### **About the Gateway Conference**

The Gateway Conference is designed to provide a unique gateway between influential members of the investment community and a select group of compelling publicly-traded companies. Portfolio managers, research analysts and brokers from buy-side and sell-side institutions will have the opportunity to learn about more than 50 emerging growth companies across a broad range of industries, from technology, business services and digital media, to clean-tech, consumer/retail, life sciences and natural resources. For more information, visit [www.gateway-conference.com](http://www.gateway-conference.com).
