PROXY STATEMENT

This Proxy Statement is furnished to the stockholders of PFSweb, Inc., a Delaware corporation (“PFSweb” or the “Company”), in connection with the solicitation of proxies for use at the Company’s Annual Meeting of Stockholders (the “Annual Meeting”). The Annual Meeting is to be held at the Stonebriar Country Club, Frisco, Texas, on Friday, June 4, 2004, at 10:00 a.m. and at any and all adjournments thereof.

This solicitation is being made on behalf of the Board of Directors of the Company. This Proxy Statement, Notice of Annual Meeting of Stockholders, the enclosed proxy card and the Company’s 2003 Annual Report on Form 10-K will first be mailed to stockholders on or about May 4, 2004.

The shares represented by a proxy in the enclosed form, if such proxy is properly executed and is received by the Company prior to or at the Annual Meeting, will be voted in accordance with the specifications made thereon. Proxies on which no specification has been made by the stockholder will be voted to ratify the appointment of KPMG LLP as the Company’s independent auditors for the fiscal year ending December 31, 2004.

Any proxy given by a stockholder may be revoked at any time before its exercise by sending a subsequently dated proxy or by giving written notice of revocation, in each case, to the Company’s Secretary, at the Company’s principal executive offices at the address set forth above. Stockholders who attend the Annual Meeting in person may withdraw their proxies at any time before their shares are voted by voting their shares in person.

Stockholders of record at the close of business on April 15, 2004 (the “Record Date”) are entitled to notice of, and to vote at, the Annual Meeting. On the Record Date, the issued and outstanding voting securities of the Company consisted of 21,197,561 shares of common stock, excluding 86,300 shares of common stock in treasury, par value \$.001 per share (the “Common Stock”), each of which is entitled to one vote on all matters that may properly come before the Annual Meeting or any adjournment thereof.

The presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock is necessary to constitute a quorum. The affirmative vote of a majority of the shares present, whether in person or by proxy, at the meeting will be sufficient to ratify the selection of our independent auditors. The inspector of elections appointed by the Company will count all votes cast, in person or by submission of a properly executed proxy, before the closing of the polls at the meeting. Abstentions and “broker non-votes” (nominees holding shares for beneficial owners who have not voted on a specific matter) will be treated as present for purposes of determining whether a quorum is present at the Annual Meeting. However, abstentions and broker non-votes will have the same effect as a vote against the proposal.

THE COMPANY’S BOARD OF DIRECTORS

The Board of Directors is divided into three classes. Each class serves three years, with the terms of office of the respective classes expiring in successive years. The term of the Class I directors expires at the 2006 Annual Meeting; the term of the Class II directors expires at the 2004 Annual Meeting; and the term of the Class III directors expires at the 2005 Annual Meeting. The Board presently consists of five members, two Class I directors and three Class III directors. There are presently no Class II directors. The proxies will not be voted for any nominee for the vacant Class II positions on the Board. Filling the vacancies requires either action by the Board of Directors or the affirmative vote of a majority of the voting power of all outstanding shares. We do not plan to consider the Class II vacancies at the 2004 annual meeting. The Board of Directors may consider electing an individual to the Class II vacant positions on the Board at a later time, although it presently has no plans to do so.

The following information, which has been provided by the individuals named, sets forth for each member of the Board of Directors, such person’s name, age, principal occupation or employment during at least the past five years, the

The Board of Directors has determined that, other than Mr. Layton, each director is independent within the meaning of applicable Securities and Exchange Commission (“SEC”) rules and NASD listing standards. The independent directors are able to meet in executive session without the Company’s management at each regularly scheduled Board meeting.

The Board of Directors does not have a policy regarding director attendance at the annual meeting of stockholders, and no director attended the 2003 annual meeting other than Mr. Layton.

Table of Contents

The Board of Directors currently has standing Audit, Compensation, Nominating and Stock Option Committees. During calendar year 2003 the Board of Directors did not have a Nominating Committee. The Company recently appointed a Nominating Committee. Prior to the appointment of the Nominating Committee, the functions of the Nominating Committee were performed by the Board of Directors.

The Nominating Committee is responsible for identifying and evaluating individuals qualified to become Board members and recommending to the Board candidates to stand for election or re-election as directors. The Committee will consider candidates at the recommendation of existing Board members, Company management, search firms or other consultants, or stockholders. Stockholders wishing to recommend director candidates to the Board may do so by writing to the Committee in care of the Corporate Secretary at the Company's chief executive office, 500 North Central Expressway, Suite 500, Plano, TX 75074. At a minimum, director candidates should have demonstrated achievement in their particular field of endeavor, significant business or other management experience that would be of value to the Company, integrity and high ethical standards, good communication and leadership skills, and the ability and willingness to commit adequate time and attention to carry out their Board duties effectively. The Committee will evaluate candidates through background and reference checks, interviews and an analysis of each candidate's qualifications and attributes in light of the current composition of the Board and the Company's leadership needs at the time. From time to time, the Committee may engage the services of an outside consultant to assist the Committee by conducting searches to identify candidates, evaluating candidates' qualifications, handling background and reference checks, and making initial contacts with potential candidates. The members of the Nominating Committee are Timothy M. Murray and Neil W. Jacobs, each of whom has been determined to be independent as discussed above. The Nominating Committee has adopted a charter, which is available on the Company's website at www.pfsweb.com.

The Audit Committee is established for the purpose of overseeing the Company's accounting and financial reporting processes and audits of the Company's financial statements. The Committee is established to assist the Board in fulfilling its oversight responsibilities by reviewing and reporting to the Board on the integrity of the financial reports and other financial information provided by the Company to its shareholders. The Committee is directly responsible for the appointment, compensation, retention and oversight of the work of any independent auditor employed by the Company (including resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or related work or performing other audit, review or attest services for the Company. The Company's auditors report directly to the Committee.

The Audit Committee is comprised of three directors, Mr. Reilly, Mr. Beatson and Dr. Jacobs, each of whom has been determined by the Board of Directors to be independent as discussed above, and is able to read and understand fundamental financial statements, including the Company's balance sheet, income statement and cash flow statement. The Board of Directors has determined that, based on his relevant experience as described above, Mr. Reilly is qualified as the audit committee financial expert within the meaning of applicable SEC regulations and has the requisite financial sophistication required by the NASD listing standards. The Audit Committee met six times during 2003. The Committee has adopted a written amended and restated audit committee charter setting out the audit-related functions of the Audit Committee, and the Committee reviews and reassesses the adequacy of the charter on an annual basis.

The Compensation Committee approves, or in some cases recommends, to the Board, remuneration and compensation arrangements involving the Company's executive officers and other key employees. The current members of the Compensation Committee are Messrs. Murray and Reilly, who are independent as described above. The Compensation Committee also serves as the Stock Option Committee to administer the Company's employee stock option and purchase plans. The Compensation Committee and Stock Option Committee met three times during the calendar year ended December 31, 2003.

Communicating with the Board of Directors

Stockholders wishing to communicate with one or more of the Directors or the Board as a whole may do so in a writing addressed to the Director(s) or the Board and sent to the Corporate Secretary, PFSweb, Inc., 500 North Central Expressway, Suite 500, Plano, TX 75074.

Codes of Conduct and Ethics

The Board has approved a code of business conduct and ethics in accordance with rules of the SEC and NASD listing standards applicable to all directors, officers and employees, including the chief executive officer, senior financial officers and the principal accounting officer. The codes are intended to provide guidance to directors and management to assure compliance with law and promote ethical behavior. Copies of the Company's code of ethics and code of business conduct may be found on the Company's website at www.pfsweb.com.

Compensation of Directors

In June 1999 the Company adopted a Non-Employee Director Stock Option and Retainer Plan (the "Non-Employee Director Plan"). As of the date of the adoption of the Non-Employee Director Plan, each non-employee director received an option to purchase 35,000 shares of common stock. The Non-Employee Director Plan also provides for the future issuance to each non-employee director of options to purchase 10,000 shares of common stock as of the date of each annual meeting of stockholders. Accordingly, as of the date of the Company's 2003 Annual Meeting, each non-employee director received an option to purchase 10,000 shares of common stock with an exercise price of \$0.69 per share. In addition, currently, non-employee directors receive an annual retainer fee of \$10,000, payable quarterly, a director meeting fee of \$2,500 for each board meeting attended and a committee meeting fee of \$1,500 for each audit committee meeting attended. The Non-Employee Director Plan permits the payment of such non-employee director retainer fees in shares of Common Stock in lieu of cash.

All options to be issued to non-employee directors under the Non-Employee Director Plan are non-qualified options for federal income tax purposes and have an exercise price equal to the fair market value of a share of common stock as of the date of the annual meeting upon which such option is granted. All options have a ten year term and are subject to a one year vesting schedule.

Generally, unless the Non-Employee Director Plan administrator otherwise provides, options are non-transferable other than by will or the laws of descent and distribution. At the time of any merger, consolidation, reorganization, recapitalization, stock dividend, stock split, or other change in the corporate structure or capitalization affecting the Company's common stock, the Non-Employee Director Plan administrator will make appropriate adjustments to the exercise price, number and kind of shares to be issued under the Non-Employee Director Plan and any outstanding options. Unless terminated earlier, the Non-Employee Director Plan will terminate ten years from its adoption, and no stock options will be granted after the Non-Employee Director Plan terminates. The Board of Directors has the authority to amend, modify, suspend or terminate the Non-Employee Director Plan at any time.

Directors who are also employees of the Company or any of its subsidiaries receive no remuneration for serving as directors or committee members.

Report of the Audit Committee for the Fiscal Year Ended December 31, 2003

The Audit Committee of the Company's Board of Directors is comprised of three independent directors. The current members of the Audit Committee are Messrs. Reilly, Beatson and Jacobs.

Management is responsible for the Company's internal controls and the financial reporting process. The independent accountants ("auditors") are responsible for performing an independent audit of the Company's consolidated financial statements in accordance with generally accepted auditing standards and issuing a report thereon. The Audit Committee's responsibility is to monitor these processes. The Audit Committee meets with the auditors at least twice a year. In addition, the Audit Committee has approved the appointment of the Company's auditors, KPMG LLP.

The Audit Committee discussed with the Company's auditors the scope and plans for the independent audit. Management represented to the Audit Committee that the Company's consolidated financial statements were prepared in accordance with generally accepted accounting principles. The Audit Committee has reviewed and discussed with management and the auditors the Company's audited financial statements, including the auditor's judgments about the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee also discussed with the

Table of Contents

auditors the other matters required by Statement on Auditing Standards No. 61 "Communication with Audit Committees" as amended by Statement on Auditing Standards No. 90 "Audit Committee Communications."

The Company's auditors provided to the Audit Committee the written disclosures required by Independence Standards Board Standard No. 1 "Independence Discussions with Audit Committees," and the Audit Committee discussed with the auditors their independence from the Company and its management.

Based on the Audit Committee's discussion with management and the auditors and the Audit Committee's review of the representations of management and the report of the auditors to the Audit Committee, the Audit Committee recommended to the Board that the audited consolidated financial statements be included in the Annual Report on Form 10-K for the fiscal year ended December 31, 2003, which was filed with the Securities and Exchange Commission.

Otherwise, the value realized was calculated using the difference between the closing price of the common stock on the date of exercise and the exercise price.

Change in Control and Severance Agreements

The Company and each of the executive officers named above have entered into Change in Control and Severance Agreements. Under these agreements, and in consideration of certain commitments of the officer to continue employment, upon the occurrence of a change in control, all unvested options held by the officer immediately vest and become exercisable. During the two year period following a change in control (whenever occurring), if the employment of the officer is terminated (other than for cause, death, disability or retirement), or if there is a material adverse change in the officer's responsibilities, compensation or benefits to which the officer does not consent, then, in each case, the officer is entitled to receive from the Company all salary and bonus amounts accrued through the date of termination plus a severance payment equal to twice the officer's salary and bonus. If applicable, the officer is also entitled to receive an additional payment to compensate the officer for any additional excise tax liability arising by reason of the receipt of such severance or bonus payment. The agreement terminates upon the voluntary resignation or termination of employment by the officer.

The Company and each of the executive officers named above have also entered into Executive Severance Agreements. Under these agreements, and in consideration for, among other things, the agreement by the executive to be bound by a restrictive covenant, in the event of the termination of the employment of the executive other than for cause, the executive is entitled to a severance payment up to a maximum of twice the executive's salary and bonus. In addition, in the event of termination without cause, the executive is entitled to a continuation of benefits and to the accelerated vesting of all options then held by the executive. The severance payment and benefits are reduced by any compensation or benefits received by the executive from any subsequent employer.

Report of the Compensation Committee on Executive Compensation for Fiscal Year Ended December 31, 2003

The Compensation Committee of the Board of Directors (the "Committee") is responsible for approval or recommendation to the Board of Directors of the compensation arrangements for the Company's executive officers. During the fiscal year ended December 31, 2003, the members of the Committee were Timothy M. Murray and James F. Reilly who are independent directors as described above.

The Committee believes that the total compensation of the Company's executive officers should be primarily based on the subjective determination of the Committee as to the Company's overall financial performance and the individual contribution to such performance. The Committee further believes that a portion of total compensation should consist of variable, performance-based components such as stock option awards and bonuses, which it can increase or decrease to reflect its assessment of changes in corporate and individual performance. These incentive compensation programs are intended to reinforce management's commitment to enhance profitability and stockholder value.

In formulating compensation levels and policies for the fiscal year ended December 31, 2003, the Committee did not retain an independent compensation consultant, nor did the Committee rely upon any formal study or review of comparable companies in the Company's industry.

The Committee annually establishes the salaries to be paid to the Chief Executive Officer and other executive officers during each fiscal year. Base salaries for executive officers are set to reflect the duties and level of responsibility in each position. In setting salaries, the Committee takes into account several factors including individual job performance, the level of responsibility, competitive pay practices in the Company's industry, to the extent information is available, and overall company performance. The Committee does not assign specific relative weights to the various factors it considers, however, but rather exercises its discretion and makes a judgment after considering all factors it deems relevant.

For the fiscal year ended December 31, 2003 and for services rendered to the Company, the base salary of Mr. Mark Layton, Chairman of the Board of Directors, President and Chief Executive Officer, was \$304,500, and based upon the Company's performance during 2003, the Committee awarded Mr. Layton a bonus of \$83,076.

The Committee also administers the Company's stock option plans and recommends other option grants that are used to further link executive compensation to the Company's performance. All options are subject to a multi-year cumulative vesting schedule and have an exercise price not less than the fair market value on the date of grant. During the year ended December 31, 2003, Mr. Layton received 82,000 options having an exercise price of \$0.39 per share.

As part of its overall consideration of executive compensation, the Committee considers the anticipated tax treatment of various payments and benefits, including the applicability of Section 162(m) of the Internal Revenue Code, which provides a limit on the deductibility of compensation for certain executive officers in excess of \$1,000,000 per year. The Committee believes that no named officer in the Summary Compensation Table had taxable compensation for the fiscal year ended December 31, 2003 in excess of the deduction limit. The Committee intends to continue to evaluate the impact of this Code provision.

ITEM 1
RATIFICATION OF APPOINTMENT OF INDEPENDENT AUDITORS

The Company has appointed KPMG LLP as the Company's independent auditors for the fiscal year ending December 31, 2004. KPMG LLP audited the Company's financial statements for the last three fiscal years. Ratification of the appointment of KPMG LLP as the Company's independent auditors will require the affirmative vote of a majority of the shares of Common Stock represented in person or by proxy and entitled to vote at the Annual Meeting. In the event shareholders do not ratify the appointment of KPMG LLP as the Company's independent auditors, such appointment may be reconsidered by the Audit Committee and the Board of Directors. Representatives of KPMG LLP will be present at the Annual Meeting to respond to appropriate questions and to make such statements as they may desire.

The Board of Directors of the Company recommends a vote FOR ratification of KPMG LLP as the Company's independent auditors for the fiscal year ending December 31, 2004.

In addition to retaining KPMG LLP to audit the Company's financial statements, the Company engages the firm from time to time to perform other services. The following table sets forth the aggregate fees billed by KPMG LLP in connection with services rendered during the previous two fiscal years.

<u>Fee Type</u>	<u>CY 2003</u>	<u>CY 2002</u>
Audit fees (a)	\$319,000	\$347,743
Audit-related fees	—	—
Tax fees (b)	183,400	157,733
All other fees (c)	16,162	—

- (a) Includes fees paid for professional services rendered in connection with the audit of the annual financial statements, reviews of the quarterly financial statements and fees paid for the audit of the Company's subsidiary, Supplies Distributors, to satisfy requirements of its senior debt agreements.
- (b) Includes fees paid for tax compliance and related tax services.
- (c) Includes fees paid for certain due diligence services.

The Audit Committee has considered whether the provision of the services described in notes (b) and (c) above is compatible with maintaining KPMG LLP's independence.

The Audit Committee has adopted a policy requiring pre-approval by the Audit Committee of all services (audit and non-audit) to be provided to the Company by its independent auditor. In accordance with that policy, the Audit Committee has given its approval for the provision of audit services by KPMG LLP for the first fiscal quarter of 2004 and has also given its approval for the provision of tax compliance and related tax services for 2004 by KPMG LLP, in each case subject to a specific budget. In cases where the Audit Committee's pre-approval is not covered by one of those approvals, a designated member of the Audit Committee has the delegated authority to pre-approve the provision of services, and such pre-approvals are then communicated to the full Audit Committee.
