquisitions and divestitures); internal rate of return or increase in net present value; working capital targets relating to inventory and/or accounts receivable; or planning accuracy (as measured by comparing planned results to actual results).

Performance goals with respect to the foregoing Qualified Business Criteria may be specified in absolute terms, in percentages, or in terms of growth from period to period or growth rates over time, as well as measured relative to an established or specially-created performance index of Company competitors or peers. Any member of a specially-created performance index that undergoes a corporate event or transaction of a kind described in Article 16 or that files a petition for bankruptcy during a measurement period shall be disregarded from and after such event. Performance goals need not be based upon an increase or positive result under a business criterion and could include, for example, the maintenance of the status quo or the limitation of economic losses (measured, in each case, by reference to a specific business criterion).

14.3. PERFORMANCE GOALS. Each Qualified Performance-Based Award (other than a market-priced Option or SAR) shall be earned, vested and payable (as applicable) only upon the achievement of performance goals established by the Committee based upon one or more of the Qualified Business Criteria, together with the satisfaction of any other conditions, such as continued employment, as the Committee may determine to be appropriate; provided, however, that the Committee may provide, either in connection with the grant thereof or by amendment thereafter, that achievement of such performance goals will be waived upon the death or Disability of the Participant, or upon a Change in Control. Performance periods established by the Committee for any such Qualified Performance-Based Award may be as short as three months and may be any longer period. In addition, the Committee may reserve the right, in connection with the grant of a Qualified Performance-Based Award, to exercise negative discretion to determine that the portion of such Award actually earned, vested and/or payable (as applicable) shall be less than the portion that would be earned, vested and/or payable based solely upon application of the applicable performance goals.

14.4. INCLUSIONS AND EXCLUSIONS FROM PERFORMANCE CRITERIA. The Committee may provide in any Qualified Performance-Based Award that any evaluation of performance may include or exclude any of the following events that occurs during a performance period: asset write-downs or impairment charges; litigation or claim judgments or settlements; the effect of changes in tax laws, accounting principles or other laws or provisions affecting reported results; accruals for reorganization and restructuring programs; extraordinary nonrecurring items as described in Accounting Principles Board Opinion No. 30 and/or in management's discussion and analysis of financial condition and results of operations appearing in the Company's annual report to stockholders for the applicable year; acquisitions or divestitures; and foreign exchange gains and losses. To the extent such inclusions or exclusions affect Awards to Covered Employees, they shall be prescribed in a form that meets the requirements of Code Section 162(m) for deductibility.

14.5. CERTIFICATION OF PERFORMANCE GOALS. Any payment of a Qualified Performance-Based Award granted with performance goals pursuant to Section 14.3 above shall be conditioned on the written certification of the Committee in each case that the performance goals and any other material conditions were satisfied. Except as specifically provided in Section 14.3, no Qualified Performance-Based Award held by a

Covered Employee or by an employee who in the reasonable judgment of the Committee may be a Covered Employee on the date of payment, may be amended, nor may the Committee exercise any discretionary authority it may otherwise have under the Plan with respect to a Qualified Performance-Based Award under the Plan, in any manner to waive the achievement of the applicable performance goal based on Qualified Business Criteria or to increase the amount payable pursuant thereto or the value thereof, or otherwise in a manner that would cause the Qualified Performance-Based Award to cease to qualify for the Section 162(m) Exemption.

ARTICLE 15
PROVISIONS APPLICABLE TO AWARDS

Subject to Section 17.2, Awards granted in addition to or in tandem with other Awards may be granted either at the same time as or at a different time from the grant of such other Awards.

15.2. **TERM OF AWARD.** The term of each Award shall be for the period as determined by the Committee, provided that in no event shall the term of any Option or a Stock Appreciation Right exceed a period of ten years from its Grant Date (or, if Section 7.2(d) applies, five years from its Grant Date).

15.3. **FORM OF PAYMENT FOR AWARDS.** Subject to the terms of the Plan and any applicable law or Award Certificate, payments or transfers to be made by the Company or an Affiliate on the grant or exercise of an Award may be made in such form as the Committee determines at or after the Grant Date, including without limitation, cash, Stock, other Awards, or other property, or any combination, and may be made in a single payment or transfer, in installments, or on a deferred basis, in each case determined in accordance with rules adopted by, and at the discretion of, the Committee.

15.4. **LIMITS ON TRANSFER.** No right or interest of a Participant in any unexercised or restricted Award may be pledged, encumbered, or hypothecated to or in favor of any party other than the Company or an Affiliate, or shall be subject to any lien, obligation, or liability of such Participant to any other party other than the Company or an Affiliate. No unexercised or restricted Award shall be assignable or transferable by a Participant other than by will or the laws of descent and distribution or, except in the case of an Incentive Stock Option, pursuant to a domestic relations order that would satisfy Section 414(p)(1)(A) of the Code if such Section applied to an Award under the Plan; provided, however, that the Committee may (but need not) permit other transfers where the Committee concludes that such transferability (i) does not result in accelerated taxation, (ii) does not cause any Option intended to be an Incentive Stock Option to fail to be described in Code Section 422(b), and (iii) is otherwise appropriate and desirable, taking into account any factors deemed relevant, including without limitation, state or federal tax or securities laws applicable to transferable Awards. Any purported transfer in violation of this Section 15.4 shall be null and void.

15.5. **BENEFICIARIES.** Notwithstanding Section 15.4, a Participant may, in the manner determined by the Committee, designate a beneficiary to exercise the rights of the Participant and to receive any distribution with respect to any Award upon the Participant's death. A beneficiary, legal guardian, legal representative, or other person claiming any rights under the Plan is subject to all terms and conditions of the Plan and any Award Certificate applicable to the Participant, except to the extent the Plan and Award Certificate otherwise provide, and to any additional restrictions deemed necessary or appropriate by the Committee. If no beneficiary has been designated or survives the Participant, payment shall be made to the Participant's estate. Subject to the foregoing, a beneficiary designation may be changed or revoked by a Participant at any time provided the change or revocation is filed with the Company.

15.6. **STOCK CERTIFICATES.** All Stock issuable under the Plan is subject to any stop-transfer orders and other restrictions as the Committee deems necessary or advisable to comply with federal or state securities laws, rules and regulations and the rules of any national securities exchange or automated quotation system on which the Stock is listed, quoted, or traded. The Committee may place legends on any Stock certificate or issue instructions to the transfer agent to reference restrictions applicable to the Stock.

15.7. ACCELERATION UPON DEATH, DISABILITY OR RETIREMENT. Except as otherwise provided in the Award Certificate or any special Plan document governing an Award, upon a Participant's death, Disability or Retirement during his or her Continuous Status as a Participant, (i) all of such Participant's outstanding Options, SARs, and other Awards in the nature of rights that may be exercised shall become fully exercisable, (ii) all time-based vesting restrictions on the Participant's outstanding Awards shall lapse, and (iii) the target payout opportunities attainable under all of such Participant's outstanding performance-based equity Awards shall be deemed to have been fully earned as of the date of termination based upon an assumed achievement of all relevant performance goals at the "target" level and there shall be a pro rata payout to the Participant or his or her estate within thirty (30) days following the date of termination based upon the length of time within the performance period that has elapsed prior to the date of termination. In addition, upon a Participant's death, Disability or Retirement of a Participant, the Committee may determine that any performance-based criteria with respect to any Performance-Based Cash Awards held by that Participant shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. Any Awards shall thereafter continue or lapse in accordance with the other provisions of the Plan and the Award Certificate. To the extent that this provision causes Incentive Stock Options to exceed the dollar limitation set forth in Section 7.2(c), the excess Options shall be deemed to be Nonstatutory Stock Options.

15.8. ACCELERATION UPON A CHANGE IN CONTROL. Except as otherwise provided in the Award Certificate or in an employment agreement, consulting agreement, change in control agreement or similar agreement in effect between the Company or an Affiliate and the Participant, in the event of a Change in Control or if a Participant's employment is terminated without Cause or the Participant resigns for Good Reason within six months after the effective date of a Change in Control, then, in the discretion of the Committee (which may be exercised prior to or following any Change in Control), the Committee may determine (which determination may be selective and non-uniform among Participants) that: (i) all of that Participant's outstanding Options, SARs and other Awards in the nature of rights that may be exercised may be terminated or may be accelerated to become fully exercisable, (ii) all time-based vesting restrictions on the Participant's outstanding Awards shall lapse, and/or (iii) the target payout opportunities attainable under all outstanding of that Participant's performance-based Awards shall be deemed to have been fully earned based upon an assumed achievement of all relevant performance goals at the "target" level and there shall be pro rata payout to such Participant within thirty (30) days following the date of Change in Control or termination of employment based upon the length of time within the performance period that has elapsed prior to the date of Change in Control or termination of employment.

15.9. DISCRETIONARY ACCELERATION. Regardless of whether an event has occurred as described in Section 15.7 or 15.8 above, and subject to Article 14 as to Qualified Performance-Based Awards, the Committee may in its sole discretion at any time determine that, upon the termination of service of a Participant, or the occurrence of a Change in Control, all or a portion of such Participant's Options, SARs and other Awards in the nature of rights that may be exercised shall terminate or become fully or partially exercisable, that all or a part of the restrictions on all or a portion of the Participant's outstanding Awards shall lapse, and/or that any performance-based criteria with respect to any Awards held by that Participant shall be deemed to be wholly or partially satisfied, in each case, as of such date as the Committee may, in its sole discretion, declare. The Committee may be selective and non-uniform among Participants and among Awards granted to a Participant in exercising its discretion pursuant to this Section 15.9.

15.10. TERMINATION OF EMPLOYMENT. Whether military, government or other service or other leave of absence shall constitute a termination of employment shall be determined by the Committee at its discretion, and any determination by the Committee shall be final and conclusive. A Participant's Continuous Status as a Participant shall not be deemed to terminate (i) in a circumstance in which a Participant transfers from the Company to an Affiliate, transfers from an Affiliate to the Company, or transfers from one Affiliate to another Affiliate, or (ii) in the discretion of the Committee as specified at or prior to such occurrence, in the case of a spin-off, sale or disposition of the Participant's employer from the Company or any Affiliate. To the extent that this provision causes Incentive Stock Options to extend beyond three months from the date a Participant is deemed to cease to be an employee of the Company, a Parent or Subsidiary for purposes of Sections 424(e) and 424(f) of the Code, the Options held by such Participant shall be deemed to be Nonstatutory Stock Options.

15.11. DEFERRAL. Subject to applicable law, the Committee may permit or require a Participant to defer such Participant's receipt of the payment of cash or the delivery of Shares or other property that would otherwise be

Table of Contents

due to such Participant by virtue of the exercise of an Option or SAR, the lapse or waiver of restrictions with respect to Restricted Stock or Restricted Stock Units, or the satisfaction of any requirements or goals with respect to Performance Awards, and Other Stock-Based Awards. If any such deferral election is required or permitted, the Committee shall, in its sole discretion, establish rules and procedures for such payment deferrals.

15.12. **FORFEITURE EVENTS.** The Committee may specify in an Award Certificate that the Participant's rights, payments and benefits with respect to an Award shall be subject to reduction, cancellation, forfeiture or recoupment upon the occurrence of certain specified events. Such events may include, but are not limited to, termination of employment for cause, violation of material Company or Affiliate policies, breach of non-competition, confidentiality or other restrictive covenants that may apply to the Participant, or other conduct by the Participant that is detrimental to the business or reputation of the Company or any Affiliate.

15.13. **SUBSTITUTE AWARDS.** The Committee may grant Awards under the Plan in substitution for stock and stock-based awards held by employees of another entity who become employees of the Company or an Affiliate as a result of a merger or consolidation of the former employing entity with the Company or an Affiliate or the acquisition by the Company or an Affiliate of property or stock of the former employing corporation. The Committee may direct that the substitute awards be granted on such terms and conditions as the Committee considers appropriate in the circumstances.

ARTICLE 16 CHANGES IN CAPITAL STRUCTURE

16.1. **GENERAL.** In the event of a corporate event or transaction involving the Company (including, without limitation, any stock dividend, stock split, extraordinary cash dividend, recapitalization, reorganization, merger, consolidation, split-up, spin-off, combination or exchange of shares), the authorization limits under Section 5.1 and 5.4 shall be adjusted proportionately, and the Committee may adjust the Plan and Awards to preserve the benefits or potential benefits of the Awards. Action by the Committee may include: (i) adjustment of the number and kind of shares which may be delivered under the Plan; (ii) adjustment of the number and kind of shares subject to outstanding Awards; (iii) adjustment of the exercise price of outstanding Awards or the measure to be used to determine the amount of the benefit payable on an Award; and (iv) any other adjustments that the Committee determines to be equitable. In addition, the Committee may, in its sole discretion, provide (i) that Awards will be settled in cash rather than Stock, (ii) that Awards will become immediately vested and exercisable and will expire after a designated period of time to the extent not then exercised, (iii) that Awards will be assumed by another party to a transaction or otherwise be equitably converted or substituted in connection with such transaction, (iv) that outstanding Awards may be settled by payment in cash or cash equivalents equal to the excess of the Fair Market Value of the underlying Stock, as of a specified date associated with the transaction, over the exercise price of the Award, (v) that performance targets and performance periods for Performance Awards will be modified, consistent with Code Section 162(m) where applicable, or (vi) any combination of the foregoing. The Committee's determination need not be uniform and may be different for different Participants whether or not such Participants are similarly situated. Without limiting the foregoing, in the event of a subdivision of the outstanding Stock (stock-split), a declaration of a dividend payable in Shares, or a combination or consolidation of the outstanding Stock into a lesser number of Shares, the authorization limits under Section 5.1 and 5.4 shall automatically be adjusted proportionately, and the Shares then subject to each Award shall automatically be adjusted proportionately without any change in the aggregate purchase price therefor. To the extent that any adjustments made pursuant to this Article 16 cause Incentive Stock Options to cease to qualify as Incentive Stock Options, such Options shall be deemed to be Nonstatutory Stock Options.

ARTICLE 17 AMENDMENT, MODIFICATION AND TERMINATION

17.1. AMENDMENT, MODIFICATION AND TERMINATION.

(a) The Board or the Committee may, at any time and from time to time, amend, modify or terminate the Plan without stockholder approval; provided, however, that if an amendment to the Plan would, in the reasonable opinion of the Board or the Committee, (i) materially increase the benefits accruing to Participants, (ii) materially increase the number of Shares available under the Plan, (iii) expand the types of awards under the Plan, (iv)

Table of Contents

materially expand the class of participants eligible to participate in the Plan, (v) materially extend the term of the Plan, or (vi) otherwise constitute a material change requiring stockholder approval under applicable laws or the applicable listing or other requirements of an Exchange, then such amendment shall be subject to stockholder approval; and provided, further, that the Board or Committee may condition any amendment or modification on the approval of stockholders of the Company for any reason, including by reason of such approval being necessary or deemed advisable to (i) to comply with the listing or other requirements of an Exchange, or (ii) to satisfy any other tax, securities or other applicable laws, policies or regulations.

(b) No termination, amendment, or modification of the Plan shall adversely affect any Award previously granted under the Plan, without the written consent of the Participant affected thereby. An outstanding Award shall not be deemed to be “adversely affected” by a Plan amendment if such amendment would not reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment over the exercise price or base value of such Award).

17.2. AWARDS PREVIOUSLY GRANTED. At any time and from time to time, the Committee may amend, modify or terminate any outstanding Award without approval of the Participant; provided, however:

(a) Subject to the terms of the applicable Award Certificate, such amendment, modification or termination shall not, without the Participant’s consent, reduce or diminish the value of such Award determined as if the Award had been exercised, vested, cashed in or otherwise settled on the date of such amendment or termination (with the per-share value of an Option or Stock Appreciation Right for this purpose being calculated as the excess, if any, of the Fair Market Value as of the date of such amendment or termination over the exercise or base price of such Award);

(b) The original term of an Option may not be extended without the prior approval of the stockholders of the Company; and

(c) Except as otherwise provided in Article 16, the exercise price of an Option may not be reduced, directly or indirectly, without the prior approval of the stockholders of the Company.

ARTICLE 18 GENERAL PROVISIONS

18.1. NO RIGHTS TO AWARDS; NON-UNIFORM DETERMINATIONS. No Participant or any Eligible Participant shall have any claim to be granted any Award under the Plan. Neither the Company, its Affiliates nor the Committee is obligated to treat Participants or Eligible Participants uniformly, and determinations made under the Plan may be made by the Committee selectively among Eligible Participants who receive, or are eligible to receive, Awards (whether or not such Eligible Participants are similarly situated).

18.2. NO STOCKHOLDER RIGHTS. No Award gives a Participant any of the rights of a stockholder of the Company unless and until Shares are in fact issued to such Participant in connection with the Award.

18.3. WITHHOLDING. The Company or any Affiliate shall have the authority and the right to deduct or withhold, or require a Participant to remit to the Company, an amount sufficient to satisfy federal, state, and local taxes (including the Participant’s FICA obligation) required by law to be withheld with respect to any exercise, lapse of restriction or other taxable event arising as a result of the Plan or an Award. If Shares are permitted to be surrendered to the Company to satisfy tax obligations in excess of the minimum tax withholding obligation, such Shares must have been held by the Participant as fully vested shares for such period of time, if any, as the Committee may determine. The Company shall have the authority to require a Participant to remit cash to the Company in lieu of the surrender of Shares for tax withholding obligations if the Committee so determines. With respect to withholding required upon any taxable event under the Plan, the Committee may, at the time the Award is

Table of Contents

granted or thereafter, require or permit that any such withholding requirement be satisfied, in whole or in part, by withholding from the Award Shares having a Fair Market Value on the date of withholding equal to the minimum amount (and not any greater amount) required to be withheld for tax purposes.

18.4. NO RIGHT TO CONTINUED SERVICE. Nothing in the Plan, any Award Certificate or any other document or statement made with respect to the Plan, shall interfere with or limit in any way the right of the Company or any Affiliate to terminate any Participant's employment or status as an officer, director or consultant at any time, nor confer upon any Participant any right to continue as an employee, officer, director or consultant of the Company or any Affiliate, whether for the duration of a Participant's Award or otherwise.

18.5. UNFUNDED STATUS OF AWARDS. The Plan is intended to be an "unfunded" plan for incentive and deferred compensation. With respect to any payments not yet made to a Participant pursuant to an Award, nothing contained in the Plan or any Award Certificate shall give the Participant any rights that are greater than those of a general creditor of the Company or any Affiliate. This Plan is not intended to be subject to ERISA.

18.6. RELATIONSHIP TO OTHER BENEFITS. No payment under the Plan shall be taken into account in determining any benefits under any pension, retirement, savings, profit sharing, group insurance, welfare or benefit plan of the Company or any Affiliate unless specifically provided otherwise in such other plan.

18.7. EXPENSES. The expenses of administering the Plan shall be borne by the Company and its Affiliates.

18.8. TITLES AND HEADINGS. The titles and headings of the Sections in the Plan are for convenience of reference only, and in the event of any conflict, the text of the Plan, rather than such titles or headings, shall control.

18.9. GENDER AND NUMBER. Except where otherwise indicated by the context, any masculine term used herein also shall include the feminine; the plural shall include the singular and the singular shall include the plural.

18.10. FRACTIONAL SHARES. No fractional Shares shall be issued and the Committee shall determine, in its discretion, whether cash shall be given in lieu of fractional Shares or whether such fractional Shares shall be eliminated by rounding up or down.

18.11. GOVERNMENT AND OTHER REGULATIONS.

(a) Notwithstanding any other provision of the Plan, no Participant who acquires Shares pursuant to the Plan may, during any period of time that such Participant is an affiliate of the Company (within the meaning of the rules and regulations of the Securities and Exchange Commission under the 1933 Act), sell such Shares, unless such offer and sale is made (i) pursuant to an effective registration statement under the 1933 Act, which is current and includes the Shares to be sold, or (ii) pursuant to an appropriate exemption from the registration requirement of the 1933 Act, such as that set forth in Rule 144 promulgated under the 1933 Act.

(b) Notwithstanding any other provision of the Plan, if at any time the Committee shall determine that the registration, listing or qualification of the Shares covered by an Award upon any Exchange or under any foreign, federal, state or local law or practice, or the consent or approval of any governmental regulatory body, is necessary or desirable as a condition of, or in connection with, the granting of such Award or the purchase or receipt of Shares thereunder, no Shares may be purchased, delivered or received pursuant to such Award unless and until such registration, listing, qualification, consent or approval shall have been effected or obtained free of any condition not acceptable to the Committee. Any Participant receiving or purchasing Shares pursuant to an Award shall make such representations and agreements and furnish such information as the Committee may request to assure compliance with the foregoing or any other applicable legal requirements. The Company shall not be required to issue or deliver any certificate or certificates for Shares under the Plan prior to the Committee's determination that all related requirements have been fulfilled. The Company shall in no event be obligated to register any securities pursuant to the 1933 Act or applicable state or foreign law or to take any other action in order to cause the issuance and delivery of such certificates to comply with any such law, regulation or requirement.

Table of Contents

18.12. GOVERNING LAW. To the extent not governed by federal law, the Plan and all Award Certificates shall be construed in accordance with and governed by the laws of the State of Delaware.

18.13. ADDITIONAL PROVISIONS. Each Award Certificate may contain such other terms and conditions as the Committee may determine; provided that such other terms and conditions are not inconsistent with the provisions of the Plan.

18.14. NO LIMITATIONS ON RIGHTS OF COMPANY. The grant of any Award shall not in any way affect the right or power of the Company to make adjustments, reclassification or changes in its capital or business structure or to merge, consolidate, dissolve, liquidate, sell or transfer all or any part of its business or assets. The Plan shall not restrict the authority of the Company, for proper corporate purposes, to draft or assume awards, other than under the Plan, to or with respect to any person. If the Committee so directs, the Company may issue or transfer Shares to an Affiliate, for such lawful consideration as the Committee may specify, upon the condition or understanding that the Affiliate will transfer such Shares to a Participant in accordance with the terms of an Award granted to such Participant and specified by the Committee pursuant to the provisions of the Plan.

18.15. INDEMNIFICATION. Each person who is or shall have been a member of the Committee, or of the Board, or an officer of the Company to whom authority was delegated in accordance with Article 4 shall be indemnified and held harmless by the Company against and from any loss, cost, liability, or expense that may be imposed upon or reasonably incurred by him or her in connection with or resulting from any claim, action, suit, or proceeding to which he or she may be a party or in which he or she may be involved by reason of any action taken or failure to act under the Plan and against and from any and all amounts paid by him or her in settlement thereof, with the Company's approval, or paid by him or her in satisfaction of any judgment in any such action, suit, or proceeding against him or her, provided he or she shall give the Company an opportunity, at its own expense, to handle and defend the same before he or she undertakes to handle and defend it on his or her own behalf, unless such loss, cost, liability, or expense is a result of his or her own willful misconduct or except as expressly provided by statute. The foregoing right of indemnification shall not be exclusive of any other rights of indemnification to which such persons may be entitled under the Company's charter or bylaws, as a matter of law, or otherwise, or any power that the Company may have to indemnify them or hold them harmless.

18.16. FOREIGN PARTICIPANTS. In order to facilitate the granting of Awards to Eligible Participants who are foreign nationals or who are employed outside of the United States of America, the Committee may provide for such special terms and conditions, including without limitation substitutes for Awards, as the Committee may consider necessary or appropriate to accommodate differences in local law, tax policy or custom. The Committee may approve any supplements to, or amendments, restatements or alternative versions of this Plan as it may consider necessary or appropriate for the purposes of this Section 18.16 without thereby affecting the terms of this Plan as in effect for any other purpose, and the Secretary or other appropriate officer of the Company may certify any such documents as having been approved and adopted pursuant to properly delegated authority; provided, that no such supplements, amendments, restatements or alternative versions shall include any provisions that are inconsistent with the spirit of this Plan, as then in effect. Participants subject to the laws of a foreign jurisdiction may request copies of, or the right to view, any materials that are required to be provided by the Company pursuant to the laws of such jurisdiction.

18.17. NOTICE. Except as otherwise provided in this Plan, all notices or other communications required or permitted to be given under this Plan to the Company shall be in writing and shall be deemed to have been duly given if delivered personally or mailed, postage pre-paid, as follows: (i) if to the Company, at its principal business address to the attention of the Secretary; and (ii) if to any Participant, at the last address of the Participant known to the sender at the time the notice or other communication is sent.

18.18. INUREMENT OF RIGHTS AND OBLIGATIONS. The rights and obligations under this Plan and any related documents shall inure to the benefit of, and shall be binding upon, the Company, its successors and assigns, and the Participants and their beneficiaries.

18.19. COSTS AND EXPENSES. Except as otherwise provided herein, the costs and expenses of administering this Plan shall be borne by the Company, and shall not be charged to any Award nor to any Participant receiving an Award. Costs and expenses associated with the redemption or exercise of any Award under this Plan, including, but not limited to, commissions charged by any agent of the Company, may be charged to the Participant.

Table of Contents

(b) For purposes of the Plan, the fair market value of a Share of the Company's Common Stock as of a given date shall be: (i) the closing price of a Share of the Company's Common Stock on the principal exchange on which Shares of the Company's Common Stock are then trading; or (ii) if such Common Stock is not traded on an exchange but is quoted on NASDAQ or a successor quotation system, (1) the last sales price (if the Company's Common Stock is then listed as a National Market Issue under the NASD National Market System) or (2) the mean between the closing representative bid and asked prices (in all other cases) for the Company's Common Stock, in each case, on such date as reported by NASDAQ or such successor quotation system; or (iii) if such Common Stock is not publicly traded on an exchange and not quoted on NASDAQ or a successor quotation system, the mean between the closing bid and asked prices for the Company's Common Stock, on such date, as determined in good faith by the Committee; or (iv) if the Company's Common Stock is not publicly traded, the fair market value established by the Committee acting in good faith.

Section 4.3 — Commencement of Exercisability

(a) No Option may be exercised in whole or in part during the six months after such Option is granted.

(b) Subject to the provisions hereof, each Option granted hereunder shall be subject to the following cumulative vesting schedule:

(i) Until the date which is one year from the date of grant, the Option shall not be vested and shall not be exercisable as to any of the shares subject thereto; and

(ii) From and after the date which is one year from the date of grant, the Option shall vest and be fully exercisable.

Section 4.4 — Expiration of Options

No Option may be exercised to any extent after the first to occur of the following events:

(i) The expiration of ten years from the date the Option was granted; or

(ii) Except in the case of any Optionee who is disabled (within the meaning of Section 22(e)(3) of the Code), the expiration of three months from the date of the Optionee's Termination for any reason other than such Optionee's death; or

(iii) With respect to an Option held by an Optionee who is disabled (within the meaning of Section 22(e)(3) of the Code), the expiration of one year from the date of the Optionee's Termination for any reason other than such Optionee's death unless the Optionee dies within said one-year period; or

(iv) The expiration of one year from the date of the Optionee's death with respect to all Options held by such Optionee.

Section 4.5 — Adjustments in Outstanding Options

In the event that the outstanding Shares of the stock subject to Options are changed into or exchanged for a different number or kind of shares of the Company or other securities of the Company, or in the event of any other capital transaction involving the outstanding shares of Common Stock of the Company as the Committee shall determine in its sole discretion, whether by reason of merger, consolidation, recapitalization, reclassification, stock split-up, stock dividend, combination of shares or otherwise, the Committee shall make an appropriate and equitable adjustment in the number and kind of shares as to which all outstanding Options, or portions thereof then unexercised, shall be exercisable, to the end that after such event the Optionee's proportionate interest shall be maintained as before the occurrence of such event. Such adjustment in an outstanding Option shall be made without change in the total price applicable to the Option or the unexercised portion of the Option (except for any change in the aggregate price resulting from rounding-off of share quantities or prices) and with any

necessary corresponding adjustment in Option price per share. Any such adjustment made by the Committee shall be final and binding upon all Optionees, the Company and all other interested persons.

ARTICLE V
EXERCISE OF OPTIONS

Section 5.1 — Person Eligible to Exercise

During the lifetime of the Optionee, only such Optionee may exercise an Option (or any portion thereof) granted to him; provided, however, that, unless otherwise prohibited by Rule 16b-3, an Optionee may transfer all or any portion of an Option to his spouse or immediate family member or any trust for the benefit thereof or as the Committee may otherwise permit in its sole discretion. After the death of the Optionee, any exercisable portion of an Option may, prior to the time when such portion becomes unexercisable under the Plan, be exercised by his personal representative or by any person empowered to do so under the deceased Optionee's will or under the then applicable laws of descent and distribution.

Section 5.2 — Partial Exercise

At any time and from time to time prior to the time when any exercisable Option or exercisable portion thereof becomes unexercisable under the Plan, such Option or portion thereof may be exercised in whole or in part; provided, however, that the Company shall not be required to issue fractional shares and the Committee may, by the terms of the Option, require any partial exercise to be with respect to a specified minimum number of shares.

Section 5.3 — Manner of Exercise

An exercisable Option, or any exercisable portion thereof, may be exercised solely by delivery to the Secretary or his office of all of the following prior to the time when such Option or such portion becomes unexercisable under the Plan or the applicable Stock Option Agreement:

(a) Notice in writing signed by the Optionee or other person then entitled to exercise such Option or portion, stating that such Option or portion is exercised, such notice complying with all applicable rules established by the Committee; and

(b) (i) Full payment (in cash or by check) for the Shares with respect to which such Option or portion is thereby exercised; or

(ii) Subject to the consent of the Committee, (A) Shares of the Company's Common Stock owned by the Optionee duly endorsed for transfer to the Company or (B) subject to the timing requirements of Section 5.4, Shares of the Company's Common Stock issuable to the Optionee upon exercise of the Option, with a fair market value (as determined under Section 4.2(b)) on the date of Option exercise equal to the aggregate Option price of the Shares with respect to which such Option or portion is thereby exercised; or

(iii) Any combination of the consideration provided in the foregoing subsections (i) and (ii); and

(c) The payment to the Company (or other employer corporation) of all amounts which it is required to withhold under federal, state or local law in connection with the exercise of the Option; provided, that, with the consent of the Committee, any combination of the following may be used to make all or part of such payment: (i) Shares of the Company's Common Stock owned by the Optionee duly endorsed for transfer or (ii) subject to the timing requirements of Section 5.4, Shares of the Company's Common Stock issuable to the Optionee upon exercise of the Option, valued in accordance with Section 4.2(b) at the date of Option exercise; and

(d) Such representations and documents as the Committee, in its absolute discretion, deems necessary or advisable to effect compliance with all applicable provisions of the Securities Act and any other federal

or state securities laws or regulations. The Committee may, in its absolute discretion, also take whatever additional actions it deems appropriate to effect such compliance including, without limitation, placing legends on Share certificates and issuing stop-transfer orders to transfer agents and registrars; and

(e) In the event that the Option or portion thereof shall be exercised pursuant to Section 5.1 by any person or persons other than the Optionee, appropriate proof of the right of such person or persons to exercise the Option or portion thereof.

Section 5.4 — Certain Timing Requirements

Shares of the Company's Common Stock issuable to the Optionee upon exercise of the Option may be used to satisfy the Option price or the tax withholding consequences of such exercise only with the consent of the Committee and (i) during the trading window period following the date of release of the quarterly or annual summary statement of sales and earnings of the Company as may be established by the Company for its senior executives from time to time or (ii) pursuant to an irrevocable written election by the Optionee to use Shares of the Company's Common Stock issuable to the Optionee upon exercise of the Option to pay all or part of the Option price or the withholding taxes made at least six months prior to the payment of such Option price or withholding taxes.

Section 5.5 — Conditions to Issuance of Stock Certificates

The Shares of stock issuable and deliverable upon the exercise of an Option, or any portion thereof, may be either previously authorized but unissued Shares or issued Shares which have then been reacquired by the Company. The Company shall not be required to issue or deliver any certificate or certificates for Shares of stock issued in payment of any Retainer or purchased upon the exercise of any Option or portion thereof prior to the fulfillment of all of the following conditions:

(a) The admission of such Shares to listing on all stock exchanges on which such class of stock is then listed; and

(b) The completion of any registration or other qualification of such Shares under any state or federal law or under the rulings or regulations of the Securities and Exchange Commission or any other governmental regulatory body, if any such registration or qualification may be necessary or advisable; and

(c) The obtaining of any approval or other clearance from any state or federal governmental agency which may be necessary or advisable; and

(d) The payment to the Company (or other employer corporation) of all amounts which it is required to withhold under federal, state or local law in connection with the exercise of the Option; and

(e) The lapse of such reasonable period of time following the exercise of the Option as the Secretary of the Company may establish from time to time for reasons of administrative convenience.

ARTICLE VI

ARTICLE VII OTHER PROVISIONS

Section 7.1 — Options Not Transferable

Except as set forth in Section 5.1 hereof, no Option or interest or right therein or part thereof shall be liable for the debts, contracts or engagements of the Optionee or his successors in interest or shall be subject to disposition by transfer, alienation, anticipation, pledge, encumbrance, assignment or any other means whether such disposition be voluntary or involuntary or by operation of law by judgment, levy, attachment, garnishment or any other legal or equitable proceedings (including bankruptcy), and any attempted disposition thereof shall be null and void and of no effect; provided, however, that nothing in this Section 7.1 shall prevent transfers by will or by the applicable laws of descent and distribution.

Section 7.2 — Amendment, Suspension or Termination of the Plan

The Plan may be wholly or partially amended or otherwise modified, suspended or terminated at any time or from time to time by the Committee; provided, however, that no amendment or modification which requires shareholder approval under Rule 16b-3, if any, shall be effective in the absence of such approval. Neither the amendment, suspension nor termination of the Plan shall, without the consent of the holder of the Option, impair any rights or obligations under any Option theretofore granted. No Option may be granted during any period of suspension nor after termination of the Plan. The Plan shall terminate and no Option be granted under this Plan after December 31, 2017.

Section 7.3 — Approval of Plan by Shareholder(s)
